My Pursuit To Hell:

Escape from Hell's Corner E. Roy Hector, 2003-07 Gangs of bloodthirsty and ruthless outlaws terrorized the American Southwest before and after Mexico ceded the land now called Texas One of these cutthroat packs thought they had an impregnable hideout until a trio of U S Marshals was given the mission to bring them to justice **Hell's Highway** John Antal, George E. Koskimaki, 2008 **The Scourge** Tom Mayer, 2025-02-23 The idea for the story The Scourge came to me while I was driving through Arizona and the California desert one late night looking at the ominous dust clouds filled with circling night hawks against the windy night sky It looked creepy at best When I got to my motel room on the side of the table I read a holy bible about Matthew Jesus who chased out the demons I put them together and figured that anyone could be in hell so the selection of characters was almost infinite I would also see the rail cars filled with tanks and other military equipment crossing the desert On one memorable occasion I noticed a rail car loaded with migrant workers crossing the same area so I decided to use that in my story This is how the idea of The Scourge was birthed Writing The Scourge I envisioned what it would take to bring The Legion in Matthew back into modern times This is not a bible study story it is a profound dark scary novel There is a lot of violence action and sex in the story These elements were necessary for this type of story to show how it resurfaced on Earth again Without them the story would have been lifeless and dull Plus taking on the challenge of writing this particular story is considered The Holy Grail of all Horror Stories The last story element needed to be told from the perspective of two people already in hell who were given a chance to change sides That gave the story a unique twist Many have tried to make this happen but none have succeeded I hope you enjoy my story if you are a fan of darkness *I Am Who I Am* Rev. Thomas O'Donnell, 2006-10-04 Said God to Moses I am who I am Ever since questions about God abound Who what where when why Even how many In the Christian faith tradition what about all that trinitarian stuff the Father the Son the Holy Sprit Is it one God Three Gods What s up I AM WHO I AM is God s answer to all these questions and more For the first time ever God speaks out The God of the Holy Spirit the immanent God inside speaks out And all is good I AM WHO I AM is God s answer to all these questions and more For the first time ever God speaks out By overthrowing the hierarchical Trinity with the Father enjoying a view from the top and the Holy Spirit bringing up the rear and by replacing it with a circular Trinity having no beginning and no end for the first time ever God is free to speak God s mind The God of the Holy Spirit the immanent God inside speaks out And all is good The book is divided into six Parts as we all know on the seventh God rests After a general introduction in Part I Parts II IV are devoted to each persona of the Trinity offering thoughts on anything and everything on Creation and the Creative Process on the mind of God on the need for an extreme make over when it comes to God and the Holy Trinity in contemporary society on the universality of the story of Jesus and so much more Speaking to the reader in no nonsense user friendly terms Part V addresses such theological topics as The Prayer of the Preyer S I N Satan Heaven Hell and everything in between The final part the Epilogue is a return of that

talking donkey out of the Book of Numbers Balaam's Donkey reporting from the parade route of Jesus into Jerusalem It is something that no one should miss Finally an autobiography of God as seen through the lens of God Finally the God of the Holy Spirit gets his/her say And all is good I AM WHO I AM is the first of three autobiographies featuring God Satan and Jesus respectively Stay tuned for Satan's personal story in E-MAILS FROM THE UNDERWORLD and for I AM THE WORD AN AUTOBIOGRAPHY OF JESUS

Hell's Quest John W. Cassell, 2006-03 Exactly how Collingwood had been built how she had assumed a completely new identity and personality just what frightening sinister debts had been incurred in the process I didn't yet know The final piece of the puzzle was coming whenever I was ready to listen but I already dearly loved the person incurring the debts and I already understood why they had been incurred Nancy was fleeing from a first degree murder charge a case no doubt still open on the books of the Hoboken Police Department I had followed those Waterfront Commission hearings Warren brought up with some interest back in 1966 When he mentioned them this morning I vaguely recalled a murdered federal informant by the name of Deluca being mentioned by several witnesses It may not have been the same guy I may have remembered the name wrong But if he was the case was open with the FBI as well

in God s Supernatural Economy Joseph Z and Rick Renner sat down to discuss God s plan to use the Church and obedient believers to break hell s economy in these last days Hell s economy is represented in every world system where the dark god of this world has ruled but God wants to use the Church and He wants to use YOU to break the devil s grip on the world s systems that are around you In this captivating five part series with Joseph Z and Rick Renner you ll learn What exactly is hell s economy that needs to be broken How to identify the areas where the dark god of this world is exercising his rule How God wants to use the Church and YOU to be a wrecking ball to destroy the devil s works This teaching is truly an eye opening revelation of where the devil is working in the world around us and what we as believers need to do to tear down his demonic influence in areas of life that we see and experience every day Lay hold of this revelation defy hell and live your life knowing you are destined to thrive in these last days Eternity Weighed in the Balance C. Matthew McMahon,2005-08-09 Where will you spend eternity It is not a question to be taken lightly Life is fleeting death is certain and what comes after is unchangeable Eternity Weighed in the Balance does not deal in sentimental notions or half truths It is a book that confronts

the soul with the reality of heaven and hell salvation and damnation and the only hope found in Jesus Christ The Bible speaks plainly about what awaits beyond the grave Heaven is not a mere comfort of the imagination nor is hell a relic of medieval superstition This book lays out what Scripture actually teaches what heaven is where it is who will be there and what the redeemed will experience for all eternity But it does not shy away from the darker truth Hell is real It is a place of eternal torment unrelenting sorrow and unquenchable fire Christ Himself spoke of it in the most sobering terms warning of its horrors and the dreadful reality of everlasting punishment But this book is not meant to leave the reader in terror it is meant to drive him to the only refuge Jesus Christ the Savior of sinners What must a man do to be saved Is faith alone enough What does true conversion look like Can a person know beyond doubt that he is right with God These are not academic questions they are matters of life and death heaven and hell For the indifferent sinner this book is a wake up call For the false professor it is a warning For the earnest seeker it is a guide And for the true believer it is a reminder of the glory to come and the terror from which he has been delivered Enter ye in at the strait gate for wide is the gate and broad is the way that leadeth to destruction and many there be which go in thereat because strait is the gate and narrow is the way which leadeth unto life and few there be that find it Matthew 7 13 14 The weight of eternity is pressing upon your soul Do not leave it to chance Read consider and weigh your soul in the balance before it is too late
