Road To Armageddon:

The Road to Armageddon Charles R. Swindoll, John F. Walvoord, J. Dwight Pentecost, Dwight L. Pentecost, 1999 A biblical understanding of prophecy and end time events *Road from Armageddon* Clabe Polk, Christian Zionism Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen's book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer's Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone's perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok The Road to Armageddon David Simpson, 1940 The Road to Armageddon Peter Stiff, 1984 A fictionalised account of the true story of how allied forces stopped the 2nd SS Panzer Division the Normandy beaches after D Day *On the Road to Armageddon* Dick Perfect, 1993 **The Road to Armageddon - a Free Spiritual Guide** Chuck Facas, 2012-09-01 Official transcript from the documentary The Road to Armageddon examines the universal concept of the Apocalypse on an intensely personal and spiritual level not as the end of the world but as the end of you your body your mind and if you're not careful your soul The film puts the viewer on the front lines of the eternal battle between good and evil combining academic interviews with firsthand accounts of divine revelation to bring fresh urgency to

the teachings of the world's major religions Buddhist Jew Muslim Hindi or Christian the message is the same spread love reject hate walk in the light avoid the dark listen to the angels ignore the demons The simplest choices you'll ever make lead to the hardest path you'll ever walk

ON THE ROAD TO ARMAGEDDON Charles E. Blair, 1986 *The Apocalypse Code* Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world Provocative and passionate this fascinating book is a must read for everyone who's interested in end times controversies Lee Strobel Author *The Case for the Real Jesus* This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the *Left Behind* series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School

Messiah Grant R. Jeffrey,Jeffrey,1995-03 War in the Gulf revolutions in Russia and Eastern Europe The ancient prophets warn of impending disaster in our generation Startling Biblical prophecies declare that our world is on the road to Armageddon and the Return of the Messiah *The Road to Armageddon and Beyond* Thomas Nelson Incorporated,1999-01-01 Dallas Seminary s Prophecy Conference in a series of six sessions designed to help Christians understand Biblical prophecy Topics include such important events in prophecy as the Rapture the Tribulation the Antichrist and the Second Coming Rewarding for both the serious Bible student as well the person new to Bible prophecy **The Road to Armageddon** C. D. Whitfield,1998-02-01 *The Rapture, One-World Government and the "Great Tribulation"* Luis Muñoz,2013-08-13 This book explains in great detail and exceptional clarity the issues related to the rapture of the Church the government of the Antichrist the great tribulation and all the apocalyptic judgments which God will pour out upon the wicked world The rapture of the Church will bring about the global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the Antichrist begins God will take out of this world all those who believe in Christ Seven years later the Lord Jesus will return to destroy those who destroy the earth Rev 11 18b and establish His everlasting kingdom on Earth Then The wolf and the lamb shall feed together The lion shall eat straw like the ox and dust shall be the serpents food They shall not hurt nor destroy in all My holy mountain says the LORD Isaiah 65 25 NKJV *ROME RISING: ROAD TO ARMAGEDDON* ROME RISING: ROAD TO ARMAGEDDON,2023-02-09 As 1942 draws to a close the world is still in a state of Chaos with fighting occurring nearly worldwide The intensity of the fighting seems to grow with each passing day In the far east there is a growing hope by the Allies that serious cracks are developing in the Japanese plan to dominate the region Following the triumph battle of Midway Churchill has released to the Pacific submarines and aircraft carriers previously

engaged in supply and defense of the lost island of Malta The added effect was victory after victory in the region Never thought possible teams of American generals and Admirals were working hand in hand with their British counterparts to save China and drive the Japanese back However this stood in sharp contrast with the setbacks Hitler was inflicting on Stalin The port city of Sevastopol had fallen and yet another vicious struggle led by German General Erich von Manstein was being waged in the environs of Leningrad and the far north On the Eurasian Steppe rebuilt Panzer Divisions from the winter debacle had sweep Stalin s troops before them all the way to the gates of Stalingrad It now appears the 1942 German Russian offensive has been stopped however Italian sea air and land forces had just successfully captured much of the Russian Black Sea coast It would appear that things were looking up for Hitler and that Stalin was in a bad way Although Stalin was furious with his field commanders for letting so much of the motherland slip out of his hands he knew winter was coming and with it revenge Literally millions of Soviet troops and thousands of tanks and planes were standing in the wings preparing for a whole host of offenses All were backed up with thousands of tons of weapons and supplies courtesy Roosevelt and Churchill But Hitler s iron grip was beginning to slip In hundreds of secret conversations criticism was building as growing evidences of secret brutality excesses and regime incompetence were building Fuel tanks were near empty serious raw material shortage were at hand and everyday and night more British and American bombs fell on German factories and cities The U boat blockade appeared to be having no effect not true Those in the know recognized the imprint of competent leadership by Generals like Heinz Guderian who had even managed to turn the Italian military around Here again things were not what they seemed for while acquiring German and captured technology and equipment Italian spies and salvage crews also acquired information Information these spies recently came into revealed how threatened Italy s survival truly was Mussolini was keenly aware this information was both dangerous and potentially an avenue to securing the empire he so greatly desired perhaps even preeminence in the Axis camp Before he could win the battle in the shadows his forces must successfully defend the central Mediterranean If German Admiral Raeder was correct the Allies would most surely wager everything they had to regain control and destroy Italy This great challenge began more quickly than Mussolini would have liked He knew even if they won it would probably not be enough but if they lost nothing could save them After holding off much of British 8th Army attempting to capture Mersa Matruh North Africa Italian forces counter attack using their modified captured tanks While Italians attack in the north German Africa Korps attacks from the south British forces are driven across the desert past Mussolini s recently erected Triumphal Arch One pincer of the Allies plan to trap Axis forces in Africa has been removed In the west the Allies massive Torch invasion fleet must now take back the Mediterranean on its own

Christianity and Rabbinic Judaism Jonas E. Alexis,2013 Our way must be never knowingly support lies Having understood where the lies begin step back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly and

helplessly the lies will fall away and that which is destined to be naked will be exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaire s self appointed cheerleaders such as Diderot Helvitius d Holbach D Alembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie produced Man A Machine and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying crasez l inf me Rousseau of course was a disciple of Voltaire and declared that Voltaire s work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross The Case for Zionism Thomas Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day **Parishioners of Sovereignty** Michael Kenneth Huner,2025-11 The story of nineteenth century Paraguay is the story of the dawn of modern nationhood in the world and a devastating war is the culmination of this tale The War of the Triple Alliance 1864 70 considered the bloodiest interstate conflict in the history of the Americas pitted Paraguay against the combined forces of imperial Brazil and the republics of Argentina and Uruguay By the end of the war Paraguay was defeated and occupied losing more than half its total population Why then did everyday people in nineteenth century Paraguay join and endure the violence and trauma associated with postcolonial sovereignty In Parishioners of Sovereignty Michael Kenneth Huner answers

this question He explores how modern nationhood became a living breathing reality among everyday people in Paraguay even as such bonds of sovereignty remained fluid and contingent in the years leading up to and during the war Although conventional history still portrays Paraguay s experience in the conflict as the result of a precocious cultural and ethnolinguistic based nationalism Huner argues in contrast that religion and republicanism rendered modern nationhood a moral imperative for which everyday Paraguayans worked died killed and subverted By tracing the complex interplay of religion republicanism and local social history that created the Paraguayan nation and state and utilizing unique sources in the Guaran language Parishioners of Sovereignty casts crucial new light on the social history of early nation building throughout the Americas

The Road to Armageddon Larry Collins, 2007-06-01 When Iran s deadly nuclear game is revealed CIA agent Frank Williams realizes there is only one man made for the job of traveling to the other side of the world to neutralize this threat his disgraced former partner agent Jim Duffy Williams travels to Duffy s quiet Maine hideaway and presents the facts of the case The world s largest heroin dealers have carved a path straight to America s doorsteps and may possess six of the deadliest weapons known to man Duffy doesn t want to yield to the Agency that rudely cast him aside But a sense of duty and a love of country will not let him stand by idle Not since *The Manchurian Candidate* has the thriller so closely walked the line between fact and fiction as readers try to ascertain if this is really happening Are we on the brink of our planet s final conflict
