Love In The Age Of Confusion:

Love in the Age of the Internet Linda Cundy, 2018-05-16 This highly topical book explores the new technological environment we have created and our adaptation to it twenty five years after the death of John Bowlby In the space of just a couple of decades the world has changed radically and we are changing too personal computers and smartphones mediate our lives work play and love Relationships of all kinds are now conducted through mobile phones email Skype and social network sites Attachment theory is concerned with the impact of the external world on internal reality where twenty first century experiences encounter the powerful primitive and ancient instinct for attachment and survival This book is written by psychotherapists whose practice with individual adults and couples is informed by attachment theory It contains theoretical observational and clinical material and will be relevant to all psychotherapists psychoanalysts counsellors and psychologists interested in the profound impact of digital and communication technologies on human relationships Women of the Kakawin World Helen Creese, 2015-01-28 In this fascinating study the lives and mores of women in one of the least understood but most densely populated areas of the world are unveiled through the eyes of generations of court poets For more than a millennium the poets of the Indic courts of Java and Bali composed epic kakawin poems in which they recreated the court environment where they and their royal patrons lived Major themes in this poetry form include war love and marriage It is a rich source for the cultural and social history of Indonesia Still being produced in Bali today kakawin remain of interest and relevance to Balinese cultural and religious identities This book draws on the epic kakawin poetry tradition to examine the institutions of courtship and marriage in the Indic courts Its primary purpose is to explore the experiences of women belonging to the kakawin world although the texts by nature reveal more about the discourses concerning women sexuality and gender than of the historical experiences of individual women For over a thousand years these royal courts were major patrons of the arts The court sponsored epic works that have survived provide an ongoing literary testimony to the cultural and social concerns of court society from its earliest recorded history until its demise at the end of the nineteenth century This study examines the idealized images of women and sexuality that have pervaded Javanese and Balinese culture and provides insights into a number of cultural practices such as sati or bela self immolation of widows **Love in the Age of Dragons** Fatima R. Henson, 2025-07-30 Two years ago a wormhole opened and ushered vicious dragons into the world The dragons burned Earth's cities to the ground and sent its inhabitants scattering for cover and since then Ayanna Grace a seventeen year old Black girl has been scratching out a life in an abandoned subway system part of an extensive underground community Underground medicine runs short and outbreaks of disease spread uncontrollably The water supply is low uprisings occur frequently and dragon attacks are imminent But those aren't the only challenges Ayanna is facing she's also busy wrestling with her feelings torn between Richard who she's known all her life and Jackson a mysterious newcomer Worse her mentor the community's only doctor is dying from a failing heart With no hope of rescue from aboveground will

Ayanna be able to save him before it s too late **Love in the Age of Reptiles** Wayne Kyle Spitzer,2021-03-26 First came the time storm which erased half the population Then came the Dinosaur Apocalypse How did it all begin Well that depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of the population had vanished Either way there is one thing on which everyone agrees it didn t take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn t take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Collected herein are the stories in which Love mattered From Love in the Age of Reptiles There were six of them as I said all of whom rushed us the instant our feet touched the ground All of whom snarled and charged us like wolverines as we raised our weapons and fired the flare gun cracking and hissing blanching the scarlet haze for the sun had painted everything red and gold its projectile punching through one of the raptors chests and lighting it up so that its ribs were backlit briefly and I could see if only for an instant its burning beating heart Yet still they came another one leaping at me even as I dropped the gun which clattered against the planks as I dropped it and grabbed the thing by its neck then brought the knife down with my other hand and stabbed it between the eyes Run I shouted even as Amanda shot another her second and then bolted toward the shore drawing the others so that I was able to snatch up the flare gun and quickly reload it so that I was able to pursue them and to shoot one in the back while Amanda turned and took out the last of them shooting it in the head so that the back of its skull exploded like a spaghetti dinner thrown against the wall so that it collapsed writhing about 10 feet in front of her whereupon she quickly approached it and shot it again just to be sure And then she looked at me as the dead and dying animals lay all around us and I looked back our chests heaving our faces covered in sweat our worn clothes bloody and disheveled and I knew that she knew which was that today we were the predators the thing needing to be feared the killers And that neither of us needed to worry not about food or other predators or mysterious lights in the sky or anything Because we were the masters of our fate we and no one else not even God And we were the master of the world s fate too At which she ran to me and we collided and I held her fast there on the long jetty in the Atlantic Ocean in the Bermuda Triangle there beneath a day moon and the blood red sky in an instant in which it was good so very good not to be afraid not to be alone And as to what may or may not have happened in those breaths those pulse points between that moment and the next the next day the next search the next milestone as to that I offer only a quote from Gandhi Speak only if it improves upon the silence **A Love Letter to M. S. Di**,2020-03-11 I used to think the world is anything but simple It is too complicated and I am just one inconsequential piece

After 7 mysterious manic episodes 4 mental hospital stays 2 Masters and 1 PhD I know the world is as simple as it can be God and love explain everything This book is my formal PhD essay to the world and you be the judge **Love in the Age of Autism** Gayle DeLong,Jonathan Rose,Jennifer Rose,2025-06-10 Gayle DeLong was a well known activist in the autism community the Warrior Mom of two autistic daughters She worked closely with Robert F Kennedy Jr on vaccine injury issues This book is a record based largely on her diaries of her happy marriage to Jonathan Rose Love in the Age of Autism does not sugarcoat the stresses and heartbreak of raising autistic children it is more honest about that than most other books on the subject But it is also an inspiring love story which can help autism parents find profound joys in spite of all the pains It offers practical advice and models for sharing the burdens and pleasures of life based on a strong sense of family values This book frankly and with an earthy sense of humour illustrates how autism parents can continue to enjoy passionate monogamous physical love and it explains how to provide sex education for autistic girls The tale that Gayle and Jonathan tell is intensely romantic and life affirming **Costly Love** John H. Armstrong,2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In Costly Love Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God

Dangerous Love Ben Okri,2023-02-14 From the Booker Prize winning author of The Famished Road a classic story of doomed love in a country trying to come to terms with its violent past An epic of daily life Dangerous Love is one of Ben Okri s most accessible and most disarming novels Omovo is an office worker and artist who lives at home with his father and his father s second wife In the communal world of the compound in which he lives Omovo has both friends and enemies but his most important relationship is with Ifeyiwa a beautiful young married woman whom he loves with an almost hopeless passion not because she doesn t return his love but because they can never be together Against the backdrop of Nigeria s civil war Ben Okri creates an atmosphere where passion takes on a wholly different dimension as danger greed hunger and betrayal loom at every turn **Love in the Age of White Genocide** Loretta Buckley Malakie, **Inspiration in the Age of**

Enlightenment Sarah Eron,2014-03-20 Inspiration in the Age of Enlightenment reconsiders theories of apostrophe and poetic authority to argue that the Augustan age created a new form of inspiration one that not only changed the relationship of literary production to authority in the modern period but also crucially contributes to defining the movement of secularization in literature from the Renaissance to Romanticism Seeking to redefine what we mean by secularization in the early stages of modernity Eron argues that secularization s link to enthusiasm or inspiration often associated with Romanticism begins in the imaginative literature of the early eighteenth century If Romantic enthusiasm has been described through the rhetoric of transport or unworlding then Augustan invocation appears more akin to a process of worlding in its

central aim to appeal to the social other as a function of the eighteenth century belief in a literary public sphere By reformulating the passive structure of ancient invocation and subjecting it to the more dialogical methods of modern apostrophe and address authors such as the Third Earl of Shaftesbury Alexander Pope Henry Fielding and Anna Laetitia Barbauld formally revise inspiration in a way that generates a new and distinctive representation of the author In this context inspiration becomes a social gesture an apostrophe to a friend or judging spectator or an allusion to the mental or aesthetic faculties of the author himself his genius Articulating this struggle toward modernity at its inception this book examines modern authority at the moment of its extraordinariness when it was still tied to the creative energies of inspiration to the revelatory powers that marked the awakening of a new age an era and an ethos of Enlightenment **The Transforming**

Fire of Divine Love John H. Armstrong, 2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe The Age of the Seventh Sun Trilogy Lani

Forbes, 2023-10-10 Rich in imagination and romance and based on the legends and history of the Aztec and Maya people the Age of the Seventh Sun trilogy brings to vivid life a world on the edge of apocalyptic disaster The Seventh Sun Though his royal blood controls the power of the sun young Prince Ahkin is now responsible for the lives of all the Chicome people And the sun is fading Mayana whose blood controls the power of water is one of six noble daughters presented to him as a possible wife Those who are not chosen will be sacrificed to the gods Mayana and Ahkin feel an immediate connection but the gods themselves may be against them The Jade Bones Cast into the underworld after an act of shattering betrayal Mayana and Ahkin must overcome unimaginable odds if they are to return home and reclaim the throne of the Chicome Meanwhile the new empress has made a dangerous alliance that might destroy everything the princess and prince hold dear The Obsidian Butterfly To the Chicome people an eclipse is a time of terror When darkness falls the barrier separating the heavens and the earth becomes unstable Then come the ravaging Tzitzimime the star demons who thirst for human blood As the eclipse nears many maneuver for power in this deadly game of worlds ending As for Ahkin and Mayana the entire empire seems to want to keep them apart Can their love endure the end of the world *The First Age of Christianity and the*

Church Johann Joseph Ignaz von Döllinger,1866 (The) First Age of Christianity & the Church Johann Joseph Ignaz von Döllinger,1877 *Hardcore Punk in the Age of Reagan* Robert Fitzgerald,2025-05-27 Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren t just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most influential and divisive leaders of the era Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before **The Works of H. G. Wells** Herbert George Wells,1927 **Christian Hospitality and Muslim Immigration in an Age of Fear** Matthew Kaemingk,2018-01-25 An alternative uniquely Christian response to the growing global challenges of deep religious difference In the last fifty years millions of Muslims have migrated to Europe and North America Their arrival has ignited a series of fierce public debates on both sides of the Atlantic about religious freedom and tolerance terrorism and security gender and race and much more How can Christians best respond to this situation In this book theologian and ethicist Matthew Kaemingk offers a thought provoking Christian perspective on the growing debates over Muslim presence in the West Rejecting both fearful nationalism and romantic multiculturalism Kaemingk makes the case for a third way a Christian pluralism that is committed to both the historic Christian faith and the public rights dignity and freedom of Islam **Love and Marriage in the Age of Chaucer** H.A. Kelly,2004-01-30 Spicing erudition with wit Professor Kelly takes a new look at medieval attitudes toward love sexuality and marriage and he corrects a number of long standing misconceptions embodied in the concept of courtly love Through a close examination of canon law the common practice of clandestine marriage writings on mysticism and medieval poetry particularly Gower s *Confessio amantis* and Chaucer s romances and their sources he concludes that medieval lovers favored matrimony and did not consider sexual passion incompatible with virtue His evidence contradicts the theory closely associated with C S Lewis that extramarital love was preferred in the Middle Ages and that the sexual pleasures celebrated by poets were necessarily regarded as immoral by society at large By placing religious and cultural conventions in their proper context Professor Kelly shows that the hopes and fears of medieval lovers were much the same as those of lovers of all other ages **The First Age of Christianity and the Church ... Translated [from the German] by H. N. Oxenham, Etc** Johann Joseph Ignaz von DOELLINGER,1866 *Family Life in the Age of Shakespeare* Bruce W. Young,2008-12-30 From the star crossed romance of Romeo and Juliet to Othello s misguided murder

of Desdemona to the betrayal of King Lear by his daughters family life is central to Shakespeare's dramas This book helps students learn about family life in Shakespeare's England and in his plays The book begins with an overview of the roots of Renaissance family life in the classical era and Middle Ages This is followed by an extended consideration of family life in Elizabethan England The book then explores how Shakespeare treats family life in his plays Later chapters then examine how productions of his plays have treated scenes related to family life and how scholars and critics have responded to family life in his works The volume closes with a bibliography of print and electronic resources The volume begins with a look at the classical and medieval background of family life in the Early Modern era This is followed by a sustained discussion of family life in Shakespeare's world The book then examines issues related to family life across a broad range of Shakespeare's works Later chapters then examine how productions of the plays have treated scenes concerning family life and how scholars and critics have commented on family life in Shakespeare's writings The volume closes with a bibliography of print and electronic resources for student research Students of literature will value this book for its illumination of critical scenes in Shakespeare's works while students in social studies and history courses will appreciate its use of Shakespeare to explore daily life in the Elizabethan age
