Searching For An Impotent Man:

The Search for Being Bonnie Lee Calcagno, 2006-05-12 I graduated third in my college class I was named both a Ralph Scholar and an Aquinas Scholar But after graduation from college I was lost I would go to the library and wander the shelves looking for something I could not name When I hit the psychology section of the library and started reading widely everything fell into place I wrote the book *The Search for Being* as separate articles over this period in my life Each chapter represents the ideas of authors I consider to be my spiritual mentors who helped me to understand life myself what being is

The Search for the Biblical Jesus Jon F. Dewey, 2012-01-10 What if everything you heard was wrong There are countless theories and discussions about Jesus of Nazareth Critics of Christianity usually discount the Gospel records and discount the claims of Jesus being the unique Son of God They insist that Jesus was a failed revolutionary a misguided carpenter or a myth created by his followers What if it was true The Gospel record tells a radically different story In it Jesus boldly proclaims himself to be deity the Son of God and announces that his life was not just for inspiration but for a distinct purpose Is it true Find out for yourself in Dr Jon Dewey s new book *The Search for the Biblical Jesus* You never need doubt again

Searching For Jesus Rev. Abraham Howard Jr., Abraham Howard, 2011-02 SEARCHING FOR JESUS IS EVERYTHING YOU THOUGHT YOU KNEW ABOUT HIM IS EVERYTHING THAT YOU DON T KNOW ABOUT HIM AND IS EVERYTHING YOU WILL LEARN ABOUT HIM This book is not about how Jesus Christ fulfilled scripture prophesies or how many miracles he performed or an explanation of his parables But rather it is about his physical presence throughout the Holy Bible from Genesis to Revelation and how he interacted with the people and their life stories It is designed with intertwining scriptures and commentary to highlight his presence The proof of this study will be your conclusion of the whole matter My prayers are with you as you launch out into the deep Rev ABRAHAM HOWARD JR P S THIS BOOK WILL TAKE YOU WHERE ONLY A FEW HAVE VENTURED TO GO

[In Search of the Kingdom](#) Obeya Michael Obeya, 2020-09-04 Do you find yourself in conflict between reason and faith The author published this book in 2020 to help answer deeper questions about Faith Religion and Society Anyone can read this book regardless of your religion and learn something new about the Christian Faith The preface has a brief synopsis of the author s own physical and spiritual development and goes on to describe the history of religion pointing out a uniformity in the origin of all religions You will discover that the origin of the Nile River in central Africa is the beginning of the history of organized religion Even the so called origin of civilization Egypt looked continuously toward the south to the Twa for the performance of certain rituals that only the Twa could perform The author shows that all religions and their ceremonies were foreshadowing the coming of a Messiah This Messiah is Jesus Christ Using evidence from science and social sciences the author quotes extensively from scripture to show that Jesus is the Christ as expected in all religions and among all peoples This book provides you with a starting point for diving deeper into an intimate relationship with God This book is perfect for skeptics critics of the Christian Faith and faithful believers in Jesus

Christ Regardless of your perspective on Religion you will learn something that will inspire you You will want to keep this as a reference book for your future Bible studies

The Search for Enlightenment John Leigh, 1999 In this fresh exploration of eighteenth century French writing John Leigh celebrates the ideas and hopes that animated its central figures and examines the extent to which authors and their readers shouldered heretofore unknown responsibilities and confronted new doubts The book identifies the key works of political protest philosophical exploration and religious enquiry and at the same time encompasses such diverse forms as the novel short story poetry and drama Conveying a vivid sense of the energy and genius of the Enlightenment as embodied in its famous and controversial writers Voltaire Montesquieu Diderot and Rousseau the author also considers the achievements of influential but unsung authors such as Mabillon Olympe de Gouges Chénier and de Sade

Search for Gods V. Vycinas,2012-12-06 In the unequaled and majestic contemporary technological phase of our cultural development where democratic liberties and the means of well being are accessible to everyone man is unsatisfied insecure rebellious confused and lost More than ever before he seems to lack the sureness of his way in life The abundance of theories doctrines and various philosophical social or religious systems and moral teachings fails to provide the individual today with any clarity whatsoever Lacking this he turns to peripheral events to sensational occurrences he turns his attention to more and to glaring new models of technological products more new things mostly Acquiring a great multitude of these and

various other things he seems to stress his own importance thus making an inquiry in its fundamental validity superfluous In this way he escapes the search of his very own mission he betrays the superior powers which demand from him his existential contribution in finding his ideals and outlining the way of his life
