

Preston Manning Fall From Grace

John Laschinger, Geoffrey Stevens

Preston Manning Fall From Grace:

Dismantling Canada Brooke Jeffrey, 2015-03-20 A Liberal insider analyzes Stephen Harper's drive to create a new Conservative Canada **CM**, 1992 *Divided Loyalties* Brooke Jeffrey, 2010-01-01 Extremely well documented and well written *Divided Loyalties* is the definitive record of the Liberal Party through the Turner, Chretien and Martin years. Brooke Jeffrey's interviews with Members of Parliament, high ranking public servants and senior Liberals provide an authentic account of the party's travails and conflicts, making *Divided Loyalties* a truly valuable contribution to Canada's political history. Peter Russell, Professor Emeritus, University of Toronto. *Divided Loyalties* brings together for the first time the complete story of the Liberal Party during its most tempestuous years. Brooke Jeffrey's study of Canada's natural governing party is balanced, authoritative and very relevant to current events. Hugh Thorburn, Professor Emeritus, Queen's University. *Divided Loyalties* stands alone in the literature on Canadian political parties and makes an extraordinary contribution to how we understand this country's contemporary politics. Brooke Jeffrey advances crucial arguments on the Liberal Party's rapid decline that all future evaluations will need to take into account. She is uniquely positioned to communicate the complexity of the relationships between leaders, caucus, constituency associations, voters and election advisers, and her extensive interviews with key Liberal politicians and advisers offer remarkably candid assessments of the party and its policies. **Conservatism in Canada** James Farney, David Rayside, 2013-12-11 With the electoral success of the Harper Conservatives federally and of a number of conservative parties provincially, the topic of Canadian conservatism is more important to our understanding of Canadian party politics than ever before. This timely volume presents the first comprehensive examination of Canadian conservatism in a generation, a period during which its nature has changed substantially. *Conservatism in Canada* explores the ideological character of contemporary Canadian conservatism, its support in the electorate, its impact on public policies such as immigration and foreign policy, and its articulation at both federal and provincial levels. The essays include comparisons with other countries including the United States, the United Kingdom and Australia, as well as specific examinations of conservatism in Ontario, Alberta and Quebec. Featuring contributions by both established and new scholars in the fields of political science and public policy, this volume makes a significant contribution to our understanding of the changing nature of Canadian conservatism and its broader implications for the future of this country. *Conventional Choices?* Ian Stewart, David Stewart, 2011-11-01 Selecting a leader is a momentous and defining choice for a political party. Leaders symbolize their party and are a primary factor in election outcomes. While much is known about the selection of national party leaders, less is known about the provincial selection process, particularly in the Maritimes. *Breaking New Ground: Conventional Choices* examines twenty-five different leadership elections in three maritime provinces. The analysis draws on an extraordinarily rich data set spanning thirty-two years to explore the backgrounds, attitudes and motivations of those who select party leaders. It is an impressive study that offers fresh insights into leadership selection and Maritime party politics.

Leaders & Lesser Mortals John Laschinger, Geoffrey Stevens, 1992 *Canadian Saturday Night* ,1992 *Saturday Night* ,1992 Quill & Quire ,2003 ... Annual Catalogue of the Idaho Technical Institute Idaho Technical Institute, Pocatello Idaho. State college, 1926

Fuel your quest for knowledge with is thought-provoking masterpiece, Dive into the World of **Preston Manning Fall From Grace** .
