Roads Driving Americas Great Highways Thorndike Large Print Americana Series:

Roads Larry McMurtry, 2000 From earliest boyhood the American road has been part of my life central to it I would even say The ranch house in which I spent my first seven years sits only a mile from highway 281 We were thoroughly landlocked I had no river to float on to wonder about Highway 281 was my river its hidden reaches a mystery and an enticement I began my life beside it and I want to drift down the entire length of it before I end this book So begins Pulitzer Prize winner Larry McMurtry as he takes to the American roads of his past rereading them as one might a favorite book and recording his observations along the way American Book Publishing Record ,2001 **Forthcoming Books** Rose Arny, 2001 **New York Review of the Telegraph and Telephone and Electrical Journal** ,1914 **Industrial Engineering** George Worthington, 1914 **Electrical Review and Western Electrician with which is Consolidated Electrocraft** ,1914 The Wheel and Cycling Trade Review ,1891 **The National Union Catalog** Library of Congress, 1953 Constitutes the quinquennial cumulation of the National union catalog Motion pictures and filmstrips *Backpacker* ,2007-09 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured **LIFE** ,1961-10-13 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Historic Highways of America** Archer Butler Hulbert, 1902 **The Roads that Built America** Dan McNichol, 2003 Describes in text and illustrations the construction and function of the United States Interstate System Yesterday's Highways Stephen H. Provost, 2020-02-16 Relive the history of the American highway from its origins in the era of the covered wagon through the age of the interstate Illustrated with more than 400 images from roads across the country Yesterday s Highways takes you back to the old auto trails that paved the way for the first federal highway system You ll visit the diners motels filling stations and quirky roadside haunts of yesteryear From White Castle to Howard Johnson s learn about how the American road served up burgers and coffee and blue plate specials to weary truckers and vacationing families Journey back to the age of auto camps and revisit the time when mom and pop motel courts ruled the side of the road Before the advent of off ramps and car pool lanes highways zigzagged through downtowns across the heartland turning at stop signs and following rail lines Cars chugged along at 15 mph over gravel roads and narrow concrete ribbons with dozens of hairpin turns Drivers were treated to barn ads and billboards and Burma Shave signs The Lincoln Highway Route 66 Highway 99 El Camino Real The Great Valley Road Travel back in time and experience what made these

roads and so many others the lifeblood of the American experience **The American Highway** William Kaszynski, 2012-02-02 When the automobile first made long distance travel practical a dramatic change began in the country's physical and cultural landscape Road design and construction were challenged to keep pace with the rapidly advancing capabilities and numbers of cars As real mobility sank into the popular consciousness the American way of life changed forever This spectacularly illustrated history traces the transformation of America's roads from rutted wagon trails into safe highways The sweat and ingenuity of increasingly ambitious construction and the roadside culture that sprang up to greet a society on the move are both explored Places to eat sleep refuel and see sights became as much a part of the travel experience as the road itself and the histories of the most familiar roadside businesses are recounted here More than 300 historical photographs provide fascinating documentation
