## **Love That Was And Is:**

**To Save the Love that Was Lost** Lyman Allen, Sofia, 2008-03 When asked what led him to write *To Save the Love That Was Lost* Lyman Allen said I wrote because I had to It was a matter of passion I should say guided passion because I found out that I was guided and so the book is ours Sofia's and mine There was a lid on my passion I wanted to believe that life made more sense than what we experience every day We function from day to day yes but I think a lot of us live with a gut feeling of how life ought to be and this is backed up maybe by a higher sense of that truth Well I found that there is that truth and it's in *To Save the Love that Was Lost* In fact it's in the title So I'm offering an invitation to people to peek out from under that lid and see what they might find I found the answer that makes sense Our book is about the original message of Jesus Christianity before it was taken over by organized faith is that a contradiction in terms It's about what was intended to work for the world how we must learn to live I found that Jesus' lost teachings are supported by religious history of 20 even 26 centuries ago A lot of those teachings were discovered in 1945 hidden for all that time They never got tampered with The title is from a verse deleted from a famous parable It's a mission statement about advancing the original Christianity of Jesus that's the love part and it relates directly to the fate of our planet It turns out that my mission was to write a book about these things The book is in fact a spiritual thesis supported by ancient documents recently discovered That might be a first

**The Love That Was Meant to Be** Pastor Darryl Riley, 2022-11-03 The author of this book came from very humble beginnings the seventh child of nine children He was raised to be a God-fearing man to respect others and to be a help to all that he could The inspiration for his book actually came from the woman that he eventually married and later fathered two beautiful children with The wait has finally ended for him as he was unsure which direction to take while he was contemplating his next move on what to write about Then it dawned upon him that his story of love was a very unique story that should be shared with the whole world Not only is it a story of love and fidelity but a story of how God can match two people together in a very unique bond As you read the account open your heart and mind to the most wonderful steps it takes to find true romance to what it will take to have a meaningful relationship The author wished many times that he could find his lovely wife long before he did But as the saying goes better late than never This book is designed for each individual to do some soul searching while you seek to find your soul mate Hope you enjoy reading this book it will inspire you and motivate you to be with the one you were meant to be with in life

common as the various forms of insanity work the same way in every one of us Weve all been programmed to unknowingly believe in a host of lies and its our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Whos controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life
