River Magic:

River Magic Martha Hix, 1995-04-01 India Marshall took one look at the Union Army's Rock Island Prison Camp on the banks of the Mississippi and prayed for strength. The determined Confederate belle had vowed to set her brother free at any cost. If she could somehow entice Major Connor O'Brien into trusting her, she might be able to stage a prison break until she found herself caught between fear and desire, desperation and a passion that promised to break her heart. West Point soldier Connor O'Brien fought for the North even though his big brawling family came from Tennessee. He had mixed feelings about guarding this prison camp but no doubts about the southern charmer who was placing both their lives at risk. Now, as the dark currents of war and treachery swept them toward certain betrayal, Connor and India were trapped between the loyalties they held dear and the love they could no longer resist.

River Magic Ellen Booraem, 2021-04-27 Magic moves in next door in this hilarious and heartfelt middle grade fantasy about a resourceful girl battling a temperamental thunder wizard. Donna's always liked her life by the river that is until her beloved aunt Annabelle died in a tragic kayaking accident. Now money's tight, her mom works all the time, and her best friend Rachel would rather hang out with her basketball teammates than with Donna. When a strange old woman moves in next door and hires Donna to clean part time, she figures this is the perfect chance to get over her friendship troubles and help her family out, especially since the woman pays in gold. Turns out Donna's new neighbor is an ancient ornery thunder mage, and it doesn't take much to make her angry. Before Donna knows it, Rachel is in danger, and Donna's family is about to lose their home. To save the day, Donna will need the help of a quirky new friend and the basketball team, plus the mysterious powerful creature lurking in the river.

Severn River Magic Amelia Khatri, AI, 2025-02-14 *Severn River Magic* explores the profound mythological significance of the River Severn in Celtic spirituality and history. The book reveals the river's deep connection to powerful goddesses and ancient beliefs, positioning it as more than a geographical feature but a vibrant participant in religious life. Discover how ancient cultures interacted with their environment and how these interactions shaped their belief systems. The book highlights the River Severn as a focal point embodying divine feminine energy and serving as a conduit for interaction with mythological figures. The book's approach involves analyzing ancient texts, archaeological findings, and local folklore to support its arguments. It's structured in four parts, starting with an introduction to Celtic religion and mythology before delving into specific figures associated with the river, like Sabrina. It then broadens the scope to explore the general significance of rivers in Celtic spirituality, emphasizing their role as sacred spaces. The concluding section reflects on the enduring legacy of these beliefs and their relevance to contemporary spirituality, making it valuable for those interested in British history, religious studies, and paganism.
