*Duty, Honor, and A Loaf of Bread* Jan (Waldron) & Ed Votroubek,2012-10-31 Like other families letters were the fabric that held the fledgling Waldron family together during the personally trying society changing events of World War II Bill the town baker voluntarily became an infantry soldier and platoon scout in Europe and Marge a new wife became the town baker the Waldron's version of Rosie the Riveter Nothing in their lives had prepared them for these roles yet everything in their lives made them equal to the tasks at hand Their letters to one another provide an intimate view of an American family triumphing in the face of adversity Duty Honor Faith Love and Family all play a role and readers will come to love and admire both of them Bill's letters from the Battle of the Bulge the Siegfried Line and through the end of the war across Germany and

into Czechoslovakia are particularly interesting He reveals himself as a down to earth patriot who volunteered for a very dangerous job and excelled a man with survivor s instincts who avoided illness frostbite and wounds under extremely difficult circumstances Historical perspective is provided by sidebars throughout the book which explain matters referred to in the letters as well as what is going on in the war and at home The sidebars are themselves an education made immediate and interesting by the personal experiences conveyed in the letters A really great read The Farmers' Advocate and Home Magazine ,1918 Lockheed, Atlanta, and the Struggle for Racial Integration Randall L. Patton,2019-11-15 Lockheed has been one of American s largest corporations and most important defense contractors from World War II to the present day since 1995 as part of Lockheed Martin Aeronautics Company During the postwar era its executives enacted complicated business responses to black demands for equality Based on the papers of a personnel executive the memoir of an African American employee interviews and company publications this narrative history offers a unique inside perspective on the evolution of equal employment and affirmative action policies at Lockheed Aircraft s massive Georgia plant from the early 1950s through the early 1980s Randall L Patton provides a rare perhaps unique account of African American struggle and management response set within the context of the regional and national struggles for civil rights The book describes the complex interplay of black protest federal policy and management action in a crucial space in the national economy and within the South contributing to business history policy history labor history and civil rights history *The Milwaukee Road Magazine* ,1950 **Within Our Gates** Alan Gevinson,1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr Army and Navy Journal ,1924 *The NCO Journal* ,1995 *News-letter* ,1946 *Army and Navy Register* ,1929 **Princeton Alumni Weekly** ,1941 *Edward M. Almond and the US Army* Michael E. Lynch,2019-10-15 This study presents a comprehensive look at a complex man who exhibited an unfaltering commitment to the military and to his soldiers but whose career was marked by controversy As a senior Army officer in World Wars I and II Lt Gen Edward M Almond lived by the adage that units don t fail leaders do He was chosen to command the 92nd Infantry Division one of only two African American divisions to see combat during WWII but when the infantry performed poorly in Italy in 1944 1945 he asserted that it was due to their inferiority as a race and not their maltreatment by a separate but unequal society He would later command the X Corps during the Inchon invasion that changed the course of the Korean War but his accomplishments would be overshadowed by his abrasive personality and tactical mistakes This book addresses how Almond s early education at the Virginia Military Institute with its strong Confederate and military influences shaped his military prowess Presented is a thorough assessment of Almond s military record how he garnered respect for his aggressiveness courage in combat strong dedication and leadership and how he was affected by the loss of his son and son in law in combat during WWII Following the war Almond would return to the US to assume command of the US Army War College but would find himself unprepared for a changing world This volume asserts

that since his death his bigoted views have come to dominate his place in history and undermine his military achievements
