Pretend No More My Healing Process From Domestic:

No More Faking Fine Esther Fleece Allen, 2017-01-10 Scripture reveals a God who meets us where we are not where we pretend to be No More Faking Fine is your invitation to get honest with God through the life giving language of lament If you ve ever been given empty clich s during challenging times you know how painful it is to be misunderstood by well meaning people When life hurts we often feel pressure from others and ourselves to keep it together suck it up or pray it away But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard For most of her life Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether She was known as an achiever and an overcomer on the fast track to success But in silencing her pain she robbed herself of the opportunity to be healed Maybe you ve done the same Esther s journey into healing began when she discovered that God has given us a real world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain It s called lament the gut level honest prayer that God never ignores never silences and never wastes No More Faking Fine is your permission to lament taking you on a journey down the unexpected pathway to true intimacy with God Drawing from careful biblical study and hard won insight Esther reveals how to use God s own language to come closer to him as he leads us through our pain to the light on the other side teaching you that We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect instead he meets us where we are There is hope beyond your heartache disappointment and grief Like Esther you ll soon find that when one person stops faking fine it gives everyone else permission to do the same [Leaves of Healing](#) , 1923

The Trauma of Sexual and Domestic Violence Sharon Ellis Davis, 2022-07-26 Recovering from the trauma of sexual and domestic violence is a process that can lead you to find your own strength Shaped by a faith identity incongruent with her reality as a survivor of sexual and physical abuse Ellis Davis became intimately familiar with domestic violence and the church s reluctance to intervene Then using marriages as a touchstone for self discovery only led her into increasingly violent relationships Even while navigating the process to wholeness as a woman police officer Ellis Davis was not assured an expedient process through the courts nor protection from male police officers Determined to define her worth for herself Ellis Davis shares with liberating vulnerability decades of blessings and betrayals as she self actualized from being a victim of domestic violence and sexual traumas to becoming victoriously accomplished and deeply content This book provides hope for survivors pastoral wisdom for seminarians cultural sensitivity for service providers and is useful as a guide for faith based study groups
