Unforgivable Blackness Geoffrey C. Ward, 2010-08-04 In this vivid biography Geoffrey C Ward brings back to life the most celebrated and the most reviled African American of his age Jack Johnson battled his way out of obscurity and poverty in the Jim Crow South to win the title of heavyweight champion of the world At a time when whites ran everything in America he took orders from no one and resolved to live as if color did not exist While most blacks struggled simply to exist he reveled in his riches and his fame sleeping with whomever he pleased to the consternation and anger of much of white America Because he did so the federal government set out to destroy him and he was forced to endure prison and seven years of exile This definitive biography portrays Jack Johnson as he really was a battler against the bigotry of his era and the embodiment of American individualism

The Legality of Boxing Jack Anderson, 2007-04-26 The first book of its kind dedicated to an assessment of the legality of boxing The Legality of Boxing A Punch Drunk Love assesses the legal response to prize fighting and undertakes a current analysis of the status of boxing in both criminal legal theory and practice In this book Anderson exposes boxing s exemption from contemporary legal and social norms Reviewing all aspects of boxing historical legal moral ethical philosophical medical racial and regulatory he concludes that the supposition that boxing has a consensual immunity from the ordinary law of violence based primarily on its social utility as a recognised sport is not as robust as is usually assumed It suggests that the sport is extremely vulnerable to prosecution and might in fact already be illegal under English criminal law outlines the physical and financial exploitation suffered by individual boxers both inside and outside the ring suggesting that standard boxing contracts are coercive thus illegal and that boxers do not give adequate levels of informed consent to participate advocates a number of fundamental reforms including possibly that the sport will have to consider banning blows to the head proposes the creation of a national boxing commission in the US and a similar entity in the United Kingdom which together would attempt to restore the credibility of a sport long known as the red light district of sports administration An excellent book it is a must read for all those studying sports law popular culture and the law and jurisprudence

Gunfighter in Gotham Robert K. DeArment, 2013-02-14 The legend of Bat Masterson as the heroic sheriff of Dodge City Kansas began in 1881 when an acquaintance duped a New York Sun reporter into writing Masterson up as a man killing gunfighter That he later moved to New York City to write a widely followed sports column for eighteen years is one of history s great ironies as Robert K DeArment relates in this engaging new book William Barclay Bat Masterson spent the first half of his adult life in the West planting the seeds for his later legend as he moved from Texas to

Kansas and then Colorado In Denver his gambling habit and combative nature drew him to the still developing sport of prizefighting Masterson attended almost every important match in the United States from the 1880s to 1921 first as a professional gambler betting on the bouts and later as a promoter and referee Ultimately Bat stumbled into writing about the sport In Gunfighter in Gotham DeArment tells how Bat Masterson built a second career from a column in the New YorkMorning Telegraph Bat s articles not only covered sports but also reflected his outspoken opinions on war crime politics and a changing society As his renown as a boxing expert grew his opinions were picked up by other newspaper editors and reprinted throughout the country and abroad He counted President Theodore Roosevelt among his friends and readers This follow up to DeArment s definitive biography of the Old West legend narrates the final chapter of Masterson s storied life Far removed from the sweeping western plains and dusty cowtown streets of his younger days Bat Masterson in New York City became a ham reporter as he called himself a Broadway guy
