**Hockey Night Fever**

Stephen Cole,2015-10-20 A wildly evocative chronicle of the decade that changed hockey forever Lady Byng died in Boston read a sign in the Garden arena in 1970 a cheery dismissal of the NHL trophy awarded the game's most gentlemanly player A new age of hockey was dawning For 30 years hockey was an orderly and relatively well behaved sport There was one Commissioner six teams and five colours red white black blue and yellow Oh and one nationality Until 1967 every player coach referee and GM in the NHL had been a Canadian And then came NHL expansion the founding of the WHA and garish new uniforms The Seventies had arrived the era that gave us not only disco polyester suits lava lamps and mullets but also the movie Slap Shot and the arrest of ten NHL players for on ice mayhem But it also gave us hockey's greatest encounter the 1972 Canada Russia Summit its most splendid team the 1976 77 Montreal Canadiens and the most aesthetically satisfying game the three all tie on New Year's Eve 1975 between the Canadiens and the Soviet Red Army Modern hockey was born in the sport's wild sensational sometimes ugly Seventies growth spurt The forces at play in the decade's battle for hockey supremacy dazzling speed vs brute force are now for better or worse part of hockey's DNA This book is a welcome reappraisal of the ten years that changed how the sport was played and experienced Informed by first hand interviews with players and game officials and sprinkled with sidebars on the art and artifacts that defined Seventies hockey the book brings dramatically alive hockey's most eventful exciting decade

*The Greatest Game* Todd Denault,2011-10-04 This game wasn't about money points or trophies Instead it was played for pride both personal and national It was a confrontation twenty years in the making and it marked a turning point in the history of hockey On December 31 1975 the Montreal Canadiens the most successful franchise in the NHL hosted the touring Central Red Army the dominant team in the Soviet Union For three hours millions of people in both Canada and the Soviet Union were glued to their television sets What transpired that evening was a game that surpassed all the hype and was subsequently referred to as the greatest game ever played Held at the height of the Cold War this remarkable contest transcended sports and took on serious cultural sociological and political overtones And while the final result was a 3 3 tie no one who saw the game was left disappointed This exhibition of skill was hockey at its finest and it set the bar for what was to follow as the sport began its global expansion
