## Love Is Not Native To My Blood:

The Complete Works of William Shakespeare William Shakespeare, 1868      *The family Shakespeare [expurgated by T. Bowdler]. in which those words are omitted which cannot with propriety be read aloud in a family*, by T. Bowdler William Shakespeare, 1843      *"The" Works of William Shakespeare* William Shakespeare, 1882      **The Dramatic Works** William Shakespeare, 1860      **Love's Labour's Lost** William Shakespeare, 1998 Love's Labour's Lost now recognized as one of the most delightful and stageworthy of Shakespeare's comedies came into its own both on the stage and in critical esteem only during the 1930s and 1940s after three hundred years of neglect by the theatre and undervaluation and misuse by critics The Introduction to this new edition pays particular attention to this process of rehabilitation The text based on the quarto of 1598 and taking full account of the extensive scholarly study that text has received over recent years rests on the hypothesis that the quarto goes back probably by way of lost quarto to an authorial manuscript representing the play in a state prior to fair copy If this is so the quarto takes on a special significance because through it we can watch Shakespeare in the act of composition improvising changing his mind and revising as his play develops under his hand The editor offers a number of new readings of difficult and disputed passages together with some suggestions about the way in which the play's notorious tangles may have come about A detailed commentary offers full and helpful guidance to the play's scintillating language
