Over The Top Great Battles Of The First World War:

Over the Top Martin Marix Evans, 2002 *Over the Top* is a thought provoking examination of the realities of trench warfare in WWI The highly acclaimed author Martin Marix Evans uses original research in his innovative exploration of this popular subject Through a detailed narrative of every major battle the author paints a vivid portrait not only of tactics weapons and life in the trenches but also the experiences of individual soldiers from both sides fighting valiantly in a war of courage and attrition Inside jacket flap

Over The Top David Polk, 1993-01-01 With the stroke of a pen the signing of the Armistice on November 11 1918 promised a World of peace and cooperation Popularly called the war to end all wars the Great War was intended to prevent incidents like the one at Sarajevo in 1914 In general peace and harmony did continue at least until Hitler invaded Poland in 1939 This book is written as a tribute to the legacy of the veterans of the Great War Within these pages are contained eye witness accounts of these fearless fighters

20th Century Battlefields Dan Snow, Peter Snow, 2012-05-31 In this riveting book political journalist Peter Snow and military historian Dan Snow bring to life the most intense and bitterly fought battles of the 20th century from the apocalyptic terrain of the Western Front to the desert landscape of Iraq Punctuated by powerful eyewitness testimony their compelling and often shocking narrative highlights the strategy of military commanders as well as the experience of men on the frontline *20th Century Battlefields* looks back at the most violent century in history and examines the challenges facing armed forces in the future

First World War Great Battles: 5 Minute History Scott Addington, 2014-04-01 How did the First World War start Who were the main players Where did the fighting begin And why were there so many casualties If the 100 year anniversary of this war to end all wars has left you feeling a little under informed *Five Minute History* is the perfect way to read up on this major conflict in short bursts and without pages of intricate detail A perfect overview for the uninitiated each book will inform and educate you of the ups and downs of the First World War even if you have never read a history book in your life

Visiting the Somme & Ypres Battlefields Made Easy Gareth Hughes, 2014-09-11 Visit the battlefields of the Great War with this easy to use planning guide to historic sites in France and Belgium This splendid and timely book will be invaluable to those visiting the battlefields sites museums memorials and cemeteries of France and Belgium It is intended for those planning and leading school groups and similar parties but is also ideal for individual and families Rather than list every site the book provides realistic itineraries to the best places in the two major areas of the Somme and Ypres Even these are flexible to allow party leaders suitable discretion The author provides helpful information for each site such as its context in the War visitor orientation the spiel the essential facts to engage inform and entertain suggested activity and relevant photos and maps There are also valuable tips for lunch breaks free time ideas and other helpful pointers to make planning a tour easy and enjoyable

Edith Cavell Diana Souhami, 2013-10-01 Edith Cavell was born on 4th December 1865 daughter of the vicar of Swardston in Norfolk and shot in Brussels on 12th October 1915 by the Germans for sheltering British and French soldiers and helping them escape over the

Belgian border Following a traditional village childhood in 19th century England Edith worked as a governess in the UK and abroad before training as a nurse in London in 1895 To Edith nursing was a duty a vocation but above all a service By 1907 she had travelled most of Europe and become matron of her own hospital in Belgium where under her leadership a ramshackle hospital with few staff and little organization became a model nursing school When war broke out Edith helped soldiers to escape the war by giving them jobs in her hospital finding clothing and organizing safe passage into Holland In all she assisted over two hundred men When her secret work was discovered Edith was put on trial and sentenced to death by firing squad She uttered only 130 words in her defense A devout Christian the evening before her death she asked to be remembered as a nurse not a hero or a martyr and prayed to be fit for heaven When news of Edith's death reached Britain army recruitment doubled After the war Edith's body was returned to the UK by train and every station through which the coffin passed was crowded with mourners Diana Souhami brings one of the Great War's finest heroes to life in this biography of a hardworking courageous and independent woman *The Kaiser's Battle* Martin Middlebrook, 2007-02-15 The author of *The First Day* on the Somme details what it was like during the 1918 Spring Offensive during World War I which led to Germany's defeat At 9 30 AM on March 21 1918 the last great battle of the First World War commenced when three German armies struck a massive blow against the weak divisions of the British Third and Fifth Armies It was the first day of what the Germans called the Kaiserschlacht the Kaiser's Battle the series of attacks that were intended to break the deadlock on the Western Front knock the British Army out of the war and finally bring victory to Germany In the event the cost of the gamble was so heavy that once the assault faltered it remained for the Allies to push the exhausted German armies back and the war was at last over Praise for *The Kaiser's Battle* The clever blending of written and oral accounts from some 650 surviving British and German soldiers makes the book an extremely convincing reconstruction The Sunday Times UK Mr Middlebrook's industry and patience are displayed in his amazing collection of eyewitness accounts the compassion in his commentary the good sense in his analysis Daily Telegraphy UK **In Our Youth** Angus Scully, 2022-11-02 A fascinating photo rich exploration of early aviation in Canada told through the backstories of pilots who flew fought and risked their lives in the First World War through the interwar period and beyond *In Our Youth* explores the lives of thirty two young Canadian military and civilian flyers viewed through the medium of archival photography All of these young men were pilots in the First World War a time when flying was pure adventure and danger Some of them were from humble origins some from elite families some became heroes one was cowardly and most have now faded from our attention However all embraced the romance of flight and the danger of war Although much of the book is focused on military experiences including the mental stress and injuries faced by pilots who had barely reached adulthood the book looks beyond war examining the fascinating world of civilian aviation from 1908 to 1941 Featuring long hidden photography uncovered from provincial archives confidential military records and precious family collections this book covers the lives of many young Canadians who made

important contributions as they flew and fought in what seem today to be the flimsiest of machines *Roman Catholic Modernists Confront the Great War* C. Talar, L. Barmann, 2015-04-24 This book project traces the thought of several Roman Catholic Modernists and one especially virulent anti Modernist as they confronted the intellectual challenges posed by the Great war from war from 1895 to 1907 **The Lost Battalion and the Meuse-Argonne, 1918** Micheal Clodfelter, 2007-01-01 This volume with exhaustive on site research details America s last major offensive of World War I the Battle of the Meuse Argonne which took place from September 26 through November 11 1918 It examines the movements and countermovements that comprised the still unequaled conflict of the Argonne Forest The main focus of the work is the five day isolation and besiegement of the so called Lost Battalion From October 2 to 5 Major Charles Whittlesey and 554 men were cut off from all other U S units and attacked by German forces in an area known as The Pocket Written with a view toward bringing this legendary tale to a more personal level the work creates a vivid picture of the men who lived fought and died in the final all consuming battle of World War I **The People's Army in the Spanish Civil War** Alexander Clifford, 2020-03-20 Why did the Spanish Republic lose the Spanish Civil War and could the Republic have won These are the key questions Alexander Clifford addresses in this in depth study of the People s Army and the critical battles of Brunete Belchite and Teruel These battles represented the Republic s best chance of military success but after bitter fighting its forces were beaten back From then on the Republic facing the superior army of Franco and the Nationalists aided by Germany and Italy faced inevitable defeat This tightly focused and perceptive account of the military history of the Republic and its army is fascinating reading As well as providing a broad overview of the strategy and tactics of the People s Army and its Nationalist opponents Alexander Clifford quotes vivid eyewitness testimony to give the reader a direct insight into the experience of the front line soldiers on both sides during these three critical battles Their recollections reveal to the reader what it was like to fight in the scorching heat of the plains around Brunete in the shattered streets of Belchite still ruined to this day and in the frozen hills of Teruel Stalin's Wars Geoffrey Roberts, 2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin s leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role in instigating the Cold War While frankly exploring the full extent of Stalin s brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the

world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace *Collective Memory in Post-Soviet Kaliningrad Oblast* Miłosz J. Cordes,2025-06-16 This volume presents the way the discourse of memory and identity in the post Soviet territory of Kaliningrad Oblast has altered over time examining the ways in which politically motivated German myths about East Prussia which emerged after the unification of Germany in 1871 were reused and adapted after 1991 and the role the region has played in wider memory policies of the Russian Federation particularly since Vladimir Putin s third presidential term began in 2012 Kaliningrad Oblast is Russia s westernmost region maintaining a direct maritime but no land connection with the rest of the country The region was part of East Prussia which became a crucial element of the German national mythology after 1871 In 1945 East Prussia became one of the Soviet Union s most important war trophies Ever since its complex political cultural ethnic and religious history has presented a challenge to the central Soviet and Russian authorities Ever since the emergence of a deep internal crisis in the Soviet system in the 1980s the role of the Oblast s past has been subject to intense public debate reflecting the intricacies of post Soviet Russian memory politics *Collective Memory in Post Soviet Kaliningrad Oblast* is intended for scholars interested in collective memory in the post Soviet space as well as the role that the history Kaliningrad Oblast has played in establishing the so called neoconservative narrative in today s Russia **Red, White, and Drunk All Over** Natalie MacLean,2010-12-15 Natalie MacLean spent three years sipping her way through sun drenched vineyards and cobwebbed cellars to bring us this witty knowledgeable book about the world of wine In the ancient vineyards of Burgundy she uncovers the secrets of Pinot Noir then moves on to the labyrinthine cellars of Champagne to examine the mystique of luxury bubbly She compares notes with novelist Jay McInerney at a bacchanalian dinner goes undercover as a sommelier in a five star restaurant and explores the influence of powerful critics Jancis Robinson and Robert Parker You may have a head for wine but *Red White and Drunk All Over* will show you its heart *Constructing Yugoslavia* Vesna Drapac,2010-01-27 Vesna Drapac provides an insightful survey of the changing nature of the Yugoslav ideal demonstrating why Yugoslavism was championed at different times and by whom and how it was constructed in the minds of outside observers Covering the period from the 1850s to the death of Tito in 1980 Drapac situates Yugoslavia in the broader international context and examines its history within the more familiar story of Europe in the nineteenth and twentieth centuries This approachable study also explores key themes and debates including The place of the nation state within the worldview of nineteenth century intellectuals The memory of war and commemorative practices in the interwar years Resistance and collaboration The nature of dictatorships Gender and citizenship Yugoslavia s role from the perspective of the Superpowers Drawing on a wide range of sources in order to recreate the atmosphere of the period *Constructing Yugoslavia* traces the formation of popular perceptions of Yugoslavia and their impact on policy toward Yugoslavs It is essential reading for anyone with an interest in the history of this fascinating nation and its ultimate demise *The Leatherneck* ,1928

Confederate Veteran ,1925 The Force Saul David,2019-09-03 Hailed as masterly Wall Street Journal and a monumental achievement Douglas Brinkley this book tells the riveting true story of the group of elite US and Canadian soldiers who sacrificed everything to accomplish a crucial but nearly impossible WWII mission In December of 1943 as Nazi forces sprawled around the world and the future of civilization hung in the balance a group of highly trained U S and Canadian soldiers from humble backgrounds was asked to do the impossible capture a crucial Nazi stronghold perched atop stunningly steep cliffs The men were a rough and ready group assembled from towns nested in North America s most unforgiving terrain where many of them had struggled through the Great Depression relying on canny survival skills and the fearlessness of youth Brought together by the promise to take part in the military s most elite missions they formed a unique brotherhood tested first by the crucible of state of the art training including skiing rock climbing and parachuting and then tragically by the vicious fighting they would face The early battle in the Italian theatre for the strategic fort cost the heroic U S Canadian commando unit their first special forces unit ever assembled enormous casualties Yet the victory put them in position to continue their drive into Italy setting the stage for the Allies resurgence toward victory in WWII The unit with its vast range of capabilities and mission specific exercises became a model for the Green Berets and other special forces groups that would go on to accomplish America s most challenging undertakings behind enemy lines Knitting first hand accounts seamlessly into the narrative drawing on interviews with surviving members and their families the memoirs letters and diaries of Forcemen and declassified documents in the American Canadian British and German archives The Force tells a story that is as deeply personal as it is inspiring

Modern World History for Edexcel Specification A. Malcolm Chandler,2001 This student book is a foundation edition of the syllabus specific text for GCSE Modern World History for Edexcel This text provides a simplified version of the core textbook and is targeting students expecting to gain C to G grades
