Shakespeares Reading

John Erskine Hankins

Shakespeare's Reading:

Shakespeare's Reading Robert S. Miola, 2000 Oxford Shakespeare Topics General Editors Peter Holland and Stanley Wells provide students teachers and interested readers with short books on important aspects of Shakespeare criticism and scholarship including some general anthologies relating to Shakespeare Shakespeare's Reading explores Shakespeare's marvellous reshaping of sources into new creations Beginning with a discussion of how and what Elizabethans read manuscripts popular pamphlets and books Robert S Miola goes on to examine Shakespeare's use of specific texts such as Holinshed's Chronicles Plutarch's Lives and Chaucer's The Canterbury Tales As well as reshaping other writers work Shakespeare transformed traditions the inherited expectations tropes and strategies about character action and genre For example the tradition of Italian love poetry especially Petrarch shapes Romeo and Juliet as well as the sonnets the Vice figure finds new life in Richard III and Falstaff Employing a traditional understanding of sources as well as more recent developments in intertextuality this book traces Shakespeare's reading as well as inspiring the sonnets the Vice figure is translated into Richard III and Falstaff Employing a traditional understanding of sources as well as more recent developments in intertextuality this book tracks Shakespeare's reading throughout his career as it inspires his poetry histories comedies tragedies and romances Repeated references to the plays in performance enliven and enrich the account

Shakespeare's Reading Audiences Cyndia Susan Clegg, 2017-06-26 This study grows out of the intersection of two realms of scholarly investigation the emerging public sphere in early modern England and the history of the book Shakespeare's Reading Audiences examines the ways in which different communities humanist legal religious and political would have interpreted Shakespeare's plays and poems whether printed or performed Cyndia Susan Clegg begins by analysing elite reading clusters associated with the Court the universities and the Inns of Court and how their interpretation of Shakespeare's Sonnets and Henry V arose from their reading of Italian humanists She concludes by examining how widely held public knowledge about English history both affected Richard II's reception and how such knowledge was appropriated by the State She also considers The Merry Wives of Windsor Henry V and Othello from the point of view of audience members conversant in popular English legal writing and Macbeth from the perspective of popular English Calvinism

Shakespeare Closely Read Frank Occhiogrosso, 2011-04-01 Shakespeare Closely Read is a collection of essays by Shakespearean scholars all of which were originally papers presented at the 2008 International Shakespeare Conference at Stratford upon Avon Each contains a close reading of Shakespearean or other Elizabethan dramatic texts in an effort to open up new meanings and interpretations The volume contains an introduction by the editor on the history of close reading and its place in contemporary critical theory and practice

Shakespeare's Reading Robert S. Miola, 2000 This text explores Shakespeare's reshaping of sources into new creations Beginning with a discussion of how and what Elizabethans read the work goes on to examine Shakespeare's use of specific texts

The Bedford Companion to Shakespeare Russ McDonald, 2001-02-20

Providing a unique combination of well written up to date background information and intriguing selections from primary documents The Bedford Companion to Shakespeare introduces students to the topics most important to the study of Shakespeare in their full historical and cultural context This new edition contains many new documents particularly by women and other marginalized voices from the early modern period There is also a new chapter on Shakespeare in performance which introduces students to the great variety of productions of Shakespeare s works over the centuries

Shakespeare's books Henry R. D. Anders,2017-03-20 No detailed description available for Shakespeare s books

Shakespeare's resources John Drakakis,2021-11-30 Geoffrey Bullough s The Narrative and Dramatic Sources of Shakespeare 1957 75 established a vocabulary and a method for linking Shakespeare s plays with a series of texts on which they were thought to be based Shakespeare s Resources revisits and interrogates the methodology that has prevailed since then and proposes a number of radical departures from Bullough s model The tacitly accepted linear model of source and influence that critics and scholars have wrestled with is here reconceptualised as a dynamic process in which texts interact and generate meanings that domesticated versions of intertextuality do not adequately account for The investigation uncovers questions of exactly how Shakespeare read what he read the practical conditions in which narratives were encountered and how he re deployed earlier versions that he had used in his later work Shakespeare, the Bible, and the Form of the Book Travis DeCook,Alan Galey,2011-07-22 Why do Shakespeare and the English Bible seem to have an inherent relationship with each other How have these two monumental traditions in the history of the book functioned as mutually reinforcing sources of cultural authority How do material books and related reading practices serve as specific sites of intersection between these two textual traditions This collection makes a significant intervention in our understanding of Shakespeare the Bible and the role of textual materiality in the construction of cultural authority Departing from conventional source study it questions the often naturalized links between the Shakespearean and biblical corpora examining instead the historically contingent ways these links have been forged The volume brings together leading scholars in Shakespeare book history and the Bible as literature whose essays converge on the question of Scripture as source versus Scripture as process whether that scripture is biblical or Shakespearean and in turn explore themes such as cultural authority pedagogy secularism textual scholarship and the materiality of texts Covering an historical span from Shakespeare s post Reformation era to present day Northern Ireland the volume uncovers how Shakespeare and the Bible s intertwined histories illuminate the enduring tensions between materiality and transcendence in the history of the book **Reading Readings** Joanna Gondris,1998 Reading Readings brings together essays by eighteen critics and textual scholars on texts that play a crucially informative role in the history of Shakespeare reception the eighteenth century editions These texts tell in extraordinary detail the response of the age that granted Shakespeare his canonical status They show too the development of a new range of critical and bibliographical practices and display the workings of influential eighteenth century cultural and

market forces **Shakespeare beyond Doubt** Paul Edmondson, Stanley Wells, 2013-04-18 Did Shakespeare write Shakespeare The authorship question has been much treated in works of fiction film and television provoking interest all over the world Sceptics have proposed many candidates as the author of Shakespeare s works including Francis Bacon Christopher Marlowe and Edward De Vere the seventeenth Earl of Oxford But why and how did the authorship question arise and what does surviving evidence offer in answer to it This authoritative accessible and frequently entertaining book sets the debate in its historical context and provides an account of its main protagonists and their theories Presenting the authorship of Shakespeare s works in relation to historiography psychology and literary theory twenty three distinguished scholars reposition and develop the discussion The book explores the issues in the light of biographical textual and bibliographical evidence to bring fresh perspectives to an intriguing cultural phenomenon **Shakespeare's 'Measure for Measure'** Mary Lascelles, 2014-01-13 In devoting a whole book to Measure for Measure Miss Lascelles has expressed her conviction that in no other way can the sharp divisions of opinion which characterise recent criticism of the play be resolved She considers that to continue discussing the large issues involved in the limited space of a single article or chapter is to continue to fail to take full account of the difficulties the reader or playgoer finds perplexing Her study falls into three main sections She begins by discussing other versions of the story in European literature that may have been known to Shakespeare and the way in which they may be used to throw light on his intentions Next she undertakes a long and reflective analysis of the play s successive phases Finally at the conclusion of this essential investigation of the evidence she shows how it supports the view that the complexity of Measure for Measure is the necessary condition of its greatness **New Readings & New Renderings of Shakespeare's Tragedies** Henry Halford Vaughan, 1878 **Shakespeare's Originality** John Kerrigan, 2018 This compact engaging book puts Shakespeare s originality in historical context and looks at how he worked with his sources the plays poems chronicles and romances on which his own plays are based Philosophical Readings of Shakespeare Margherita Pascucci, 2015-12-24 This book offers a close philosophical reading of King Lear and Timon of Athens which provides insights into the groundbreaking ontological discourse on poverty and money Analysis of the discourse of poverty and the critique of money helps to read Shakespeare philosophically and opens new reflections on central questions of our own time *Shakespeare's Derived Imagery* John Erskine Hankins, 2016-12-20 The Bible in Shakespeare Hannibal Hamlin, 2013-08-29 Despite the widespread popular sense that the Bible and the works of Shakespeare are the two great pillars of English culture and despite the long standing critical recognition that the Bible was a major source of Shakespeare s allusions and references there has never been a full length critical study of the Bible in Shakespeare s plays The Bible in Shakespeare addresses this serious deficiency Early chapters describe the post Reformation explosion of Bible translation and the development of English biblical culture compare the Church and the theater as cultural institutions particularly in terms of the audience s auditory experience and describe in general terms Shakespeare s allusive

practice Later chapters are devoted to interpreting Shakespeare's use of biblical allusion in a wide variety of plays across the spectrum of genres King Lear and Job Macbeth and Revelation the Crucifixion in the Roman Histories Falstaff's anarchic biblical allusions and variations on Adam Eve and the Fall throughout Shakespeare's dramatic career from Romeo and Juliet to The Winter's Tale The Bible in Shakespeare offers a significant new perspective on Shakespeare's plays and reveals how the culture of early modern England was both dependent upon and fashioned out of a deep engagement with the interpreted Bible The book's wide ranging and interdisciplinary nature will interest scholars in a variety of fields Shakespeare and English literature allusion and intertextuality theater studies history religious culture and biblical interpretation With growing scholarly interest in the impact of religion on early modern culture the time is ripe for such a publication

The Oxford Handbook of Shakespeare Arthur F Kinney, 2011-12-22 Situated within the Oxford Handbooks to Literature series the group of Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespearean specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field An essential resource for the study of Shakespeare The Oxford Handbook to Shakespeare is edited by esteemed scholar Arthur Kinney and contains forty specially written essays It provides fresh and imaginative readings of his plays and poems reflects on the current state of Shakespeare Studies and suggests the likely future directions it will take The Handbook is divided into five sections Texts explores how Shakespeare wrote who he collaborated with the ways in which his works were transmitted and the reactions of his early readers Conditions examines the economic social artistic and linguistic forces at play on Shakespeare Works discusses the various stages of his career Performances is concerned with issues such as the reception of his plays the theatre business and film adaptations and Current Speculations includes essays on topics ranging from the role of philosophical thought and the influence of classical sources to the relevance of empire technology religion and law By covering the range of Shakespeare's work in his time and ours this myriad minded book deepens and enriches our understanding of the great poet and unparalleled playwright's accomplishments

Shakespeare's Beehive George Koppelman, Daniel Wechsler, 2015-10-01 A study of manuscript annotations in a curious copy of John Baret's ALVEARIE an Elizabethan dictionary published in 1580 This revised and expanded second edition presents new evidence and furthers the argument that the annotations were written by William Shakespeare This ebook contains text in color and images We recommend reading it on a device that displays both

Shakespeare, Spenser, Donne Frank Kermode, 2013-09-13 First published in 1971 This collection of essays discusses some of the central works and areas of literature in the Renaissance period of cultural history Contents include Spenser and the Allegorists The Faerie Queene I and V The Cave of Mammon The Banquet of Sense John Donne The Patience of Shakespeare Survival for the Classic Shakespeare's Learning The Mature Comedies The Final Plays

How to Read a Shakespeare Play David Bevington, 2006-06-16 This clear and succinct book

is designed for general readers who want to know how to go about reading Shakespeare's works for pleasure Encourages readers to approach Shakespeare's works aggressively interactively and questioningly Focuses on six popular Shakespeare plays A Midsummer Night's Dream Romeo and Juliet Henry IV Part I Hamlet King Lear and The Tempest Recommends the best editions recordings and DVDs videos of these plays Discusses the production of the plays on stage and screen Introduces readers to different genres in Shakespeare romantic comedy English history tragedy and romance Avoids jargon and abstract literary theory
