Chief Surfeited for the time of the luxury of the limitless plain Riel took rest and then a girl with the lustrous eyes of  
Normandy began to smile upon him and to besiege his heart with all her mysterious force of coquetry He was not proof and  
the hunter soon lay entangled in the meshes of the brown girl of the plains In the autumn of 1843 he married her Her name  
was Julie de Lagimodiere a daughter of lean Baptiste de Lagimodiere Louis pere was now engaged as a carder of wool and  
having much ability in contrivance he constructed a little model of a carding mill which with much enthusiasm he exhibited to  
some officers of the Hudson Bay Company But the Company though having a great body possessed no soul and the

disappointed inventor returned to his waiting wife with sorrow in his eyes He next betook himself to the cultivation of a farm upon the banks of the little Seine and his good patient wife when toe autumn came toiled with him all day with her sickle among the sheaves Tilling the soil proved too laborious and he determined to erect a grist mill but the stream that ran through the clayey channel of the Seine petite was too feeble to turn the ponderous wheels So he was obliged to move twelve miles to the east where flowed another small stream bearing the aesthetic name Grease River This was not large enough either for his purposes so with stupendous enterprise he cut a canal nine miles long and through it decoyed the waters of the little Seine into the arms of the Greasy paramour At this mill was ground the grain that grew for many a mile around and in a little while Louis Riel became known as the most enterprising and important settler in Red River But he was not through all his career a man of peace About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
