Light and Truth - The Old Testament Horatius Bonar, 2023-09-01 God speaks to us through the Bible That Book embodies His words Creation itself is the visible embodiment of His power and wisdom It is the result of His words This Book of His is in a different way the effect of His speaking It is His written wisdom and power There is His voice to us The thunder and tempest are His loud voice of grandeur The sunshine and the gentle breeze are His still small voice But deeper clearer keener softer and still more penetrating than all of these is His written Word to us The Bible is what it is because it contains the words of God It is through the Word and in connection with it that God communicates with us The Word revives Your word has revived me Psalm 119 50 The word produces faith Faith comes from hearing Romans 10 17 The Word strengthens comforts heals nourishes and revives It gets into contact with each part of our souls and works its own work there And it does this because it is divine No human words could be trusted to work the work in a human soul so

unrestrictedly It is not eloquence poetry nor argument but something more than all these together It is something peculiar and indescribable which man could not have formed and which he cannot understand that makes it so suitable for the soul of a foolish and sinful man

Insanity and Genius Harry Eiss, 2014-06-02 In his book about the discovery of the structure of DNA James Watson wrote So we had lunch telling ourselves that a structure this beautiful just had to exist Indeed the quest most often asked by scientists about a scientific theory is Is it beautiful Yes beauty equals truth Scientists know mathematicians know But the beauties the truths of mathematics and science were not the truths that inspired the author as a child and he intuitively knew

that the truths he needed come from a different way of knowing a way of knowing not of the world of logic and reason and explanation though they have a value but rather a way of knowing that is of the world expression a world that enters the truths beyond the grasp of logic That is what this book is all about It is an exploration of the greatest minds of human existence struggling to understand the deepest truths of the human condition This second edition updates the previous one incorporating new publications on Van Gogh recent discoveries in neurology psychology and the rapid developments in understanding DNA and biotechnology We've come a long way already from that original discovery by Watson and his coauthor Francis Crick

Decreation and the Ethical Bind Yoon Sook Cha, 2017-06-01 In Simone Weil's philosophical and literary work obligation emerges at the juncture of competing claims the other's self affirmation and one's own dislocation what one has and what one has to give a demand that asks for too much and the extraordinary demand implied by asking nothing The other's claims upon the self which induce unfinished obligation unmet sleep hunger drive the tensions that sustain the scene of ethical relationality at the heart of this book Decreation and the Ethical Bind is a study in decreative ethics in which self dispossession conditions responsiveness to a demand to preserve the other from harm In examining themes of obligation vulnerability and the force of weak speech that run from Levinas to Butler the book situates Weil within a continental tradition of literary theory in which writing and speech articulate ethical appeal and the vexations of response It elaborates a form of ethics that is not grounded in subjective agency and narrative coherence but one that is inscribed at the site of the self's depersonalization

Born Breech into Covenant: the Experience of Mother Carol Bosworth, 2009-07-23 Each of us has a lifetime in which to discover our way to belong within our particular experience of times and events Instead of an operating manual our families and cultures give us expectations for who we are and what is our place in the world This is the story of my journey into the calling of motherhood that I did not understand and struggled to reject Conscientious wrestling with the experiences of motherhood eventually taught me how entangled love and anger can be and how suffering is inseparable from both Finally a deeper call to love confronted me

Heart Fiat Desmond Francis Xavier Kon Zhicheng-Mingde,2024-09-26 Let our scars fall in love Galway Kinnell said In this compelling book Desmond Francis Xavier Kon Zhicheng Mingde moves his love language over old wounds deep cuts now seemingly inappreciable Scarred over and smoothed out by grace Yet how reasoned and magnificent the rising for air the lyric ascent that wraps a heady mix of theological imagination and handsome aesthetics without pause or apology This is a hearty nod to Hans Urs von Balthasar's three transcendentals of Being beauty goodness truth In these poems one experiences the full bodied witness of Catholic piety one that remains brave vulnerable curious devoted and above all reverent The lines traverse a broad lustrous terrain from Mount Olivet to Macau Malacca to Montreal From Caravaggio's Deposition of Christ to Salvador Dalí's Ascension of Christ From the Church of Agios Lazaros to the Church of the Sepulchre of Saint Mary One walks through Ordinary Time to Advent and looks on the year Ash Wednesday fell on Saint Valentine's Day Without reservation there remains an adoring love for the Holy Eucharist And veneration for what is an impressive host of saints from Saint Monica to Saint Rose of Lima Saint John of the Cross to Saint Josemaría Escrivá How do our conversations with God inhabit their own speech acts then settle comfortably into the contemplative the deep quiet of silence How does the language of the confessional translate itself into confessional poetry the expressed lyric turning itself over and over again how iterative how manifold the unfolding and infolding A language always stationed in a state of contingency open in its gentle evolutions by turns yet all at once The fragile transformations as delicate and faint as they remain illumined uplit Always looking heavenward toward the light toward transcendence The Poet's Work Leonard Nathan,Arthur Quinn,1991 Born eighty years ago in Lithuania Czesław Miłosz has been acclaimed one of the greatest poets of our time perhaps the greatest Joseph Brodsky This self-described connoisseur of heavens and abysses has produced a corpus of poems essays memoirs and fiction of such depth and range that the reader's imagination is moved far beyond ordinary limits of consciousness In *The Poet's Work* Leonard Nathan and Arthur Quinn follow Miłosz's wanderings in exile from Poland to Paris to Berkeley as they chart the singular development of his art Relating his life and his works to the unfolding of his thought they have crafted a lucid reading of Miłosz that far surpasses anything yet written on this often enigmatic poet *The Poet's Work* is not only a solid introduction to Miłosz it is also a unique record of the poet's own interpretations of his work As colleagues of Miłosz at Berkeley Nathan and Quinn had long detailed discussions with the poet It is this spirit of collaboration that brings a sense of immediacy and authority to their seamless study Nathan and Quinn reveal as never before why Miłosz

is a true visionary a poet of ideas in history And they show how the influence of Blake Simone Weil Dostoevsky Lev Shestov and Swedenborg together with Henry Miller Allen Ginsberg and Robinson Jeffers has enriched his vision Milosz s lifelong experience of totalitarian regimes that exalt science and technology over individual needs and aspirations his acute sense of alienation as an migr and his humanistic zeal and belief in the primacy of living have brought a prismatic quality to his poetry At seventy Milosz spoke of himself as an ecstatic pessimist In their sensitive mapping of his art Nathan and Quinn skillfully demonstrate that Milosz s global influence has been achieved by the ever shifting balance he strikes between ecstasy and pessimism Irony and humor are never far from this book which not only communicates Milosz s polyphonic message but also evokes his uniquely humane sensibility The Poet s Work is an illuminating introduction to Milosz that will inform and engage scholars and general readers for years to come *Collage in Twenty-First-Century Literature in English* Wojciech Drag, 2019-11-12 Collage in Twenty First Century Literature in English Art of Crisis considers the phenomenon of the continued relevance of collage a form established over a hundred years ago to contemporary literature It argues that collage is a perfect artistic vehicle to represent the crisis ridden reality of the twenty first century Being a mixture of fragmentary incompatible voices collage embodies the chaos of the media dominated world Examining the artistic sociopolitical and personal crises addressed in contemporary collage literature the book argues that the 21st Century has brought a revival of collage like novels and essays
