Love Unbound at City Hall Pasquale De Marco,2025-05-13 In 2004 San Francisco City Hall became the epicenter of a historic movement for LGBTQ rights When Phyllis Lyon and Del Martin a lesbian couple who had been together for more than five decades became the first same sex couple to marry in the city they ignited a spark that would eventually lead to the legalization of same sex marriage throughout the United States In the days and weeks that followed thousands of same sex couples from all over the country flocked to San Francisco to tie the knot They came from all walks of life with different stories and backgrounds but they were all united by their love for each other and their desire to have their relationships legally recognized Love Unbound at City Hall tells the stories of some of the couples who married at San Francisco City Hall in 2004 Their stories are inspiring heartwarming and sometimes heartbreaking But they all share a common theme the power of love to overcome adversity These couples faced discrimination prejudice and even violence But they never gave up on their love for each other They fought for their right to marry and they won Their stories are a reminder that love is always worth fighting for No matter what obstacles you face never give up on the people you love This book is more than just a collection of stories It is a testament to the power of love and the resilience of the human spirit It is a book that will inspire you to believe in the possibility of a better world a world where love is always victorious If you like this book write a review on google books
