**Words, Obsolete Phrases, Proverbs, and Ancient Customs, from the Fourteenth Century** James Orchard Halliwell-Phillipps, 1881      **A Dictionary of Archaic and Provincial Words** James Orchard Halliwell-Phillipps, 1865      A Dictionary of Archaic and Provincial Words, Obsolete Phrases, Proverbs, and Ancient Customs, from the Fourteenth Century James Orchard Halliwell, 1852      **A Dictionary of Archaic & Provincial Words, Obsolete Phrases, Proverbs & Ancient Customs, Form the Fourteenth Century** James Orchard Halliwell-Phillipps, 1852      A Dictionary of Archaic and Provincial Words James Orchard Halliwell, 2018-12-14 So far I may be permitted to speak without intrenching on the limits of criticism A work containing more than 50 000 words many of which have never appeared even in scattered glossaries and illustrated with very few exceptions by original authorities much contain valuable material for the philologist even if disfigured by errors

With respect to the latter contingency I am not acquainted with any glossary comprising merely a few hundred words which does not contain blunders although in many instances the careful attention of the editor has been specially directed to the task Can I then anticipate that in a field so vast that no single life would suffice for a minute examination of every object I could have escaped proportionate liabilities That such may be pointed out I have little doubt notwithstanding the pains to prevent their occurrence but it will be manifestly unfair to make them the test of merit or thence to pronounce a judgement on the accuracy of the whole

**In Love with the World** Yongey Mingyur Rinpoche, Helen Tworikov, 2019-05-07 A rare intimate account of a world renowned Buddhist monk's near death experience and the life changing wisdom he gained from it One of the most inspiring books I have ever read Pema Chodron author of When Things Fall Apart This book has the potential to change the reader's life forever George Saunders author of Lincoln in the Bardo At thirty six years old Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries Then one night telling no one he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat following the ancient practice of holy mendicants His goal was to throw off his titles and roles in order to explore the deepest aspects of his being He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for In Love with the World Vivid compelling This book is a rarity in spiritual literature Reading the

intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of *Radical Acceptance* and *True Refuge In Love with the World* is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of *A Path with Heart* This book makes me think enlightenment is possible Russell Brand *North-west Passage* ,2008 **Catalog of Copyright Entries** ,1928 *Poetical Works* Francis Adams,1887 *The Middle English Mystics* Wolfgang Riehle,2019-06-26 Originally published as an English translation in 1981 *The Middle English Mystics* is a crucial contribution to the study of the literature of English mysticism This book surveys and analyses the language of metaphor in the writings of such mystics as Richard Rolle Walter Hilton Julian of Norwich and in such anonymous works as *The Cloud of Unknowing* and *the Ancrene Wisse* The main emphasis of this comparative and stylistic study is not theological but rather the means by which theological concepts are communicated through language The book sets the English mystics in perspective by establishing their place in the European mystical movement of the Middle Ages It shows how intricate the relationship between English and continental mysticism really is The book suggests that there is clear links between English and German female mysticism yet the mysticism is in the main due not so much to specific influences as to the common background of Christian theology and mysticism *Love and Women in Early Chinese Fiction* Daniel Hsieh,2009-03-02 In traditional China upper class literati were inevitably strongly influenced by Confucian doctrine and rarely touched upon such topics as love and women in their writings It was not until the mid Tang a generation or two after the An Lushan rebellion that literary circles began to engage in overt discussion of the issues of love and women through the use of the newly emerging genres of *zhiguai* and *chuanqi* fiction The debate was carried out with an unprecedented enthusiasm since the topics were considered to be the key to understanding the crisis in Chinese civilization This book examines the repertoire of *chuanqi* and *zhiguai* written during the Six Dynasties and Tang periods and analyzes the key themes topics and approaches found in these tales which range from expressions of male fantasy sympathy fear and anxiety to philosophical debate on the place of the feminine in patriarchal Chinese society Many of these stories reflect tensions between masculine and feminine aspects of civilization as seen for example in the conflict of male aspiration and female desire as well as the ultimate longing for reconciliation of these divisions These stories form a crucial chapter in the history of love in China and would provide much of the foundation for further explorations during the late imperial period as seen in seminal works such as *The Peony Pavilion* and *Dream of the Red Chamber* *A Dictionary of Archaic and Provincial Words, Obsolete Phrases, Proverbs, and Ancient Customs, from the Fourteenth Century* by James Orchard Halliwell ,1855 **Wild Love** La Motte-Fouqué (Friedrich Heinrich Karl),1845 **The Routledge Research Companion to Popular Romance Fiction** Jayashree Kamblé, Eric Murphy Selinger, Hsu-Ming Teo,2020-08-11 Popular romance fiction constitutes the largest segment of the global book market Bringing together an international group of scholars The Routledge Research Companion to Popular Romance Fiction offers a
