Shabazz, 2016-04-21 The purpose of this book is for each of us to experience Gods love and Gods unfiltered passion for us and that we learn God on a personal and intimate level That we become proactive in seeking God and as a friend once said Pursue the God that pursued you My prayer is that as you read this book the words will spark a deep desire within your heart mind and soul to learn the truth about God A desire to learn the truth about God His love for you His will His purpose for your life and so much more I heard a minister say Each generation has to find their own truth about God Therefore it is my continuous desire that we find our own personal truth in God and allow that truth to be our compass This book is a tool for you to use daily Read it meditate on the word write down your revelations because the real awakening is revealed once you go beyond the words on the following pages dig deeper into the word of God and spend time in prayer As you dig I promise that you will see truths never seen before and you will experience a revelatory flow from heaven that is just for you Seek God Pursue God Experience God as you actively learn about His goodness mercy and love **Seeking God's Face** Notto R. Thelle, 2008 Is it possible to find God beyond the distorted images and empty words Can we even speak about God at all The author claims that it is more important than ever to look for a truer image of God A person who seeks God s face will be compelled at the same time to seek his or her own face Conversely those seeking to find themselves are often compelled to search for God The book describes faith as a spacious landscape in which one can breathe freely and engages the rich imagery of the Bible to help the individual breathe freely and find orientation without feeling imprisoned This openness and freedom are to be found in the Gospel itself says the author They were lived by the Master himself who portrayed the face of God by meeting human beings where they actually were not where they ought to have been **Seeking God** Otto Schultinge, 2012-06-01 *Seeking God* is a 40 day journey Easy to read thought provoking and life changing It was written to share an uncommon love with a terminally ill brother *Seeking God* starts at the beginning the creation of the universe and concludes with God s invitation to enjoy His unconditional love We ll explore 40 topics outlining basic truth about creation

and existence asking fundamental questions about life and God Its logic is easy to follow but dramatic in its application This book is a wonderful gift for anybody seeking everlasting love Seeking God assists the inquiring person on a personal journey towards God My brother had it all a life full of adventure friends family money There was just one thing lacking an unconditional love giving him deep joy lasting peace and solid hope This is the kind of love that only comes from God
