Diversity, Equity, and Inclusivity in Contemporary Higher Education Jeffries, Rhonda, 2018-10-05 One of the most important issues academic organizations face is how the administration and faculty handle cultural and varied differences in higher education High racial tensions as well as the ever increasing need for equality suggest that changes at the highest level are essential to move forward Diversity Equity and Inclusivity in Contemporary Higher Education is an essential reference source that discusses the need for academic organizations to establish policy that is current alive and fluid by design thereby supporting an ongoing examination of best practices with an overt commitment to continued improvement as well as an influence for future leaders who will emerge from the ranks Featuring research on topics such as campus climate university administration and academic policy this book is ideally designed for educators department chairs guidance professionals career counselors administrators and policymakers who are seeking coverage on designing curricula that impact college and university admissions readiness and success

The SAGE Encyclopedia of Higher Education Miriam E. David, Marilyn J. Amey, 2020-05-21 Higher Education is in a state of ferment People are seriously discussing whether the medieval ideal of the university as being excellent in all areas makes sense today given the number of universities that we have in the world Student fees are changing the orientation of students to the system The high rate of non repayment of fees in the UK is provoking difficult questions about whether the current system of funding makes sense There are disputes about the ratio of research to teaching and further discussions about the international delivery of courses

Roles of Tribally Controlled Community College Trustees

Benjamin Ramirez-Shkwegnaabi,1987 *They Told Me Not to Take that Job* Reynold Levy,2015-05-12 When Reynold Levy became the new president of Lincoln Center in 2002 New York Magazine described the situation he walked in to as a community in deep distress riven by conflict Ideas for the redevelopment of Lincoln Center s artistic facilities and public spaces required spending more than 1 2 billion but there was no clear pathway for how to raise that kind of unprecedented sum The individual resident organizations that were the key constituents of Lincoln Center the Metropolitan Opera the New York City Opera the New York Philharmonic the Juilliard School and eight others could not agree on a common capital plan or fundraising course of action Instead intramural rivalries and disputes filled the vacuum Besides some of those organizations had daunting problems of their own Levy tells the inside story of the demise of the New York City Opera the Metropolitan Opera s need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses and the New York Philharmonic s dalliance with Carnegie Hall Yet despite these and other challenges Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen acre campus and raise the money necessary to maintain Lincoln Center as the country s most vibrant performing arts destination By the time he left Lincoln Center had prepared itself fully for the next generation of artists and audiences *They Told Me Not to Take That Job* is more than a memoir of life at the heart of one of the world s most prominent cultural institutions It is also a case study of leadership and management in action How Levy and his colleagues triumphantly steered Lincoln Center through perhaps the most tumultuous decade of its history to a startling transformation is fully captured in his riveting account **Key**
