Seasonal Illustrations for Preaching and Teaching Donald L. Deffner, 1992 Comfortable Christianity Randall Donahue, 2005 Our churches are to reach out in love to all people with the life saving Gospel of Jesus Christ But we have a competitor to our mission it is the American Dream The American Dream is to attain more and more comfort as we go through life finally attaining the most sought after prize retirement We have fast food restaurants drive through car washes computers and other technological advancements that help us achieve this comfort You will be surprised at how the every day comforts that we take for granted have sprouted and perpetuated this attitude on our churches This pursuit of comfort is driving our churches to make decisions based on attaining their own personal comfort rather than sacrificing that comfort for the sake of the Great Commission Comfortable Christianity exposes this attitude and the different ways that it shows itself in our churches Comfortable Christianity gives careful attention to what needs to be done in order to overcome this attitude and turn our churches into Great Commission centers of the Gospel The River of God Dutch Sheets, 1998-07-13 Let the River Flow The river is being released and will in its fullness result in the greatest harvest the earth has ever known It will be glorious What started as a trickle God is turning into a mighty flood bringing refreshment and vitality to all who immerse themselves in His glorious love If you have yet to experience this unprecedented outpouring of the Holy Spirit or don't know how to jump into the water this book will touch your heart and point you in the right direction With powerful insight into the theme of water that runs through the Bible pastor Dutch Sheets shows what a person and a church can do to experience the rising current of renewal and revival *1001 Illustrations That Connect* Craig Brian Larson, Phyllis Ten Elshof, 2009-01-06 Every preacher teacher or writer knows the value of a good illustration in helping connect the truth of the passage with the congregation or class and how hard it is to come up with good illustrations week after week This book contains the cream of the crop 1001 illustrations carefully selected from among thousands on Christianity Today International's popular website PreachingToday.com These illustrations are proven memorable and illuminating As the saying goes they will preach And they're fresh all written within the past seven years Of course the best illustrations are no good if you can't find the right one These illustrations have been arranged according to twelve master topics each divided into several subtopics Further they've been indexed according both to Bible references and to 500 keywords A searchable CD ROM is included allowing you to get the illustration into your lesson or sermon with ease God's Timing for Your Life Dutch Sheets, 2001-04-05 Best selling author Dutch Sheets will inspire and encourage readers with this clear revelatory study of God's appointed times and seasons Going beyond the basic definitions of kairos and chronos Dutch brings fresh insight to the subject examining Scripture to show how kairos strategic times and chronos general times are not two separate and unrelated seasons in our lives but rather are often simply different phases of the same process Dutch looks at how God brought about His divine shift in the lives of men and women throughout the Bible and the many ways in which God used these seasons of change to deepen His

people's understanding of Him An Introduction to Ministry Ian S. Markham, Oran E. Warder, 2016-01-19 An Introduction to Ministry is a comprehensive and ecumenical introduction to the craft of ministry for ministers, pastors and priests that make up the mainline denominations in the United States. Ecumenically focused. It offers a grounded account of ministry covering areas such as vocation, congregational leadership and cultivation of skills for an effective ministry. Covers the key components of the M Div curriculum offering a map and guide to the central skills and issues in training. Explores the areas of vocation, skills for ministry and issues around congregational leadership. Each topic ends with an annotated bibliography providing an indispensable gateway to further study. Helps students understand both the distinctive approach of their denomination and the relationship of that approach to other mainline denominations. Advocates and defends a generous understanding of the Christian tradition in its openness and commitment to broad conversation *Preaching and Teaching from the Old Testament* Walter C. Kaiser, Jr., 2003-03-01 Viewed as antiquated and remote, the Old Testament is frequently neglected in the preaching and teaching ministry of the church. But contrary to the prevailing attitude, might the Old Testament contain relevant and meaningful application for today? Renowned author and scholar Walter Kaiser shows why the Old Testament deserves equal attention with the New Testament and offers a helpful guide on how preachers and teachers can give it the full attention it deserves. Growing out of his teaching material from the last decade, *Preaching and Teaching from the Old Testament* demonstrates Kaiser's celebrated straightforward exposition. Offering an apologetic for the Christian use of the Old Testament, the opening chapters deal with the value problem and task of preaching from it. Following a discussion of the role of expository preaching, Kaiser provides a practical focus by examining preaching and teaching from the texts of various genres. A final chapter explores the relevance of the Old Testament in speaking to a contemporary audience. Bible teachers, pastors, seminary students and professors will appreciate Kaiser's practical focus and relevant applications. Additional helps include a glossary and suggested outlines and worksheets for expository preaching.
