Breaking the Perfect 10 Tracy Lindsey Melchior, 2005 One woman's personal and triumphant journey through Tinseltown and into the loving arms of a Savior

Redemptive Divorce Mark Gaither, 2008-08-12 A graceful biblical way to reclaim sanity for the home and dignity for the suffering spouse in a dysfunctional or dangerous marriage Thousands of

conscientious believers wanting to honor the sacred vows they took before God suffer in dysfunctional even dangerous marriages Each and every day they must choose between the lesser of two evils divorce without sound biblical support or a life of perpetual unrelenting misery Somewhere between the secular disregard for the commands of Christ and the sacred unwillingness to deal with real problems of people there is a way The redemptive divorce process is designed to honor the sacredness of the union while offering practical relief for the suffering partner and tough love for the offending spouse In some cases it might even be the catalyst for the restoration and rebuilding of the marriage Practical provocative and utterly unique Redemptive Divorce includes a helpful guide with worksheets for implementation *Bad Pastors* Anson D. Shupe, William A. Stacey, Susan E. Darnell, 2000-08 Child molesting priests embezzled church treasures philandering ministers and rabbis even church endorsed pyramid schemes that defraud gullible parishioners of millions of dollars for the past decade clergy misconduct has seemed continually to be in the news Is there something about religious organizations that fosters such misbehavior *Bad Pastors* presents a range of new perspectives and solidly grounded data on pastoral abuse investigating sexual misconduct financial improprieties and political and personal abuse of authority Rather than focusing on individuals who misbehave the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves stemming from hierarchies of power in which trusted leaders have the ability to define reality control behavior and even offer or withhold the promise of immortality Arguing that such phenomena arise out of organizational structures the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective *Bad Pastors* moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct from violence against women to the role of charisma and abuse of power in new religious movements Highlighting similarities between other forms of abuse such as domestic violence the volume helps us to conceptualize and understand clergy misconduct in new ways *How We Are Healed* Jeffrey Driscoll, 2007-07 A first aid resource for the deep problems people face in their lives this text provides immediate help to the desperate reader who might be experiencing difficulty with biblical advice from a variety of sources 184 pp Christian **Power of a Positive Mom & Power of a Positive Woman** Karol Ladd, 2006-09-26 2 Best Selling Positively Power Packed Books in 1 There s an amazing power in the fourteen principles shared in this dynamic duo of a book Seven time tested principles from the *The Power of a Positive Mom* are perfect for stay at home and working moms alike plus seven more life changing principles from *The Power of a Positive Woman* will unlock the potential in any woman to be a positive influence in her world In this two for one book you ll learn the power of your words and how to use them positively you ll learn how your prayers encouragement attitude and example can change your family forever and you ll learn how to become a powerful force in your family your church your community and your world Become the positive mom and woman that you were created to be **Family Matters** Hilde Løvdal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child

psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book *Dare to Discipline* in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s *Family Matters* James Dobson and Focus on the Family's *Crusade for the Christian Home* by Hilde L. Vdahl Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched L. Vdahl Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson's reign L. Vdahl Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family
