Preventing Alcohol Abuse Alcohol Culture And Control:

Preventing Alcohol Abuse David J. Hanson, 1995-02-28 The prevailing neo prohibitionist approach to reducing alcohol problems is generally ineffective often counter productive and is doomed to failure This work is to promote an effective alternative strategy to reducing the incidence of alcohol problems The thesis is that a socio cultural approach would be effective and therefore that public policy should promote this approach This work is expected to be controversial and is hoped to form a pattern for reorientation of the current approach to alcohol abuse Professionals in drug abuse education and treatment along with public policy makers and students in appropriate courses should be interested in the work

Prevention and Societal Impact of Drug and Alcohol Abuse Robert T. Ammerman, Peggy J. Ott, Ralph E. Tarter, 1999-03 The chapters in this book provide a comprehensive overview of the pervasive effects throughout society of substance abuse as well as of prevention programs at a variety of levels The book will be of value to scholars and those working in the field

Drinking Patterns and Their Consequences Marcus Grant, Jorge Litvak, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory

Regulating Alcohol around the World Tiffany Bergin, 2016-04-08 With the World Health Organization estimating that nearly four percent of global deaths are due to alcohol alcohol misuse can be an extremely damaging social problem and one that governments around the world have endeavored to address through a range of policy strategies *Regulating Alcohol around the World* explores historical and contemporary case studies in multiple countries to gain a richer understanding of the political economic and other forces that influence alcohol related policymaking The case studies presented in the book investigate a range of different kinds of alcohol policies including prohibition strategies general efforts to reduce alcohol's social harms and more targeted policies The explanatory value of leading theories from political science policy studies anthropology and other fields is assessed with particular reference to the influence of cultural and historical factors on approaches to alcohol regulation The book adopts a global perspective and offers guidance for students researchers practitioners policymakers and other stakeholders about the lessons that can be learned from previous efforts to change alcohol policies As such it will be of interest to practitioners in the fields of health and alcohol abuse prevention as well as scholars and students of social policy criminology and the sociology of health addiction and social problems

International Handbook on Alcohol and Culture Dwight B. Heath, 1995-09-30 The first authoritative guide to how the world drinks this reference details alcohol use in different countries and cultures Variation is striking with alcohol sometimes a food a sacrament a symbol a tool a tranquilizer a medicine a love potion or an object of scorn often with very different meanings and uses in a single country This volume reveals multicultural and ethnic beliefs practices and attitudes about drinking around the world An extensive introduction discusses the close link between alcohol and culture and provides a foundation for the rest of the book Each of

the following chapters is written by an expert contributor and discusses alcohol and culture in a particular country Chapters discuss historical trends drinking among ethnic and religious minorities national policies and social outcomes Countries range from industrial nations known for their alcohol research to developing nations and to places famous for drinking A concluding chapter highlights important similarities and differences

Tackling Harmful Alcohol Use Economics and Public Health Policy OECD,2015-05-12 This book examines trends and social disparities in alcohol consumption It assesses the health social and economic impacts of key policy options for tackling alcohol related harms in Canada the Czech Republic and Germany extracting policy messages for a broader set of countries

Learning About Drinking Eleni Houghton,Anne M. Roche,2013-05-13 This book is based on the premise that drinking behaviors are primarily learned The contributors to the book explore the complex array of individual and social factors that impact the development of drinking patterns They traverse family and culture influences and the role played by schools government and the beverage alcohol industry Learning About Drinking offers a rigorous and scholarly examination of drinking behavior brought to life with illustrative cases drawn from around the world Social policymakers historians anthropologists public health specialists as well as mental health professionals will find this book of value Learning About Drinking offers a refreshing evidence based look at a process that has too often been taken for granted

Perspectives on Substance Use, Disorders, and Addiction Margaret Fetting,2015-09-23 Perspectives on Substance Use Disorders and Addiction Second Edition is a philosophical and clinical text that suggests new ways to think about the relationships enjoyment and troubles with substances of pleasure The book is designed for students and clinicians who come in contact with and treat individuals and families struggling with the causes and consequences of substance use disorders and addiction The second edition of Perspectives presents a refreshing blend of ancient and contemporary ideas on the natural pleasures and potential powers of alcohol and drugs in our everyday individual and collective lives

Normative Approaches to the Prevention of Alcohol Abuse and Alcoholism National Institute on Alcohol Abuse and Alcoholism (U.S.),National Institute on Alcohol Abuse and Alcoholism (U.S.). Laboratory of Epidemiology and Population Studies,1980

Alcohol Problems and Alcohol Control in Europe Phil Davies,Dermot Walsh,2023-12-01 The nature of alcohol problems is very diverse and the strategies adopted for minimising these vary even more Thinking in the study of alcohol problems in the 1970s and early 1980s had focused on the public health perspective seeking not only to lessen alcohol problems by controlling the availability of alcohol but also to promote moderate drinking practices and to preserve the positive advantages of alcohol use Originally published in 1983 a detailed review of public health issues in this field at the time opens the book This is followed by an examination of alcohol related problems and policies for their control in sixteen different European countries The chapters on individual countries provide a source of information and data on alcohol policies consumption and problems with which it is possible to examine from a cross cultural and comparative basis the claims of a public health perspective The final chapter draws together the cross national data and

discusses their implications for a public health response to alcohol problems This book should now be a historical reference source for all interested in health policy in general and alcohol problems in particular

The book delves into Preventing Alcohol Abuse Alcohol Culture And Control.
