How to Grow Your Heart'S Garden for God Jonathan Martin,2016-11-09

We all know that life can be hard and working in the garden and trying to grow a garden is hard work In our lives if we want to grow spiritually closer to God it takes work and effort in each of our hearts The truth that God gives us is from his Word It is the seeds that we need to plant in our lives and be willing to accept The seed has to have water so it can grow We need the active working of God in our lives so the truth can come alive in our lives As we grow we need be close to Gods will in our lives in the light of His will for our lives so we can continue to grow for him As God prepares us to do his work we must be rooted in the foundational truths that God has for us in his Word Like a garden we have to be aware of the dangers that come in and can contaminate our effectiveness for God All the steps that we need to take so that we might be fruitful for God to have a final product that is worthy before God when one day we meet him I hope that you will take the journey and see that you too can have a beautiful garden for God

Ethics beyond Rules Keith D

Stanglin,2021-08-17 An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time How should Christians live How should we interact with one another Why do we think the way we do about right and wrong How should we approach today s complex moral questions Keith Stanglin realigns our ethical thinking around the central question What does real love require applying it to our ethical reasoning on many of the social issues present in today s culture abortion sexual ethics consumerism technology race and politics Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community But

thinking objectively and reasonably about our ethical commitments is a process that is rarely taught in contemporary education or even in churches. *Ethics Beyond Rules* is a clear and accessible introduction for thoughtful Christians who want to lead moral lives who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand. Stanglin's love-based framework for moral decision making engages Scripture and the historic Christian faith, giving Christians the tools to clearly and mindfully consider the ethical problems of today and the foundation to confront new issues in the years to come.
