The seven essays included in this volume move beyond the famed Ashcan School to recover the lesser known work of Robert Henri's women students. The Allure of the Maine Coast Jessica F. Nicoll,1995-01-01 The Modern School Movement Paul Avrich,2014-07-14

In this comprehensive study of the Modern School movement, Paul Avrich narrates its history, analyzes its successes and failures, and assesses its place in American life. In doing so, he shows how the radical experimentation in art and communal living, as well as in education during this period, set the precedent for much of the artistic, social, and educational ferment of the 1960s and 1970s. Originally published in 1980, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
