Seasons Of Refreshing Evangelism And Revivals In America:

Seasons of Refreshing Keith J. Hardman, 2006-03-01 Now at last a full length treatment of revivals in America from the earliest settlement to the present Instead of focusing narrowly on an isolated period or specific evangelist Seasons of Refreshing traces the entire development of modern mass evangelism and the spiritual awakenings associated with it After a brief review of the church s growth from Pentecost to the Puritans the author leads us on an errand in the wilderness and examines the early harvests under Stoddard Frelinghuysen Edwards Whitefield and the Wesleys Finney Moody Sunday all forming an unbroken chain leading up to the present activities of Billy Graham and Luis Palau *Models of Evangelism* Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model Christianity Through the Centuries Earle Edwin Cairns, 1996 This text was written from a conservative nondenominational perspective A Christian philosophy of history underlies the presentation **Bard of the Bethel** Wendy Knickerbocker, 2014-06-26 The Rev Edward T Taylor 1793 1871 better known as Father Taylor was a former sailor who became a Methodist itinerant preacher in southeastern New England and then the acclaimed pastor of Boston s Seamen s Bethel Known for his colorful sermons and temperance speeches Father Taylor was one of the best known and most popular preachers in Boston during the 1830s 1850s A proud Methodist Father Taylor was active within the New England Annual Conference for over fifty years and there was no corner of New England where he was unknown His career mirrored the growth of Methodism and the involvement of New England Methodists in the social issues of the time In Boston the Seamen s Bethel was nondenominational and Unitarians were its primary supporters Father Taylor was loyal to his benefactors at a time when Unitarianism was controversial In turn he was respected and admired by many Unitarians including Ralph Waldo Emerson Father Taylor was a sailors missionary and reformer a lively and eloquent preacher a temperance advocate an urban minister at large and a champion of religious tolerance His story is the portrayal of a unique and forceful American character set against the backdrop of Boston in the age of revival and reform **Andrew Fuller's Theology of Revival** Ryan Rindels, 2021-01-21 Revival is the arguable heartbeat of evangelical Christianity Though a theologically diverse and globally diffused phenomenon evangelicalism originated in a distinctly

Calvinistic milieu Many Puritans in the seventeenth century evangelicals before the revivals emphasized the work of the Holy Spirit including the importance of personal conversion Unlike theologically Arminian proponents of revival such as Charles G Finney many Puritans and early evangelicals believed and taught that the absolute sovereignty of God was compatible with human responsibility Calvinistic Baptists in the early eighteenth century who rejected this tension declined numerically yet a new generation of pastors led their denomination through this impasse Andrew Fuller 1754 1815 defended Reformed doctrine in the Particular Baptist tradition while emphasizing the importance of human response in his preaching writing and fundraising for the Baptist Missionary Society The fruit of Fuller s ministry included growth of churches in England conversions among people groups in the Global South and the preservation of Reformed theology in a challenging Enlightenment context

Sensory Worlds in Early America Peter Charles Hoffer, 2005-12-12 Over the past half century historians have greatly enriched our understanding of America s past broadening their fields of inquiry from such traditional topics as politics and war to include the agency of class race ethnicity and gender and to focus on the lives of ordinary men and women We now know that homes and workplaces form a part of our history as important as battlefields and the corridors of power Only recently however have historians begun to examine the fundamentals of lived experience and how people perceive the world through the five senses In this ambitious work Peter Charles Hoffer presents a sensory history of early North America offering a bold new understanding of the role that sight sound smell taste and touch played in shaping the lives of Europeans Indians and Africans in the New World Reconstructing the most ephemeral aspects of America s colonial past the choking stench of black powder the cacophony of unfamiliar languages the taste of fresh water and new foods the first sight of strange peoples and foreign landscapes the rough texture of homespun the clumsy weight of a hoe Hoffer explores the impact of sensuous experiences on human thought and action He traces the effect sensation and perception had on the cause and course of events conventionally attributed to deeper cultural and material circumstances Hoffer revisits select key events encounters and writings from America s colonial past to uncover the sensory elements in each and decipher the ways in which sensual data were mediated by prevailing and often conflicting cultural norms Among the episodes he reexamines are the first meetings of Europeans and Native Americans belief in and encounters with the supernatural the experience of slavery and slave revolts the physical and emotional fervor of the Great Awakening and the feelings that prompted the Revolution Imaginatively conceived deeply informed and elegantly written *Sensory Worlds of Early America* convincingly establishes sensory experience as a legitimate object of historical inquiry and vividly brings America s colonial era to life Richard Godbeer author of *Sexual Revolution in Early America* What Has Wittenberg to Do with Azusa? Courey,2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther s Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism

The Making of the 1963 Baptist Faith and Message A. J. Smith, 2008-08-05 Questions regarding the orthodoxy of Dale Moody and Ralph Elliott propelled the Southern Baptist Convention SBC toward a re evaluation of its doctrinal statement the Baptist Faith and Message BFM The SBC adopted this document in 1925 under the leadership of E Y Mullins when faced by the challenge of modernism This dissertation argues that the 1962 Committee on Baptist Faith and Message produced a document that expressed subtle shifts in Baptist theology This shift had the effect of assuring the conservative base while allowing enough latitude in interpretation for those serving in the academy to teach more progressive views After a first introductory chapter chapters 2 and 3 trace the historical developments leading to the formation of the Committee Biblical inspiration and interpretation were key concerns but as chapter 3 demonstrates other concerns drew the attention of the Committee Chapters 4 and 5 deal with the ever sensitive issue of the relationship between Baptist confessionalism soul liberty and soul competency Each chapter examines how Baptist confessionalism functioned in relation to these concepts Chapter 6 examines in detail the work of the Committee itself and looks at those persons or groups who influenced the outcome of the Committee s work Of special note are the contributions made by Wayne Ward Leo Garrett the religion faculty of Mercer University and the theology faculty of Southern Seminary Chapter 7 examines four areas where the 1963 BFM altered the confessional expression of Baptist doctrines 1 Scripture 2 Man 3 Salvation 4 The Church Chapter 8 is the conclusion Four appendices contain early drafts of the Committee s work

Garretson, 2014-03-03 Samuel Miller 1769 1850 played an integral part in founding Princeton Theological Seminary which became one of the most influential training grounds for Presbyterian ministers in the nineteenth century While Miller is most commonly remembered for his writings on church office he also played a significant role instructing students and shaping their theology of preaching and pastoral ministry In the present volume Jim Garretson highlights the narrative of Miller s life and the major ministerial emphases found in his published writings sermons and unpublished lecture notes As a result readers will come to know the spiritual convictions of Miller s heart and understand the theology of ministry he imparted over the course of his lifetime **Firestorms of Revival** Bob Griffin, 2006-10 Learn the ten characteristics of revival and see the move of God change not only your ministry but your community *Stonewall Jackson, Beresford Hope, and the Meaning of the American Civil War in Britain* Michael Turner, 2020-10-21 In this comprehensive examination of British sympathy for the South during and after the American Civil War Michael J Turner explores the ideas and activities of A J Beresford Hope one of the leaders of the pro Confederate lobby in Britain to provide fresh insight into that seemingly curious allegiance Hope and his associates cast famed Confederate general Thomas J Stonewall Jackson as the embodiment of southern independence courage and honor elevating him to the status of a hero in Britain Historians have often noted that economic interest political attitudes and concern about Britain s global reach and geostrategic position led many in the country to embrace the Confederate cause but they have focused less on the social cultural and religious reasons enunciated by Hope and ostensibly represented by Jackson factors Turner suggests also heightened British affinity for the South During the war Hope noticed a tendency among British people to view southerners as heroic warriors in their struggle against the North He and his pro southern followers shared and promoted this vision framing Jackson as the personification of that noble mission and raising the general s profile in Britain so high that they collected enough funds to construct a memorial to him after his death in 1863 Unveiled twelve years later in Richmond Virginia the statue stands today as a remarkable artifact of one of the lesser known strands of British pro Confederate ideology *Stonewall Jackson Beresford Hope and the Meaning of the American Civil War in Britain* serves as the first in depth analysis of Hope as a leading pro southern activist and of

Jackson's reputation in Britain during and after the Civil War. It places the conflict in a transnational context that reveals the reasons British citizens formed bonds of solidarity with the southerners whom they perceived shared their social and cultural values. *The Brave New World* Peter Charles Hoffer, 2023-01-31. A history of early America that is continental in scope, inclusive in content and intriguing in thematic argument, this course book describes the building of the nation and the daily lives of its people up to 1776. The author's main effort in revising the book for its third edition was to expand the geographical scope of the book. Cooperating with the Holy Spirit Rev. Dr. Suzanne Nicholson, 2025-02-11. God has a habit of showing up in unexpected places. On February 8, 2023, the Holy Spirit suddenly and powerfully poured forth on students lingering after chapel at Asbury University, located in the small town of Wilmore, Kentucky, population 6,000. For the next sixteen days, more than 50,000 pilgrims from around the world flocked to experience God's sweet, gentle presence in Hughes Auditorium. Many sought counsel, confessed patterns of addiction and sin, and sought to reorient their lives toward God in the context of vibrant 24-hour worship. As the Outpouring overflowed to other venues, the Asbury community—its faculty, staff, administrators, students, and community members—worked together to steward this amazing movement of God. While other sustained revivals have happened throughout human history, despite its humble beginnings, this event grew exponentially because of social media and national and international news coverage. Cooperating with the Holy Spirit recounts the events of the Outpouring: section 1 offers biblical, historical, and theological reflections on revivals; section 2 provides practical insights for addressing the challenges that arise when God moves in powerful ways among his people; section 3
