Beyond My Reach M. E. Sapphire, 2003 An endeavor of love is the only way to aptly depict the motivation and deep love flowing from her heart into this poetry compilation from the outside to the inside Beyond My Reach is unique in that it was written from the free world to an incarcerated lover With much love more than 200 poems were written to express the intense love thriving within this lonely sweetheart during the last four years the length of their heated romance from a distance Ms Sapphire's amorous declarations of devotion were the only inspiration needed to profess her passion and write the first poem I Close My Eyes She never imagined then the poetry would someday amass into a quantity great enough to fill a book Written solely to verbalize new emotions of love each poem in this book was inspired by one young man confined behind tall concrete walls and razor wire of the penal system BEYOND THE WALLS Each day you face a dismal existence Wondering what's beyond that prison wall So many youthful years you've wasted What made you err you barely recall Double locked doors quarantine your life In triple layered concrete cages Tall dual fences loops of razor wire Stand sentinel over inmates of all ages Incarceration has taken a deadly toll on you Never trusting dreading each new dawn Privacy embezzled by constant vigilance Leaves you silent fearful and withdrawn The world is soon forgotten behind the walls As you obey endless ever changing rules Constantly watching your back danger lurks Fearing brawls protecting your family jewels Being an inmate with untainted record Double locked doors will surely open for you Living on the outside can soon resume You've learned your lesson freedom is overdue Your true love awaits you beyond those walls When you're thrust from that dismal womb Born again to embark on a new journey You'll emerge from your dungeon of doom March 12 2001 For more information please go to the www.mesapphire.com

Sylvia Marri Stone, 2005-09-01 Offspring are greatly affected by broken marriages But sometimes offspring are the ones who help make things better Find out how Gianna Fagan made the impossible possible and how she made the past a past the present a challenging now and the future a bright tomorrow Read about how complicated adults can eventually compromise if they only set refusal aside and just believe Read about how things have to happen first before love is squeezed out of people making the world turn around Sylvia Marri Stone author of a fiction novel SELINA MAE STEELE now wrote her second book a short novel that aims to soften and open up difficult minds to realize that there is more than just do what is best to what lies there before them When Ms Stone was writing this book she herself felt that she should take a moment to reflect on things that her naked senses may not have sensed therefore bypassing very important elements of considerations that can make a great difference in whatever

she did was about to do could have been doing might be doing and will be doing Inspired by the simple the very young and the innocent and affected by sad unexpected and unavoidable circumstances that she had experienced herself Ms Stone's imagination created a fiction novel that hopes to turn brown to green gray to blue red to orange and white to yellow **Is happiness really beyond reach?!** Mohammad Amin Sheikho, A. One Is J.G. Hart, 2009-04-21 Both volumes of this work have as their central concern to sort out who one is from what one is In this Book 1 the focus is on transcendental phenomenological ontology When we refer to ourselves we refer both non ascriptively in regard to non propertied as well as ascriptively in regard to propertied aspects of ourselves The latter is the richness of our personal being the former is the essentially elusive central concern of this Book 1 I can be aware of myself and refer to myself without it being necessary to think of any third personal characteristic indeed one may be aware of oneself without having to be aware of anything except oneself This consideration opens the door to basic issues in phenomenological ontology such as identity individuation and substance In our knowledge and love of Others we find symmetry with the first person self knowledge both in its non ascriptive forms as well as in its property ascribing forms Love properly has for its referent the Other as present through but beyond her properties Transcendental phenomenological reflections move us to consider paradoxes of the transcendental person For example we contend with the unrepresentability in the transcendental first person of our beginning or ending and the undeniable evidence for the beginning and ending of persons in our third person experience The basic distinction between oneself as non sortal and as a person pervaded by properties serves as a hinge for reflecting on the afterlife This transcendental phenomenological ontology of necessity deals with some themes of the philosophy of religion **Love Beyond Limitless**
