## **Love Hate And Fear In Canadas Cold War:**

*Love, Hate, and Fear in Canada's Cold War* Richard Cavell, 2004 A major theme emerging from *Love Hate and Fear in Canada's Cold War* is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today *Love, Hate, and Fear in Canada's Cold War* Richard Cavell, 2004-06-02 The essays in *Love Hate and Fear in Canada's Cold War* present a Cold War different in many respects from the familiar one of anti communist hysteria In Canada the Cold War raised issues of national self representation that went beyond international political tensions related to capitalistic versus communistic regimes If the discourse of the Cold War in Canada was anti communist it was also anti American in many ways Drawing on a number of disciplinary approaches and examining what Michel Foucault called the discursive practices of the period the contributors examine how in the Cold War the personal became the political through the state's attempt to regulate sexuality in pulp fiction in film and in public spaces A major theme emerging from *Love Hate and Fear in Canada's Cold War* is that many issues associated with the Cold War in Canada actually preceded World War II and continue to haunt us today This has become particularly apparent after the terrorist attacks of September 2001 when politicians began employing the rhetoric of the War on Terror and invoking issues of border security immigration and refugee quotas and harmonization of policies Czech Refugees in Cold War Canada Jan Raska, 2018-08-24 During the Cold War more than 36 000 individuals entering Canada claimed Czechoslovakia as their country of citizenship A defining characteristic of this migration of predominantly political refugees was the prevalence of anti communist and democratic values Diplomats industrialists politicians professionals workers and students fled to the West in search of freedom security and economic opportunity Jan Raska's *Czech Refugees in Cold War Canada* explores how these newcomers joined or formed ethnocultural organizations to help in their attempts to affect developments in Czechoslovakia and Canadian foreign policy towards their homeland Canadian authorities further legitimized the Czech refugees anti communist agenda and increased their influence in Czechoslovak institutions In turn these organizations supported Canada's Cold War agenda of securing the state from communist infiltration Ultimately an adherence to anti communism the promotion of Canadian citizenship and the cultivation of a Czechoslovak ethnocultural heritage accelerated Czech refugees socioeconomic and political integration in Cold War Canada By analyzing oral histories government files ethnic newspapers and community archival records Raska reveals how Czech refugees secured admission as desirable immigrants and navigated existing social cultural and political norms in Cold War Canada Perogies and Politics Rhonda L. Hinthner, 2018-01-01 In *Perogies and Politics* Rhonda Hinthner explores the twentieth century history of the Ukrainian left in Canada from the standpoint of the women men and children who formed and fostered it For twentieth century leftist Ukrainians culture and politics were inextricably linked The interaction of Ukrainian socio cultural identity with Marxist Leninism resulted in one of the most dynamic national working class movements Canada has ever known The Ukrainian left's success lay in its ability to meet the needs of and speak in

meaningful respectful and empowering ways to its supporters experiences and interests as individuals and as members of a distinct immigrant working class community This offered to Ukrainians a radical social cultural and political alternative to the fledgling Ukrainian churches and right wing Ukrainian nationalist movements Hinthers colourful and in depth work reveals how left wing Ukrainians were affected by changing social economic and political forces and how they in turn responded to and challenged these forces     *The Making of the Middle Class* A. Ricardo López,2012-01-18 The contributors question the current academic understanding of what is known as the global middle class They see middle class formation as transnational and they examine this group through the lenses of economics gender race and religion from the mid nineteenth century to today     *Picturing Canada* Gail Edwards,Judith Saltman,2010-01-01 Gail Edwards and Judith Saltman illuminate the connection between children s publishing and Canadian nationalism analyse the gendered history of children s librarianship identify changes and continuities in narrative themes and artistic styles and explore recent changes in the creation and consumption of children s illustrated books Over 130 interviews with Canadian authors illustrators editors librarians booksellers critics and other contributors to Canadian children s book publishing document the experiences of those who worked in the industry     *The Canadian Rangers* P. Whitney Lackenbauer,2013-05-01 The Canadian Rangers stand sentinel in the farthest reaches of our country For more than six decades this dedicated group of citizen soldiers has quietly served as Canada s eyes ears and voice in isolated coastal and northern communities from coast to coast to coast How does this minimally trained and lightly equipped force make a meaningful contribution to national defence and to building sustainable communities One of Canada s leading experts on northern issues answers this question using official records extensive interviews and on the ground participation in Ranger exercises In this meticulously researched history Lackenbauer reveals why the Rangers have evolved into a flexible inexpensive and culturally inclusive way to promote sovereignty security safety and stewardship This unique organization reflects a successful partnership between the modern state and residents of remote communities a partnership rooted in local knowledge and crosscultural understanding     **An Exceptional Law** Dennis G. Molinaro,2017-01-01 An Exceptional Law showcases how the emergency law used to repress labour activism during the First World War became normalized with the creation of Section 98 of the Criminal Code following the Winnipeg General Strike     *Beyond Bylines* Barbara M. Freeman,2012-08-01 Beyond Bylines Media Workers and Women s Rights in Canada explores the ways in which several of Canada s women journalists broadcasters and other media workers reached well beyond the glory of their personal bylines to advocate for the most controversial women s rights of their eras To do so some of them adopted conventional feminine identities while others refused to conform altogether openly and defiantly challenging the gender expectations of their day The book consists of a series of case studies of the women in question as they grappled with the concerns close to their hearts higher education for women healthy dress reforms the vote equal opportunities at work abortion lesbianism and Aboriginal women s rights Their media reflected their respective eras

intellectual magazines daily and weekly newspapers radio feminist public relations alternative women s periodicals and documentary film made for television Barbara Freeman takes an interdisciplinary approach combining biography history and communication studies to demonstrate how their use of different media both enabled and limited these women in their ability to be daring advocates for gender equality She shows how a number of these women were linked through the generations by their memberships in activist women s organizations

**Gatekeepers** Franca Iacovetta,2006-10-01 An in depth study of European immigrants to Canada during the Cold War Gatekeepers explores the interactions among these immigrants and the gatekeepers mostly middle class individuals and institutions whose definitions of citizenship significantly shaped the immigrant experience Iacovetta s deft discussion examines how dominant bourgeois gender and Cold War ideologies of the day shaped attitudes towards new Canadians She shows how the newcomers themselves were significant actors who influenced Canadian culture and society even as their own behaviour was being modified Generously illustrated Gatekeepers explores a side of Cold War history that has been left largely untapped It offers a long overdue Canadian perspective on one of the defining eras of the last century

**Canada's 1960s** Bryan D. Palmer,2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada s 1960s examines the legacy of this rebellious decade s impact on contemporary notions of Canadian identity

Awfully Devoted Women Cameron Duder,2011-01-01 The lives of many lesbians prior to 1965 remain cloaked in mystery Historians have turned the spotlight on upper middle class romantic friends and on working class butch and femme women but the lives of the lower middle class majority remain in the shadows Awfully Devoted Women offers a portrait of middle class lesbianism in the decades before the gay rights movement in English Canada This intimate study of the lives of women who were forced to love in secret not only challenges the idea that lesbian relationships in the past were asexual it also reveals the courage it took to explore desire in an era when women were supposed to know little about sexuality

*Magazines, Travel, and Middlebrow Culture* Faye Hammill,Michelle Smith,2015 A comparative study of Canadian magazines in English and French in the early to mid twentieth century casting light on middlebrow culture

**From Left to Right** Brian T. Thorn,2016-07-22 In From Left to Right Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement

**Creating Postwar Canada** Magda Fahrni,Robert Rutherford,2008-07-01 Creating Postwar Canada showcases new research on this complex

period exploring postwar Canada's diverse symbols and battlegrounds Contributors to the first half of the collection consider evolving definitions of the nation examining the ways in which Canada was reimagined to include both the Canadian North and landscapes structured by trade and commerce The essays in the latter half analyze debates on shopping hours professional striptease the provider role of fathers interracial adoption sexuality on campus and illegal drug use issues that shaped how the country defined itself in sociocultural and political terms This collection contributes to the historiography of nationalism gender and the family consumer cultures and countercultures

**Timing Canada** Paul Huebener, 2015-12-01 From punch clocks to prison sentences from immigration waiting periods to controversial time zone boundaries from Indigenous grave markers that count time in centuries rather than years to the fact that free time is shrinking faster for women than for men time shapes the fabric of Canadian society every day but in ways that are not always visible or logical In *Timing Canada* Paul Huebener draws from cultural history time use surveys political statements literature and visual art to craft a detailed understanding of how time operates as a form of power in Canada Time enables everything we do as Margaret Atwood writes without it we can't live However time also disempowers us divides us and escapes our control Huebener transforms our understanding of temporal power and possibility by using examples from Canadian and Indigenous authors including Jeannette Armstrong Joseph Boyden Dionne Brand Timothy Findley Lucy Maud Montgomery Gabrielle Roy and many others who witness question dismantle and reconstruct the functioning of time in their works As the first comprehensive study of the cultural politics of time in Canada *Timing Canada* develops foundational principles of critical time studies and everyday temporal literacy and demonstrates how time functions broadly as a tool of power privilege and imagination within a multicultural and multi-temporal nation

**Queerly Canadian, Second Edition** Scott

Rayter,Laine Halpern Zisman,2022-09-14 In the second edition of this remarkable and comprehensive anthology many of Canada s leading sexuality studies scholars examine the fundamental role that sexuality has played and continues to play in the building of our nation and in our national narratives myths and anxieties about Canadian identity Thoroughly updated this new edition features twenty six new chapters on topics including Indigenous kinship Blackness masculinity disability queer resistance and sex education Covering both historical and contemporary perspectives on nation and community law and criminal justice organizing and activism health and medicine education marriage and family sport and popular culture and representation the essays also take a strong intersectional approach integrating analyses of race class and gender This interdisciplinary collection is essential for the Canadian sexuality studies classroom and for anyone interested in the mythologies and realities of queer life in Canada FEATURES Sixty percent new and expanded content with twenty six new chapters Thoroughly updated to reflect a strong emphasis on the diversity of queer experiences and identities in Canada Each chapter includes a brief introduction written for this collection by the author that provides helpful context about their work for both students and teachers

Radical Housewives Julie Guard,2019-03-14 Radical Housewives is a history of Canada s Housewives Consumers Association This association was a community based women s organization with ties to the communist and social democratic left that from 1937 until the early 1950s led a broadly based popular movement for state control of prices and made other far reaching demands on the state As radical consumer activists the Housewives engaged in gender transgressive political activism that challenged the government to protect consumers interests rather than just those of business while popularizing socialist solutions to the economic crises of the Great Depression and the immediate postwar years Julie Guard s exhaustive research including archival research and interviews with twelve former Housewives recovers a history of women s social justice activism in an era often considered dormant and adds a Canadian dimension to the history of politicized consumerism and of politicized materialism Radical Housewives reinterprets the view of postwar Canada as economically prosperous and reveals the left s role in the origins of the food security movement

**Burlesque West** Becki Ross,2009-07-25 After the Second World War Vancouver emerged as a hotbed of striptease talent In Burlesque West the first critical history of this notorious striptease scene Becki Ross delves into the erotic entertainment industry at the northern end of the dancers west coast tour the North South route from Los Angeles to Vancouver that provided rotating work for dancers and variety for club clientele Drawing on extensive archival materials and fifty first person accounts of former dancers strip club owners booking agents choreographers and musicians Ross reveals stories that are deeply flavoured with an era before striptease fell from grace because the world stopped dreaming in the words of ex dancer Lindalee Tracey Though jobs in this particular industry are often perceived as having little in common with other sorts of work retired dancers accounts resonate surprisingly with those of contemporary service workers including perceptions of unionization and workplace benefits and hazards Ross also traces the sanitization and subsequent integration of striptease style and neo burlesque trends into mass

culture examining continuity and change to ultimately demonstrate that Vancouver's glitzy nightclub scene often condemned as a quasi legal strain of urban blight in fact greased the economic engine of the post war city Provocative and challenging Burlesque West combines the economic the social the sexual and the personal and is sure to intellectually tantalize
