John Chrysostom on Divine Pedagogy David Rylaarsdam,2014-10-30 Contrary to the portrayals of Chrysostom as a theologically impaired moralizing sophist this book argues that his thinking is remarkably coherent when it is understood on his own terms and within his culture Chrysostom depicts God as a teacher of philosophy who adaptably guides people toward salvation Since the theme of divine adaptability influences every major area of Chrysostom s thought tracing this concept provides a thorough introduction to his theology It also explains at least in part several striking features of his homilies including his supposed inconsistencies his harsh rhetoric and apparent political na vet his intentionally abridged and exoteric theological discussions and his lack of allegiance to an Antiochene school In addition to illuminating such topics the concept of adaptability stands at one of the busiest intersections of Late Antique culture for it is an important idea found in rhetoric and discussions about the best methods of teaching philosophy Consequently adaptability is an ingredient in the classical

Christianity and World Religions Revised Edition Adam Hamilton, 2018-09-18 In Christianity and World Religions Pastor and best selling author Adam Hamilton explores four major world religions: Hinduism, Buddhism, Islam, and Judaism, and the beliefs of each with those of Christianity. He deals openly and honestly with questions people ask about other religions like: Why are there so many different religions? How should Christians view other religions? How is God at work in other religions? What is the fate of those who earnestly pursue God through other religions? In examining these major world religions and the beliefs of their followers, Hamilton urges us as Christians to build bridges with others so that we might grow in our faith, seek peace in our world, love our neighbor, and find positive ways to share the gospel. Additional components for a six week study include a Leader Guide to help facilitate each weekly session and a DVD featuring Hamilton in 10-15 minute segments interviewing religious leaders from each tradition.
