An Uneven Dozen Harry Highstreet, 2004-07 Part I of this book attributes only one source used for inspiration in creating the stories It is a Calendar Each illustration attached to every month of that Calendar from long long ago pleaded for life If you have never had a character cry out to you begging to become an integral part of an episode so important to that character and its existence then you have probably slept very comfortably at night The author did not Until the final word was written for the final month and the messages from that Calendar were completed to become a part of an uneven dozen his nights were restless Part II is also an uneven dozen There are only ten stories Once again the author was faced with a dilemma This time there was no single source other than imagination consisting of experiences fears beliefs and of course things that go bump in the night

The OOB File Harry Highstreet, 2005-03 Slightly above your comfort zone there exists a higher level of awareness It is often described as dreaming Others prefer to call it astral projection And there are those who use the phrase out of body experience No matter which label you choose it will not alter the fact that you have been there And you will continue to go there every time your physical body seeks renewal using what we refer to as sleep There is no need to be frightened There is no danger Dream on if you wish Or join one of those who chose the phrase out of body experience Become a part of his adventure as he probes the unknown struggles with the needs of his physical being and is forced to join a dangerous mission that will require all of his mental and physical prowess Welcome to The OOB File
