**Lou Reed** Anthony DeCurtis, 2017-10-10 The essential biography of one of music's most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed's life was a transformer's odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed's death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed's friends family and collaborators DeCurtis tracks Reed's five decade career through the accounts of those who knew him and through Reed's most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed's

relationships with such legendary figures as Andy Warhol David Bowie and Laurie Anderson Gritty intimate and unflinching Lou Reed is an illuminating tribute to one of the most incendiary artists of our time *The Life and Music of Lou Reed*

Jeremy Reed,2014-09-24 In *Waiting For The Man* Jeremy Reed focuses on Lou Reed as rock s principal literary avatar paying special attention to his controversial lyrics and prototypical garage sound Lou Reed influenced generations of copyists that took note of his outlaw status ambiguous sexual orientation characterised by his seventies relationship with the transvestite Rachel his implacable mystique cool and defiant attitude as the narrator of subcultures Finally the book examines the transcendent if reluctant calm that Reed arrived at in later life Taking in the sweep of Reed s career from Velvet

Underground to the variants of forty years of resistant solo pioneering *Waiting For The Man* accesses the man and his music with the extraordinary perception and attention to detail **Lou Reed: The Defining Years** Peter Dogget,2013-11-25 From

the start Lou Reed challenged the conventions of rock music In 1964 he co founded The Velvet Underground the subversive New York cult band Lou Reed the self styled poet and godfather to the punk generation spent over 40 years as a hypnotic performer unrepentant rebel and scourge of the media Lou Reed *The Defining Years* focuses on the defining period that was to shape the rock n roll animal who held out until the very end **Dirty Blvd.** Aidan Levy,2015-10-01 Lou Reed made it his

mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades *Dirty Blvd* the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed s did *Dirty Blvd* not only covers the highlights of Reed s career but also explores lesser known facets of his work such as his first recordings with doo wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote *Heroin Sweet Jane Walk on the Wild Side* and *Street Hassle* songs that transcended their genre and established Lou Reed as one of the most influential and enigmatic American artists of the past half century *The Life of Lou Reed* Howard Sounes,2019-09-10 An illuminating biography of Lou Reed featuring

interviews with over 140 people who knew him intimately plus previously unpublished photographs As band leader of the Velvet Underground and later a successful solo artist Reed was much more than what the general public came to know as the grumpy New Yorker in black who sang Walk on the Wild Side To his dedicated admirers he was one of the most innovative and intelligent songwriters of modern times a natural outsider who lived a tumultuous and tortured life In the course of his deep research into Reed s life from a humble upbringing on Long Island to death from liver disease in 2013 Howard Sounes interviewed more than 140 people who knew the artist intimately some of whom have not spoken publicly about him before With new revelations from former wives and lovers family members fellow band members and celebrities and music industry figures this book offers an updated unfettered look at Reed s creative process his mental health problems his bisexuality his three marriages and his addictions to drugs and alcohol Featuring previously unpublished photographs of some of Reed s most private moments this is the definitive account of one of rock n roll s most complicated and brilliant prophets Compelling Sounes takes pride in carefully debunking the myths that have crept in from Reed s own fictionalizations The Sunday Telegraph Controversial Sounes book pushes the standard Reed narrative New York Times A measured chronicle of the life and music of Lou Reed Sounes proves to be an amiable narrator who successfully reveals Reed as an innovative influential musician Publishers Weekly A walk on the dark side Independent A must read Sounes chronicles Reed s turbulent and often brutal relationships with men and women and the wayward talent that produced such classics as Walk On The Wild Side Daily Mail
