## **Love And Salt Water:**

Love and Salt Water Ethel Wilson,2013-09-03 Ellen Guppy is the reluctant heroine of Ethel Wilson s final novel Love and Salt Water Saddened by a painful childhood Ellen has adopted a skeptical independence and learned too well to hold her heart in reserve But as the novel unfolds Ellen undergoes something of a sea change learning to accept love along with the sorrow that is rarely far from love First published in 1956 Love and Salt Water is a mature and at times disturbing synthesis of Ethel Wilson s major themes the independence of human lives the strange alchemy of chance and the healing illumination of love

*Ethel Wilson* David Stouck,2003-01-01 Ethel Wilson is one of Canada s most important writers This biography draws on archival material and interviews to describe in detail her early life as an orphan in England and Vancouver and her long writer s apprenticeship spanning from the publication of some children s stories in 1919 to the appearance of Hetty Dorval in 1947 2003

Cross-Cultural Reckonings Blanche H. Gelfant,1995-01-27 Blanche H Gelfant s book Cross Cultural Reckonings both demonstrates and questions the applicability of postmodern cultural and literary theories to realistic texts to fiction and autobiographies valued for their truth Drawing together an unusual combination of Russian American and Canadian writers the various essays of this book provide new and original perspectives upon the puzzling issues of national identity of historical change and continuity of gender and the integrity of literary genres the boundaries between text and context and the underlying if overlooked conflicts between the postmodern critic s skepticism and a writer s belief in the transcendence of art and truth To avoid the contingencies inherent in binary comparisons the essays in this book seek a triadic form analogous to the triptych or polyptych of the visual arts Multi faceted non linear and open ended such a form might allow the academic essay to recover a waywardness that traces back to Montaigne cited in prefatory notes and to the etymological meaning of the essay as an exagium or weighing as an act of reckoning A study at once elegant erudite and personal Cross Cultural Reckonings reckons with writers of different backgrounds and reputation in whom Gelfant discovers surprising affinities among them the Russian writers Lydia Chukovskaya Natalya Baranskaya and Alexander Solzhenitsyn Ethel Wilson a highly reputed Canadian writer the famous cross cultural figure Emma Goldman and established as well as new or rediscovered American writers such as Willa Cather Saul Bellow Arlene Heyman and Meridel Le Sueur These writers are discussed singly and in comparative essays each of whichis discrete and self contained while all interconnect and reflect upon each other as exemplary demonstrations of cross cultural literary criticism and the deferred final judgment that results from a weighing and reweighing of books
