Presidentialization Of Politics A Comparative Study Of Modern Democracies

Gianluca Passarelli

Presidentialization Of Politics A Comparative Study Of Modern Democracies:

The Presidentialization of Politics Thomas Poguntke, Paul Webb, 2005 This book examines the changing role of political parties and political leadership in fourteen modern democracies As well as examining cross national differences it also analyses how modern democracies are increasingly following a presidential logic of governance Provided by publisher

The Personalisation of Politics Lauri Karvonen, 2014-12-01 With the weakening of the structural determinants of politics in Western democracies it is commonly assumed that individual politicians and politicians as individuals have come to mean more for voter behaviour and party choice Many observers argue that politics has become more personalised in the course of the last few decades Although considerable research on the various aspects of personalisation has been carried out no single study so far has approached the question from a broad comparative perspective By examining four central dimensions of personalisation institutions candidates party leaders and media and by including data from most stable parliamentary democracies this book attempts to fill part of that gap The book demonstrates clearly that there is no linear trend towards more personalisation among the cases studied From the point of view of the general personalisation thesis the findings are mixed at best in some important respects they are negative While the media tend to focus more on individual politicians the idea that party leaders increasingly determine the party choice of voters finds little support in empirical evidence Most researchers seem to agree that the position of the prime minister has become more dominant A closer look at comparative evidence results in a more complex picture There has been a certain tendency to develop the most party centred electoral systems in a more candidate centred direction On the other hand recent reforms have altered some of the most candidate centred systems in the opposite direction Individual candidates seem to mean more to voters in systems where preferential voting has been practiced for a long time This change is by no means dramatic nor does it seem to apply to other electoral systems Karvonen shows that the personalisation thesis while not completely erroneous has been overstated not just by the media but in some of the research literature as well

The Presidentialization of Political Parties Gianluca Passarelli, 2015-08-18 This book explains why the level of party presidentialization varies from one country to another It considers the effects of constitutional structures as well as the party's original features and argues that the degree of party presidentialization varies as a function of the party's genetics

The Oxford Handbook of Political Institutions R. A. W. Rhodes, Sarah A. Binder, Bert A. Rockman, 2008-06-12 This one volume distillation provides a comprehensive overview of the main branches of contemporary political science It will serve as the reference book for political scientists and those following their work for years to come

Comparative Political Leadership Ludger Helms, 2012-07-25 This volume has been designed as a key resource in the field of international political leadership research Written by a team of distinguished leadership scholars from three continents and nine countries the original chapters gathered in this volume cover all the major fields of political leadership from executive legislative and party leadership to leadership in social movements and

international organizations The special value and appeal of this book relates to its genuinely comparative focus that characterizes all chapters

The Oxford Handbook of Danish Politics Peter Munk Christiansen, Jørgen Elklit, Peter Nedergaard, 2020-06-26 The Oxford Handbook of Danish Politics provides the most comprehensive and thorough English language book on Danish politics ever written It features chapters by 50 leading experts who have contributed extensively to the field they write about Why is Denmark an interesting topic for a Handbook In some respects Danish political institutions and political life are very similar to that of other small North European countries such as the other Scandinavian countries and Netherlands However in other respects Danish politics is interesting in its own right For instance Denmark has a world record in minority governments According to standard scholarly knowledge this should result in unstable governments and a bad economy This is not the case however since Denmark has a rather stable political system and a strong and robust economy among the strongest in Europe How The Danes have continued reservations towards the EU despite close to 50 years of EC EU membership and the Danes rejected the Maastricht Treaty in 1992 Still the EU issue is handled in ways that do not call for large political battles How A third example is that Denmark used to be known as a tolerant and liberal society its Jews were almost all saved during German occupation during WWII Denmark was the first country to free pornography and the first country to formally register same sex couples Yet recent Danish politics has also been associated with xenophobia and anti Muslim sentiments Why

Comparing Westminster R. A. W. Rhodes, John Wanna, Patrick Weller, 2009-08-27 This book explores how the governmental elites in Australia Britain Canada New Zealand and South Africa understand their Westminster system It examines in detail four interrelated features of Westminster systems Firstly the increasing centralisation in collective responsible cabinet government Second the constitutional convention of ministerial and collective responsibility Third the role of a professional non partisan public service And finally parliament's relationship to the executive The authors explain the changes that have occurred in the Westminster model by analysing four traditions royal prerogative responsible government constitutional bureaucracy and representative government They suggest that each tradition has a recurring dilemma between centralisation and decentralisation party government and ministerial responsibility professionalisation and politicisation and finally elitism and participation They go on to argue that these dilemmas recur in four present day debates the growth of prime ministerial power the decline in individual and collective ministerial accountability politicisation of the public service and executive dominance of the legislature They conclude by identifying five meanings of or narratives about Westminster Firstly Westminster as heritage elite actors shared governmental narrative understood as both precedents and nostalgia Second Westminster as political tool the expedient cloak worn by governments and politicians to defend themselves and criticise opponents Third Westminster as legitimising tradition providing legitimacy and a context for elite actions serving as a point of reference to navigate this uncertain world Fourth Westminster as institutional category it remains a useful descriptor of a loose family of governments with shared

origins and characteristics Finally Westminster as an effective political system it is a more effective and efficient political system than consensual parliamentary governments Westminster is a flexible family of ideas that is useful for many purposes and survives even thrives because of its meaning in use to like actors

The Oxford Handbook of Political Representation in Liberal Democracies Robert Rohrschneider, J. J. A. Thomassen, 2020 How can democracies effectively represent citizens The goal of this Handbook is to evaluate comprehensively how well the interests and preferences of mass publics become represented by institutions in liberal democracies It first explores how the idea and institutions of liberal democracies were formed over centuries and became enshrined in Western political systems The contributors to this Handbook made up of the world's leading scholars on the various aspects of political representation examine how well the political elites and parties who are charged with the representation of the public interest meet their duties Clearly institutions often fail to live up to their own representation goals With this in mind the contributors explore several challenges to the way that the system of representation is organized in modern democracies For example actors such as parties and established elites face rising distrust among electorates Also the rise of international problems such as migration and environmentalism suggests that the focus of democracies on nation states may have to shift to a more international level All told this Handbook illuminates the normative and functional challenges faced by representative institutions in liberal democracies

The New Dynamics of Democracy in South Korea Chae-Han Kim, 2021-06-29 South Korea has been through important changes since its democratization in the late 1980s most recently in 2016-2017 when the candlelight protests led to the ousting of Park Geun-hye and the election of Moon Jae-in Taking a thematic approach to understanding South Korean democracy each chapter in this textbook is written by a leading Korean expert on a different element of South Korean politics and government Covering themes such as intergenerational differences the instability of the party system the role of the president and the impact of the 2016 demonstrations this is a vital and lively introduction to Korean politics This systematic and nuanced approach helps you understand the past present and possible futures of South Korea's democracy It also helps in understanding South Korea's system for the purposes of comparing it with other political systems *The New Dynamics of Democracy in South Korea* is an invaluable textbook for students of Korean politics which will also be a useful resource for scholars of comparative democracy

Discourse and Political Culture Michael Kranert, 2019-10-15 This book presents a new approach to comparative politico-linguistic discourse analysis It takes a transdisciplinary stance and combines analytical tools from linguistic discourse analysis keywords metaphors argumentation genre and political science political culture comparative politics ideologies It is comprehensive in its introduction of approaches from the German tradition of politico-linguistics This tradition has not thus far been accessible to a non-German speaking readership and hence the volume adds insights into the mechanics of political discourse from a diverse set of viewpoints The book analyses the modernisation discourses in social democratic parties in Britain and Germany between 1994 and 2003 a project that was named Third Way

It demonstrates how political language and political culture are related and how politicians will adapt a global ideology to local political circumstances in order to convince the electorate At the same time the book presents new insights into the German political culture and the version of Third Way discourses in the Social Democratic Party of Germany SPD under the leadership of Gerhard Schröder which have played a key role in shaping current political discourse in Germany It concludes with a model for the study of political discourse which makes the work relevant to scholars in Social Sciences and beyond

Presidentialization Of Politics A Comparative Study Of Modern Democracies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Presidentialization Of Politics A Comparative Study Of Modern Democracies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidentialization Of Politics A Comparative Study Of Modern Democracies has opened up a world of possibilities. Downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidentialization Of Politics A Comparative Study Of Modern Democracies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidentialization Of Politics A Comparative Study Of Modern Democracies,

users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidentialization Of Politics A Comparative Study Of Modern Democracies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Presidentialization Of Politics A Comparative Study Of Modern Democracies Books

What is a Presidentialization Of Politics A Comparative Study Of Modern Democracies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidentialization Of Politics A Comparative Study Of Modern Democracies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidentialization Of Politics A Comparative Study Of Modern Democracies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidentialization Of Politics A Comparative Study Of Modern Democracies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidentialization Of Politics A Comparative Study Of Modern Democracies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader:

Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
