Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution Meredith Ralston, 2021-06-16 The sexual revolution is unfinished A sexual double standard between men and women still exists and society continues to punish bad girls and reward good ones Until we eliminate good girl privilege and bad girl stigma women will not be fully free to embrace their sexuality In Slut Shaming Whorephobia and the Unfinished Sexual Revolution Meredith Ralston looks at the common denominators between the MeToo movement the myths of rape culture and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy Weaving in history pop culture philosophy interviews with sex workers and personal anecdotes Ralston shows how women cannot achieve sexual equality until the sexual double standard and good girl bad girl binary are eliminated and women viewed by society as whores are destigmatized Illustrating how women s sexuality is policed by both men and women she argues that women must be allowed the same personal autonomy as men the freedom to make sexual decisions for themselves to obtain orgasm equality and to insist on their own sexual pleasure Dispelling the myth that all sex workers are victims and all clients are violent Slut Shaming Whorephobia and the Unfinished Sexual Revolution calls out Western society s hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women **The Harvard Advocate** ,1890 **The Story Girl** L. M.

(She'S) a Woman of Substance Verner Reid, 2018-08-13 It was a different day a different time and a different era when Verner Reid entered the world inside a one room shack with a dirt floor as the sun welcomed her through a rag covered hole. Born into a tiny Negro community in the heart of the Delta Verner grew up idolizing Eartha Kitt struggling to endure poverty and learning to rely on her intuition to survive. In a heartbreaking yet inspirational memoir Verner leads others through the journey of her life as she moved to Chicago as part of the Great Migration and overcame childhood sexual trauma an abusive marriage and a rape to courageously carve her own path in television as a talk show host and later complete her education as a nontraditional student. As she reveals a glimpse into the betrayals treachery unfaithfulness bigotry and discrimination she endured while pursuing her passion Verner shines a light on her determination to be a woman of substance despite her personal challenges. *Shes A Woman of Substance* shares the true story of one womans experiences as she navigated from a poverty stricken childhood in the rural South to pursue her dreams.

The Daddy Gap Dawn Walker and Matt Haviland, 2014-11-07 Upon hearing the news that his father has gone to jail a six year old boy poses the question of this generation Who's going to take my Dad's place. *The Daddy Gap* takes an uncensored look at the distress so many fatherless families are in and provides desperately needed answers about how God responds to this question and how the Church should as well. Dawn Walker and Matt Haviland build a compelling case that not only are single parent families the widows and orphans of this generation but that it is the Church not the government that should be responsible to care for them. Drawing from their own journeys as single parents Dawn and Matt give heartfelt encouragement to these often marginalized families by sharing how God really sees them loves them and wants to heal and restore them. Full of rich insights and lavish grace they also offer some hard truths about what redemption and restoration really require. Most importantly they clear a path to help all wounded sons and daughters discover the Father they've always wanted and who has always wanted them.
