## **Love Secured How To Prevent A Drifting Marriage:**

Love Secured Donald R. Harvey, 1994-03-01      **Hope-Focused Marriage Counseling** Everett L. Worthington Jr., 2013-02-04 Everett L Worthington Jr offers a comprehensive manual for assisting couples over common rough spots and through serious problems in a manner that is compassionate effective and brief      **Talk Your Way to an Intimate Marriage** Donald R. Harvey, 2000 Achieve clearer communication and develop stronger bonds by following five motivational steps and overcoming five interference problems      **The Complete Marriage Book** David Stoop, Jan Stoop, 2002 Overwhelmed by the many books on marriage Here s one stop help from over 30 Christian marriage experts on finances sex spiritual growth and more      Purpose and Power of Love and Marriage Myles Munroe, 2005 Probably no other dimension of human experience has been pondered discussed debated analyzed and dreamed about more than the nature of true love Love is everywhere in songs and in books on televisions and on movie screens Yet for all of our thinking and talking how many of us truly understand love and where can we turn for genuine insight in matters of true love      American Book Publishing Record , 1995      *The Essential Humility of Marriage* Terry D. Hargrave, 2000 The author offers a fresh new perspective on what makes marriages work that will jumpstart the efforts of every couples therapist At its core is his suggestion that what is needed is some new math where once we believed that two became one and then more recently that two remained two Hargrave proposes that in strong marriages two become three you me and we      Subject Guide to Books in Print , 1975

**Marriage, Sexuality, and Gender** Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants      *Modern marriage and how to bear it* Maud Churton Braby, 2016-01-07 Ever since the time nineteen years ago when Mrs Mona Caird attacked the institution of matrimony in the Westminster Review and led the way for the great discussion on Is Marriage a Failure in the Daily Telegraph marriage has been the hardy perennial of newspaper correspondence and an unfailing resource to worried sub editors When seasons are slack and silly the humblest member of the staff has but to turn out a column on this subject and whether it be a serious dissertation on The Perfections of Polygamy or a banal discussion on Should husbands have tea at home it will inevitably achieve the desired result and fill the spare columns of the papers with letters for weeks to come People are always interested in matrimony whether from the objective

or subjective point of view and that is my excuse for perpetrating yet another book on this well worn but ever fertile topic Marriage indeed seems to be in the air more than ever in this year of grace everywhere it is discussed and very few people seem to have a good word to say for it The most superficial observer must have noticed that there is being gradually built up in the community a growing dread of the conjugal bond especially among men and a condition of discontent and unrest among married people particularly women What is the matter with this generation that wedlock has come to assume so distasteful an aspect in their eyes On every side one hears it vilified and its very necessity called in question From the pulpit the clergy endeavour to uphold the sanctity of the institution and unceasingly exhort their congregations to respect it and abide by its laws But the Divorce Court returns make ominous reading every family solicitor will tell you his personal experience goes to prove that happy unions are considerably on the decrease and some of the greatest thinkers of our day join in a chorus of condemnation against latter day marriage Tolstoy says The relations between the sexes are searching for a new form the old one is falling to pieces Among the manuscript remains of Ibsen that profound student of human nature the following noteworthy passage occurs Free born men is a phrase of rhetoric They do not exist for marriage the relation between man and wife has corrupted the race and impressed the mark of slavery upon all Not long ago too our greatest living novelist George Meredith created an immense sensation by his suggestion that marriage should become a temporary arrangement with a minimum lease of say ten years
