The Enterprise Donald L. Schilling, 2022-12-05 The Enterprise is a fictional City State formed by a few of the many members of the US Military Engineers and Scientists who participated in World War II WWII as well as the wars and Police Actions that followed At first the Enterprise was merely a privately held company that designed electronic equipment robot warriors and weapons which they sold to the US Armed Services In order to help pay the bills one of the Founders of the Company who was extremely well versed in buying and selling Securities used his talent for the Company s benefit After a short time the Enterprise bought an Island near the Bahama Islands in the Atlantic Ocean and declared itself a Country the Enterprise Isle The Island was protected from attack by the use of the weapons it had developed These weapons may well be the weapons used by the US its Allies and its Enemies by 2035 After repeated attacks these enemy countries having lost planes and ships as well as countless members of their armed forces decided not to annoy this new Country Thus the Enterprise grew in wealth and gained the respect of the Nations of the world During the intervening years it developed an Engineering and a Medical School that were the among the best in the world and employed equipment found nowhere else By 2020 the Enterprise was one of the 5 wealthiest countries in the world Its GDP was 10T in 2020 and its philosophy was to trade with any country that would trade fairly with them Any company or country that dealt unfairly suffered severe consequences Indeed it had already become known that the Enterprise had weapons that could destroy any country in the world with little damage to itself The Enterprise s primary objectives were to

provide for its 4 million Citizens and to try not to interfere in other countries business This second item was not always easy to accomplish After all we all have friends
