opportunities for financial independence dignity and self worth on the other Kitty Warren follows her sister into a successful career in prostitution Shaw s fierce social criticism in this play is driven not by conventional morality but by anger at the hypocrisy that allows society to condemn prostitution while condoning the discrimination against women that makes prostitution inevitable This Broadview edition includes a comprehensive historical and critical introduction extracts from Shaw s prefaces to the play Shaw s expurgations of the text early reviews of the play in the United States Canada and Great Britain and contemporary contextual documents on prostitution incest censorship women s education and the New Woman
