Office of Environmental Quality, 1978 *The Ends of the Earth* Roger Willemssen, 2014-12-15 An author foreign correspondent academic and television personality Roger Willemssen is a familiar figure in Germany and *The Ends of the Earth* offers English language readers a chance to engage with his uniquely astute take on the world Consisting of twenty two essays recounting and reflecting on a lifetime of travel to the far and forgotten corners of our planet the book offers remarkable encounters and mysterious entanglements in locations as diverse as a Kamchatkan volcano a Burmese railway station an Arctic icebreaker and a Minsk hospital ward Willemssen is the perfect companion reveling in the strange and unlovely and tracing unexpected connections among places times and peoples **Special Publication**, 1935 The Meaning of Rivers T. S. McMillin, 2011-03-15 In the continental United States rivers serve to connect state to state interior with exterior the past to the present but they also divide places and peoples from one another These connections and divisions have given rise to a diverse body of literature that explores American nature ranging from travel accounts of seventeenth century Puritan colonists to magazine articles by twenty first century enthusiasts of extreme sports Using pivotal American writings to determine both what literature can tell us about rivers and conversely how rivers help us think about the nature of literature *The Meaning of Rivers* introduces readers to the rich world of flowing water and some of the different ways in which American writers have used rivers to understand the world through which these waters flow Embracing a hybrid essayistic form part literary theory part cultural history and part fieldwork *The Meaning of Rivers* connects the humanities to other disciplines and scholarly work to the land Whether developing a theory of palindromes or reading works of American literature as varied as Henry David Thoreau's *A Week on the Concord and Merrimack Rivers* and James Dickey's *Deliverance* McMillin urges readers toward a transcendental retracing of their own interpretive encounters The nature of texts and the nature of nature require diverse and versatile interpretation interpretation requires not only depth and concentration but also imaginative thinking broad mindedness and engaged connection making By taking us upstream as

well as down McMillin draws attention to the potential of rivers for improving our sense of place and time
