**Love, Reason and Will** Anthony Rudd, John Davenport, 2015-10-22 An introduction to the philosophy of love bridging analytic and continental philosophy and the philosophy of religion through the writings of Harry G Frankfurt and Søren Kierkegaard

**A Depth of Insight** James A. Eldred, 2013-10 Personally compelling and relevant to every Christian life James Eldred's *A Depth of Insight* is a treasure trove of simple but powerful truths regarding what it is to be a disciple of Jesus Christ Exploring that which effectively defends the faith and the one thing in your life that shows the whole world that you serve Jesus this book sheds light on the reality of our individual relationships with our Savior Each nugget of wisdom is set in the context of actual events with real people as they go about life Every chapter brings to life how the power of God has worked to change the nature and character of one of His disciples Each new story tells how the Holy Spirit used Scripture other believers and every aspect of life to transform the author Do you struggle with stress or debilitating health issues Do you not hear from God no matter how hard you pursue Him Do you lack joy and fulfillment or struggle with family and relationships No matter how much you have does it seem inadequate or unsatisfying Eldred lays bare these issues and many more in *A Depth of Insight* If just one of these concepts speaks to your life you can be impacted by God's wisdom as it is presented in this book

**SCM Core Text: Christian Doctrine** Mike Higton, 2013-01-25 The SCM Core Text *Christian Doctrine* offers an up to date accessible introduction to one of the core subjects of theology Written for second and third year university students it shows that Christian Doctrine is not a series of impossible claims to be clung to with blind faith Mike Higton argues that it is rather a set of claims that emerge in the midst of Christian life as Christian communities try to make enough sense of their lives and of their world to allow them to carry on Christian communities have made sense of their own life and the life of the wider world in which they are set as life created by God to share in God's own life They have seen themselves and their world as laid hold of God's life in Jesus of Nazareth and as having the Spirit of God's own life actively at work within them This book explores these and other central Christian doctrines and in each case shows how the doctrine makes sense and how it is woven into Christian life It will help readers to see what sense it might make to say the things that Christian doctrine says and how that doctrine might affect the way that one looks at everything the natural world gossip culture speaking in tongues politics dieting human freedom love High Noon justice computers racism the novels of Jane Austen parenthood death and fashion

**Divine Impassibility** Richard E. Creel, 2005-06-21 In this volume Richard Creel sets forth a thesis that offers a third way to approach divine impassibility Defining impassibility as imperviousness to causal influence from external factors Creel sketches a path between Aquinas and Hartshorne by asserting that once this definition is accepted one must still distinguish the various respects in which God is or is not impassible Virtually no one would dispute that the divine nature is impassible God will never cease to be God no matter what happens in creation With respect to the divine knowledge and will however there are conflicting views Creel claims that God's will is impassible because God knows

everything that can be accomplished by divine power Yet unlike Aquinas Creel believes that God has this knowledge in virtue of a plenum of possibilities eternally coexistent with the divine being The absolute is not simply God but rather God plus the plenum Creel suggests that God s knowledge is passible with respect to the contingent future actions of creatures God knows these actions therefore not in their presentiality from all eternity as Aquinas would hold but only as they happen and become actual God s will however remains immediately impassible because the divine will is ordered to possibilities not actualities God never has to wait until after we do something in order to decide his response to it He has eternally decided his response to all that we might do Ultimately God s feelings remain impassible no matter what concrete decisions human beings make because the basic intent of the divine plan for us is always achieved we exercise our freedom to choose for or against God God is impassible with respect to the divine nature divine will and divine feelings but God is passible with respect to the divine knowledge of future contingent events      *Master Fan's Sweet Love: No Escape* Qing Tian,2019-11-23 Suddenly a low hoarse male voice came from behind her You re leaving after you slept with me I m sorry I I don t know Jiang Yunxi panicked and didn t know what to do The only thing in her mind was to leave as soon as possible She apologized subconsciously ignored everything else and charged forward recklessly      **The Restless Flame** Louis De Wohl,2010-08-11 This is a stirring novel which deals reverently but realistically with the fascinating life and era of St Augustine one of the most remarkable men of all time In his vigorous and inimitable style Louis de Wohl tells the story of St Augustine s transformation from a vain sensual youth to the brilliant devout writer and theologian the man who conquered himself as completely as he did the adversaries of the Church whose literary and philosophical masterpieces were to dominate Western thought for a thousand years He has carefully re created the exciting historical background of the time the turbulent atmosphere of the Roman Empire in the last days of decadence skillfully weaving together the personalities whose lives closely affected Augustine Monica his saintly and heroic mother majestic Ambrose Bishop of Milan and many others whom lend richness and depth to the life story of this great Doctor of the Church Here is a novel that glistens with the imaginative and vivid drama that epitomized St Augustine s tumultuous life presented with a master story teller s characteristic flair for graphic description sensitive portraiture and fascinating historical lore Cover art by Chris Pelicano      **From The Viscount With Love** Bethany M. Sefchick,2016-02-09 Consummate rake Lord Robert Tillsbury the current Viscount Chillton also known as Frost is bored out of his mind and the Season is not yet at an end So when Frost s good friend the Duke of Candlewood sends him on a mission deep within London s newest brothel Lycosura to uncover the truth about a woman known only as Ianthe he can hardly resist the temptation Except that there is far more to Ianthe than meets the eye and she becomes a puzzle that Frost is almost desperate to solve Miss Lavinia Tremont otherwise known as Ianthe is living her version of hell on earth The granddaughter of a duke she has lost her place in Society and though is still chaste knows that her place in life is now that of a fallen woman Or is it For when Frost frees Lavinia from Lycosura and installs her in his home as a long lost relative her

world changes dramatically When he takes her out into Society on his arm she is even more terrified believing that the secrets of her past might return to cause trouble for everyone involved More importantly she fears that she is falling in love with a man that she can never have Especially once he discovers who she really is     *The Christian's Complete Family Bible* ,1790     *The Spirit of the Bible; Or, the Nature and Value of the Jewish and Christian Scriptures Discriminated in an Analysis of Their Several Books* Edward HIGGINSON,1853     *The Right-aim School Bible* ,1834     **The Works of Plato** Plato,1901     *A Love for Nothingness, A Love for Death* Alberto Castelli,2024-06-15 This book aims at explaining romantic love between straight adults through literary texts of the western canon from the nineteenth and twentieth century Each chapter comes with a multidisciplinary approach in which protagonists are mutilated in their quest for loving as alternative to annihilation The book emphasizes love as an obsession thus as an exploration of the mind From the passion myth of Tristan and Isolde to the nihilist modernist representations the western world has created a perverse concept of love A love for nothingness for death Narcissistic and at times destructive love is gained by overcoming obstacles If without obstacles there is no love then love becomes love for obstacles Within this masochistic frame love falling in love being loved always stand at the edge of pathology At its core this book narrates a love story more precisely a story of loves the haunting evocation of a desire that by its very nature cannot be fulfilled Inherent in the nature of love is a subtle dialectical activity between presence and absence between creation and destruction reality and void Accordingly the narrative raises questions that the past two centuries were incapable of answering Does love only last the time of a kiss Is its promise fatally destined to dissolve What about violence Physical emotional temporal Is it an ineliminable part of love or its most extreme profanation And what is the mystery that accompanies loves that know how to last without resigning themselves to the death of desire It is to answer some of these questions that I wrote this text Love is an unconscious process that dominates reason and destroys it when reason cannot be a mode of communication Hence the amorous romance is madness and this text is written as a loud reminder     **The Love Affairs of Great Musicians** Rupert Hughes,1907     **Mask in the Mirror** Nidhi Chawla,2010-04 The process of weaving a fictional dream can be painful and also joyful path to self discovery realizes an ordinary man when he sits down to reveal his thoughts and bring to life characters whose lives would confront and impact his heart and mind As the people of the imaginary world open the Writer s eyes to his own soul he relishes his intimate sentiments and sees the color of his emotions Caught in an imaginary fabrication where at times he basks in the beauty of creation and at moments he suffers its loneliness There is transformation and simultaneous transition during these years of writing the beginning commences in the cold winter and rejuvenating spring comes in the end But the big question is will the Writer and his realm of fiction survive or both perish without the world ever reading his words and recognizing his worth Mask in the Mirror is a gripping story of self discovery introspection and a touching saga of how fictional life can change the real life of an ordinary man     *Becoming Eucharistic People* Timothy P. human yearning T offers the possibility of transforming the battle of life into a path to Truth a living process Each chapter presents a road toward our inner universal Self bringing a deeper and wider perspective along the way A psychological orientation invites the reader to move from abstract idea to individual insight As the book proceeds the relationship between the personal and the eternal gradually unfolds in an ever expanding process of self discovery Quotes from the great teachers are included in the text to inspire uplift and help us cross over the sea of illusion      **A Diabolical Voice** Justine L.

Trombley,2023-05-15 In A Diabolical Voice Justine L Trombley traces the afterlife of the Mirror of Simple Souls which circulated anonymously for two centuries in four languages though not without controversy or condemnation Widely recognized as one of the most unusual and important mystical treatises of the late Middle Ages the Mirror was condemned in Paris in 1310 as a heretical work and its author Marguerite Porete was burned at the stake Trombley identifies alongside the work s increasing positive reception a parallel trend of opposition and condemnation centered specifically around its Latin translation She s discovered fourteenth and fifteenth century theologians canon lawyers inquisitors and other churchmen who were entirely ignorant of the Mirror s author and its condemnation and saw in the work dangerous heresies that demanded refutation and condemnation of their own Using new evidence from the Mirror s largely overlooked Latin manuscript tradition A Diabolical Voice charts the range of negative reactions to the Mirror from confiscations and physical destruction to academic refutations and vicious denunciations of its supposedly fiendish doctrines This parallel story of opposition shows how heresy remained an integral part of the Mirror s history well beyond the events of 1310 revealing how seriously churchmen took Marguerite Porete s ideas on their own terms in contexts entirely removed from Marguerite s identity and her fate Emphasizing the complexity of the Mirror of Simple Souls and its reception Trombley makes clear that this influential book continues to yield new perspectives and understandings      **The Novels of Fyodor Dostoevsky: The friend of the family** Fyodor Dostoyevsky,1928
