remind us of them There is nothing more beautiful than two hearts uniting Well everyone has their way of loving Some do it with heart some do it by eyes some take time some fall at first sight few open up and few are secretly in love too Love is a delicacy but it tastes altogether different to everyone Some find it sweet some find it bitter some face separation in love some go off track some go insane and some turn love birds too Well love is what all you need to live Inloveheart will take you to this sweet bitter and sour experience Inloveheart is a poignant piece so those who never loved will surely fall in love while those who are in love will keep loving forever
