Men of Our Time Fred Moramarco,Al Zolynas,1992-10-01 In this groundbreaking volume Fred Moramarco and Al Zolynas bring together a comprehensive and widely representative selection of poetry reflecting both the diversity and commodity of male experience in the United States today Since the beginning of the contemporary phase of the women's movement in the 1960s various anthologies devoted to the poetry of women have articulated and defined a distinctive sensibility attuned to the particularities of a woman's life in our time Although much has been written recently about the male role in our society as well the discussion generally has assumed a sociopsychological or mythic perspective Poetry Moramarco and Zolynas believe can reveal most about the nature of male life today especially the enormous changes men have experienced in recent years As the editors state in their introduction A quiet revolution has been taking place in men's poetry over the past few decades as men have been chronicling the history of their hearts and have been examining those relationships central to their being in the world their connections to their fathers and mothers their own sense of fatherhood and of being sons and brothers their marriages divorces and other aspects of their love lives as well as the ways they conceive of maleness and femaleness The poems collected in Men of Our Time 257 from more than 170 poets include a wide mix of ethnic and racial perspectives that reflect the multicultural tenor of American life They reveal men's most intimate feelings about the loss of childhood sexual anxieties and fantasies aging self sufficiency and dependency and the perennial quest for a masculine identity Above all the poems are unapologetically grounded in a distinctly male experience or imagination Men of Our Time reclaims a poetry that is connected to and expressive of men's lives in the closing decade of the twentieth century

William Langland's *Piers Plowman*, John Donne's *Divine Poems* and John Milton's *Paradise Lost* this book examines the nature of poetic encounter with God. At the same time the author makes original contributions to the discussion of critical dilemmas in the study of each poem or group of poems. The main linguistic focus of this book is on the nature of dialogue with God in religious poetry, an area much neglected by grammarians and often overlooked in studies of literary style. It constitutes an important contribution to our understanding of the relationship between literature and theology.

Holy Sparkes of Heavenly Fire Michael Reed, 2024-10-23. Left unpublished for over 200 years, the poetry of colonial American writer Edward Taylor has left an undeniable impact on the American literary landscape. Upon its release, the concrete, carnal and to some scandalous content and language of his poetry seemed to stand in contradiction with the man himself, a minister and doctrinaire Puritan. This book presents a psychoanalytic reading of both Taylor's religion and his poetry, shedding light on the language which has so puzzled readers since its initial publication.

Confronting AIDS Through Literature Judith Laurence Pastore, 1993. This anthology offers an array of viewpoints on the use of literature to confront AIDS. In Part 1, the authors, a.o. Michael Denney, Paul Reed, James W. Jones, chronicle the increasing significance of AIDS in fiction, journalism, drama, and contemporary spirituality. Part 2 offers a sampling of creative writing on AIDS with fragments by a.o. Paul Monette, Melvin Dixon, Joel Redon, David Feinberg. Part 3 shows how AIDS literature can enlighten and energize humanities composition and medical students.

Serious Poetry Peter McDonald, 2002. Do we want to read poetry or just like having a few poets to talk about? The history of poetry in twentieth-century Britain and Ireland is one which ends with the assimilation of successful poets into a media culture; it is also, however, another history, one of form and authority, in which certain poets found modes and pitches of resistance to the seeming inevitabilities of their times. In this history, it is the authority of poetry and not the media-processed poet which is at stake in the integrity of poetic form. *Serious Poetry: Form and Authority*, from Yeats to Hill, offers a controversial reading of twentieth-century British and Irish poetry centred on six figures, all of whom are critics as well as poets: W.B. Yeats, T.S. Eliot, W.H. Auden, Louis MacNeice, Seamus Heaney, and Geoffrey Hill. Yeats's centrality to twentieth-century poetry and the problem many poets and critics had or still have with that centrality is a major focus of the book. *Serious Poetry* argues that it is in the strengths, possibilities, perplexities, and certainties of the poetic form that poetry's authority in a distrustful cultural climate remains most seriously alive.

Encyclopaedia of English and American Poetry Samuel Orchard Beeton, 1873.

Who Wants to Be a Jewish Writer? Adam Kirsch, 2019-01-01. From one of today's keenest critics comes a collection of essays on poetry, religion, and the connection between the two. Adam Kirsch is one of today's finest literary critics. This collection brings together his essays on poetry, religion, and the intersections between them, with a particular focus on Jewish literature. He explores the definition of Jewish literature, the relationship between poetry and politics, and the future of literary reputation in the age of the internet. Several essays look at the way Jewish writers such as Stefan Zweig and Isaac Deutscher, who coined the phrase 'the non-Jewish Jew', have dealt with politics. Kirsch also examines

questions of spirituality and morality in the writings of contemporary poets including Christian Wiman, Kay Ryan, and Seamus Heaney. He closes by asking why so many American Jewish writers have resisted that category, inviting us to consider: Is there such a thing as Jewish literature?
