Mark Mathabane, author of the bestseller *Kaffir Boy* in America, grew up fearing and hating whites in a South African ghetto. Gail spent the first ten years of her life in lily-white communities in Ohio, and feared the people her Texas girlfriends casually called "niggers."

The two never dreamed of marrying outside their races. As many Americans gave up on the racial ideal of an integrated society, and two segregated, opposed, and hostile camps emerged — one black, one white — Mark and Gail fell in love.

Love in Black and White is the dramatic, revealing, and riveting story of how they overcame their own prejudices, society's disapproval, family opposition, and personal self-doubts to be together. Woven into their intimate account of falling in love, getting married, and raising children in the fishbowl of an interracial relationship are the beautiful, complex, and heartrending stories of other interracial couples in America and South Africa.

"A personal and candid account of what it means to break an intemperate taboo — and a heartwarming affirmation of love and commitment." — *Kirkus Reviews*

"Intriguingly structured with alternate accounts by husband and wife, *Love in Black and White* is a hymn of praise to the power of love in the face of deeply felt societal prejudices.... Highly recommended." — *Library Journal*

"The Mathabanes write well of the sweet, nervous first days of their love, and they don't flinch from the bad stuff.... As [they] show, all it takes is love, and defending yourself at nearly every turn." — *front page, Washington Post Book World*

"The honesty that is deeply rooted in every paragraph makes this book a moving one." — *Newsweek*

MARK AND GAIL MATHABANE live in Kennerlyville, North Carolina, with their two children, Bianca and Nathan. Mark is a much-sought-after lecturer on race relations and South Africa, where his family remains.

Racism in Contemporary America is the largest and most up-to-date bibliography available on current research on the topic. It has been compiled by award-winning researcher Meyer Weinberg, who has spent many years writing and researching contemporary and historical aspects of racism. Almost 15,000 entries to books, articles, dissertations, and other materials are organized under 87 subject headings. In addition, there are author and ethnic racial indexes. Several aids help the researcher access the materials included. In addition to the subject organization of the bibliography, entries are annotated whenever the title is not self-explanatory. An author index is followed by an ethnic racial index, which makes it convenient to follow a single group through any or all the subject headings. This is a source book for the serious study of America's most enduring problem, as such it will be of value to students and researchers at all levels and in most disciplines.
