

Essentials Missing

You took the laughing sun along
The day you went away;
And, tho I hide my tears in song.
The skies are always gray
You took a portion of my heart
and left an awful nick.
Now, like a clock that lacks a part,
The darned thing just won't tick.
So hurry back, and please release
The sun, for brighter weather.
and don't forget the missing piece
That holds my heart together.

Love Letters From A War:

Love Letters of the Great War Mandy Kirkby, 2014-01-16 From the private papers of a young Winston Churchill to the tender notes of an unknown Tommy in the trenches Love Letters of the Great War is a collection of profound intimate and heartfelt letters written during World War One Many of the letters collected here are eloquent declarations of love and longing others contain wrenching accounts of fear jealousy and betrayal and a number share sweet dreams of home But in all the correspondence whether from British American French German Russian Australian and Canadian troops in the height of battle or from the heartbroken wives and sweethearts left behind there lies a truly human portrait of love and war A century on from the First World War these letters offer an intimate glimpse into the hearts of men and women separated by conflict and show how love can transcend even the bleakest and most devastating of realities Edited and introduced by Mandy Kirkby with a foreword from Women's Prize winner Helen Dunmore *Hearts in Winter* Gerry Parish, Gerri Raines, Richard C.

What is it like to fall in love with a soldier What is it like to be a soldier in love Throughout history those serving in the British Army have combined romantic relationships with their military duties In wartime especially all the usual emotions experienced by men and women in love are felt to a heightened degree The sense of danger and the sometimes years of separation imposed by service abroad make the heartache of loss and the joy of reunion all the greater For loved ones parted by war writing has always been of crucial importance in maintaining contact Even when it was difficult to send a letter or not easy to explain feelings when one could soldiers be they generals young officers or privates have persevered In a celebration of love on the frontline during the First and Second World Wars the archives of the National Army Museum replete with letters diaries and photographs are thrown open to reveal fascinating stories of soldiers their wives and sweethearts Love found love lost and love enduring all have their place in the pages of this book **The School of War** Alexandre Najjar, 2014-05-14 All wars are alike What I experienced in Lebanon others experienced in France in Spain in Yugoslavia or elsewhere Yes all wars are alike because while weapons change the men who wage and are subjected to war do not in the least Alexandre Najjar was eight when Lebanon erupted into a bloody and brutal conflict he was twenty three when the guns at last fell silent After seven years of voluntary exile spent clearing his mind from the unbearable nightmare of civil war he is now back amongst his family and friends and the past is quickly catching up with him As he reacquaints himself with his bullet riddled city Alexandre is haunted by vivid memories which he sets down with extraordinary imagination and humour Sometimes nostalgic and sometimes brutal and shocking The School of War offers unforgettable insights into the experience of childhood in war **Love Letters from World War II** Russell Dalton, Janet Honek, 2020 What would you write to your young wife when you enlist in the Army to fight the Nazis during World War II This book tells that story Bob Dalton wrote a series of almost daily letters home during his service from 1944 1946 This is not a book of combat exploits but a true life story of what it meant to have a wife and baby at home while serving your country in WWII and the burden it placed on GIs and their families The letters frankly discuss the challenges of life because they were only intended to be read by his wife We found this trove of letters along with hundreds of original photos that illustrate the book after our mother passed away in 2018 We felt that we should share their story Each letter begins and ends with his love for his family that he left behind to fight He shares his experiences in boot camp in South Carolina the trip to the front crossing the Rhine with Patton's Third Army and then battling to the Czech border by war's end His mission changed to demilitarization and denazification until the Russians occupied Saxony as part of East Germany Then he spent a year as part of the Allied occupation forces in Frankfurt dealing with postwar reconstruction and the U S Army bureaucracy The war changed our father and reading these letters changed our image of him and the other members of the Greatest Generation **Dear Anne** Barbara Whittington, 2016-11-01 Letters between a soldier in combat in the Vietnam War and his new bride back home **Women's**

Diaries from the Civil War South Sharon Talley, 2023-08-18 Traditionally narratives of war have been male Sharon Talley writes In the pages that follow she goes on to disrupt this tradition offering close readings and comparative studies of fourteen women s diaries from the Civil War era that illuminate women s experiences in the Confederacy during the war While other works highlighting individual diaries exist and Talley notes that there has been a virtual explosion of published primary sources by women in recent years this is the first effort of comprehensive synthesis of women s Civil War diaries to attempt to characterize them as a distinct genre Deeply informed by autobiographical theory as well as literary and social history Talley s presentation of multiple diaries from women of differing backgrounds illuminates complexities and disparities across female wartime experiences rather than perpetuating overgeneralizations gleaned from a single diary or preconceived ideas about what these diaries contain To facilitate this comparative approach Talley divides her study into six sections that are organized by location vocation and purpose diaries of elite planter women diaries of women on the Texas frontier diaries of women on the Confederate border diaries of espionage by women in the South diaries of women nurses near the battlefield and diaries of women missionaries in the Port Royal Experiment When read together these writings illustrate that the female experience in the Civil War South was not one but many *Women s Diaries from the Civil War South A Literary Historical Reading* is an essential text for scholars in women s studies autobiography studies and Civil War studies alike presenting an in depth and multifaceted look at how the Civil War reshaped women s lives in the South and how their diverse responses shaped the course of the war in return

War and Displacement in the Twentieth Century Sandra Barkhof, Angela K. Smith, 2014-03-14 Human displacement has always been a consequence of war written into the myths and histories of centuries of warfare However the global conflicts of the twentieth century brought displacement to civilizations on an unprecedented scale as the two World Wars shifted participants around the globe Although driven by political disputes between European powers the consequences of Empire ensured that Europe could not contain them Soldiers traversed continents and civilians often followed them or found themselves living in territories ruled by unexpected invaders Both wars saw fighting in Europe Africa the Middle East and the Far East and few nations remained neutral Both wars saw the mass upheaval of civilian populations as a consequence of the fighting Displacements were geographical cultural and psychological they were based on nationality sex gender or age They produced an astonishing range of human experience recorded by the participants in different ways This book brings together a collection of inter disciplinary works by scholars who are currently producing some of the most innovative and influential work on the subject of displacement in war in order to share their knowledge and interpretations of historical and literary sources The collection unites historians and literary scholars in addressing the issues of war and displacement from multiple angles Contributors draw on a wealth of primary source materials and resources including archives from across the world military records medical records films memoirs diaries and letters both published and private and fictional interpretations of experience

Jenkins,2024-07-11 Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D H Lawrence H D and Richard Aldington this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War A group that Perdita Schaffner described as another Bloomsbury set the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles in Dorothy Parker s famous formulation Geographically adjacent these sets intersected socially and at points in their aesthetics both practiced innovative forms of what may broadly be defined as life writing But demarcating the Mecklenburgh Square writers from the Bloomsbury Set the former had its origins in the transatlantic avant garde Lawrence H D Aldington and John Cournos were all associated with Imagism the poetic movement which instantiated Anglo American modernism Considered as a pro tem collective these four poets all of whom were also novelists and translators contest the binaries that still obtain between modernist and First World War writing This group study of Lawrence H D Aldington and Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing *Southern Families at War* Catherine Clinton,2000-08-10 Whether it was planter patriarchs struggling to maintain authority or Jewish families coerced by Christian evangelicalism or wives and mothers left behind to care for slaves and children the Civil War took a terrible toll From the bustling sidewalks of Richmond to the parched plains of the Texas frontier from the rich Alabama black belt to the Tennessee woodlands no corner of the South went unscathed Through the prism of the southern family this volume of twelve original essays provides fresh insights into this watershed in American history My Mother's War Eva Taylor,2022-04-05 A sad and beautiful book shining a light on quiet heroism in dark times Lucy Adlington New York Times bestselling author of *The Dressmakers of Auschwitz* The extraordinary story of Sabine Zuur a beautiful young Dutch resistance fighter who spent over two years in three concentration camps during World War Two told by her daughter using an astonishing archive of personal letters After her mother s death Eva Taylor discovered an astounding collection of documents photos and letters from her time as a resistance fighter in Nazi occupied Holland Using the letters she reconstructed her mother s experience in the underground resistance movement and then as a prisoner in the Amersfoort Ravensbruck and Mauthausen concentration camps The letters reveal an amazing story of life during wartime including declarations of love from her fianc before his tragic death as a Spitfire pilot prison notes smuggled out in her laundry and passionate but sometimes terrifying messages from a German professional criminal who ultimately would save Sabine s life A one of a kind story of survival *My Mother's War* captures a remarkable life in the words of the young woman who lived it **Dear Joan** Joan Charles,Tony Ross,2011-04-01 *Dear Joan* comprises a unique series of letters

between a young airman Tony Ross and Joan Charles a girl whom he met briefly in England before he was posted to the Mediterranean during the Second World War Through these letters the book traces the development of their relationship from friendship to long lasting love With the enthusiasm of youth Tony and Joan share their dreams of an ideal life in a reconstructed post Second World War Britain Joan s letters reveal the problems of daily life in wartime Britain and give an insight into her voluntary work for the Fire Guard the land army and the Red Cross and the bureaucracy she encounters in her job with the Civil Service Meanwhile Tony describes the challenges of life in the desert his increasing responsibilities in the RAF and his experiences in the numerous countries he visits throughout the Middle East Dear Joan is a touching account of how Tony s and Joan s love began with a chance wartime encounter and quickly blossomed through letters exchanged throughout the Second World War across the miles that separated them *The Literature of America: From the beginning to the civil war* Arthur Hobson Quinn, Albert Croll Baugh, Will David Howe, 1929 **Letters of Love and War** Gregory Hugh Brown, 2021-10-20 Letters of Love and War is an apt title I believe because it capsulizes the emotion that young people of the Great Generation must have experienced from being torn apart by the ravages of war These letters present an honest and straightforward account of their struggle and how they remained resilient throughout preserving their love for each other and for their country The book has letters that range from the mundane to the sublime and yet maintain consistency throughout One can experience a one on one immediacy from reading their letters and those of their loved ones One is swept up and brought back in time to 1944 and 1945 when the world was at war and all of America was united with the effort to win and defeat the evil forces that were attempting to destroy their country and the freedoms that they all enjoyed The letters bring the urgency of this effort home to us the reader We are one amongst them as we read letter after letter and empathize with the perils they had to endure Read the letters and you too will understand how lucky we were to have their great generation precede us *Landscapes and Voices of the Great War* Angela K. Smith, Krista Cowman, 2017-02-03 This volume continues the recent trend towards expanding definitions of war experience through considering a range of different landscapes and voices Not all landscapes were comprised of trenches and barbed wire Voices supporting or dissenting were many and varied Collectively they combine to offer fresh insights into the multiplicity of war experience alternate spaces to the familiar tropes of mud and mayhem
