offers the most extensive resource for preaching on the market today. When complete, the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day, Epiphany, Holy Week, and All Saints Day. The editors and contributors to this series are world class scholars, pastors, and writers representing a variety of denominations and traditions. And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary, each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its content. *The Transforming Word Series, Volume 2* Mark

Hamilton, 2022-10-18 The nation of Israel tells its story of the rise of kings not once but twice: Joshua 2, Kings 1-2, Chronicles, and during this period they wrote Psalms and gathered together their wise sayings. Then plunged into the darkness of exile, they had to discover again who God was and what kind of life he called them to live. In the same way, Christians read these texts today for what they share about a promised Messiah and how they explain what life with God looks like in all its complexity.
