## GIFT EXCHANGE POEM

### JUST ANOTHER DAY FOR SANTA

It was the night *right* before Christmas, there was nothing *left* to do,  
all the *right* gifts had been bought and been wrapped *right* up too.

As the snow silently fell, and covered the world in white,  
we were *left* with the feeling, that it was going to be a magical *right*.

Not a dish *left* in the sink, not even a crumb *left* on the table,  
after *unwrapping* around the house, it was *left* as clean as we were able.

With dreams of next morning, the children ran *right* to their beds,  
eager for their gifts, visions of glee filled their heads.

When it got to midnight, Santa *left* in his sleigh  
with his bag filled *right* up with toys for Christmas day.

Along with all the elves, *unwrapping* all around,  
making sure under each tree, the *right* gifts were to be found.

*Right* and *left* they circled the globe, spreading Christmas cheer,  
only when the bag was *left* empty, Santa went *right* back home with his  
reindeer.

 Grade level 1 2 3 4 5 6 7 e p i t      **Exploring Creativity Through Writing** Alan Maley, Sharoon Sunny, 2025-08-01

The book explores the nature of human creativity and its importance in education with reference to past and ongoing work on creativity theory. It aims to direct the attention of teachers to the need for creativity in education by dispelling the mystique surrounding it and the feelings of inadequacy or apprehension it may evoke in educators particularly in the Asia region. The book offers an introduction to creativity in writing the rationale for including it in language programmes the benefits it can bestow and the results it can produce as well as dealing with common objections to it. It divides creative writing into two major sections poetry and stories followed by a copious set of varied classroom activities. For each activity a standard format is adopted to offer teachers maximum support in implementing the procedures including supplementary comments on each activity. It is distinct for its accessibility and clarity its abundance of practical and ready to use classroom activities and its unique combination of theoretical underpinnings and practical implementation. This book will be useful to students pre service teachers and researchers who are new to the teaching of English Language both in the Asian context and in the wider world. It will also be an essential companion to practicing in service teachers and Teacher Trainers to further sharpen their concepts and skills.
