Owl And The Rossettis:

The Owl and the Rossettis Clarence Lee Cline, 1978 This correspondence between the leading art agent of the mid Victorian period known as The Owl and the family of his chief client Dante Gabriel Rossetti may be the most complete record of the artist agent relationship The letters also provide much new information about a leading artist poet the Pre Raphaelite circle and the leading London artists and writers beyond that circle from Madox Brown to Swinburne The then new role of artist s agent was defined in many respects by Charles Augustus Howell flamboyant yet cultivated son of an English artist wine merchant and an aristocratic Portuguese lady Starting as an international man of mystery with some involvement in railways Howell emerged in 1866 as Ruskin s secretary with a sideline as art salesman and interior decorator During the 1870 s he became the friend and business associate not only of D G Rossetti but also of Whistler G F Watts and Burne Jones Sandys and other principal artists His consummate salesmanship was most evident in the case of Rossetti who refused to exhibit his works or even allow them to be seen unless the viewer was a certain buyer Dubbed Owl by Burne Jones Howell was described by Whistler as the wonderful man the genius the superb liar the Gil Blas Robinson Crusoe hero out of his proper time the creature of top boots and plumes The letters from the Rossettis to Howell are published here for the first time having been sold by Howell s estate to a family that subsequently sold them to the University of Texas The whole correspondence together with Professor Cline s introduction notes and index alters all existing catalogues and bibliographies and critical studies of D G Rossetti says Stanley Weintraub author of *Whistler and Four Rossettis* *The Owl and the Rossettis* Clarence Lee Cline, 1978 **Selected Letters of William Michael Rossetti** Roger W. Peattie, 2010-11-01 *The Peacock Room* Linda Merrill, 1998-01-01 En gennemgang af Smithsonian Institutions Peacock Room indrettet af J A M Whistler 1834 1903 **The Correspondence of Dante Gabriel Rossetti** Dante Gabriel Rossetti, 2002 Represents the collection of extant Rossetti correspondence a primary witness to the range of ideas and opinions that shaped Gabriel Rossetti s art and poetry This work features known surviving letters a total of almost 5 800 to over 330 recipients and includes 2 000 letters by Rossetti and selected letters to him **Christina Rossetti** Kathryn Burlinson, 1998 This builds on the reinterpretations of Rossetti that have emerged in the last 20 years showing her as a persistent critic of her culture as well as one who explored language sexuality and feminine identity *We Found Her Hidden* Paul Hullah, 2018-07-16 This newly revised study examines thematic elements in Christina Rossettis poetry in order to celebrate and explain an important undervalued writer and her remarkable artistic quest to achieve an original voice Critics rightly applaud Rossettis metrical craftsmanship and song like lyrical phrasings but over attention to formal felicities can impede proper interpretation of content Through detailed readings of selected poems this book demonstrates that Rossettis rigorously controlled use of language and innovative symbolism combine to create radical hidden inter textual levels of meaning beyond those attainable via biographical decoding making her a singular bridge between Romanticism and Modernism From earliest secular

interactions with Romantic and Tractarian thought through *Goblin Market* 1862 and *The Princes Progress* 1866 Rossettis verse resists straightforward interpretation by subtly interrogating and subverting the patriarchal traditions of writing that it simultaneously extends love lyric fairy tale quest myth and sonnet Persuasively constructing a case for the inability of male ordained poetics to cope with the expression of active female identity *Monna Innominata* 1881 deconstructs lyric tradition casting together medieval renaissance Romantic and Victorian ideologies This groundbreaking sonnet cycle disturbs poetic conventions and forms the most concentrated sustained demonstration of the struggle to articulate the female self to be found in Rossettis oeuvre perhaps in literary history The painful sense of irresolution and despair pervading *Monna Innominata* sheds important light upon Christina Rossettis exclusive production of devotional literature during her final years

Art History Through the Camera's Lens Helene E. Roberts, 2013-09-13 Photography of art has served as a basis for the reconstruction of works of art and as a vehicle for the dissemination and reinterpretation of art This book provides the first definitive treatment of the subject with essays from noted authorities in the fields of art history architecture and photography The essays explore the many meanings of photography as documentation for the art historian inspiration for the artist and as a means of critical interpretation of works of art *Art History Through the Camera's Lens* will be important reading for students historians librarians and curators of the visual arts

Collecting the Pre-Raphaelites Margaretta Frederick Watson, 2018-12-17 First published in 1997 and written by leading scholars of the day these fifteen essays examine aspects of the reception and collecting of Pre Raphaelite Art the social and cultural context in which the work was favoured and acquired Two major collections provide the focus for the investigation that of the Birmingham city Museums and Art Gallery in the United Kingdom and that of the American Samuel Bancroft Jr now part of the Delaware Art Museum The study of these two collections both formed in the late 1890 places Pre Raphaelite Art at nexus of contemporary cultural issues that touched the lives of both the city council intent on establishing a public gallery of national importance and a wealthy American businessman indulging a private passion for the work of these artists The contributors approach the issue in a variety of ways These include the study of the ambitions and self perception of collectors of the period an analysis of the impact of John Ruskin's campaign to establish Pre Raphaelite painting as the Art of England and its impact on notions of civic and national identity the examination of individual painting in relation to such issues as the portrayal of women the nude and of religious subjects and the study of the Victorian preoccupation with Renaissance Italy and the attempt by Ruskin Charles Fairfax Murray advisor to the two collections and the Grosvenor Gallery to proclaim the Pre Raphaelite artists as the true inheritors of the genius of Renaissance Italian artists These essays were first presented at a symposium held at the Delaware Art Museum during the exhibition there of the paintings of Birmingham City Museums and Art Gallery

A Rossetti Family Chronology A. Chapman, J. Meacock, 2007-06-29 This book focuses on Christina and Dante Gabriel Rossetti it demonstrates the interconnectedness of their friendships and creativity giving information about literary composition and artistic output

publication and exhibition and details literary and artistic influences It draws on many unpublished sources including letters and diaries **Christina Rossetti** Jan Marsh,2012-11-29 Jan Marsh's book is the best researched and fullest biography of Rossetti we have yet had Fiona MacCarthy New York Review of Books Although never formally part of the Pre Raphaelite poetic school which included her brother Gabriel William Morris and Algernon Swinburne Christina Rossetti has always been linked to it Jan Marsh gives full attention to both the individual and her unique variety of fantastic and devotional poetry Marsh delineates an appealing person while examining her adolescent nervous breakdown abortive engagement to a lapsed Catholic painter frustrated love for an absentminded scholar and relationships with her devout but hearty sister Maria and with her brothers The author's steady sympathetic course through Rossetti's divided life enables readers to delve into the intense and original self most fully expressed in her poetry Kirkus Review **Jane Morris** Wendy Parkins,2013-04-15 A scholarly monograph devoted to Jane Morris an icon of Victorian art whose face continues to grace a range of Pre Raphaelite merchandise Described by Henry James as a dark silent medieval woman Jane Burden Morris has tended to remain a rather one dimensional figure in subsequent accounts This book however challenges the stereotype of Jane Morris as silent model reclusive invalid and unfaithful wife Drawing on extensive archival research as well as the biographical and literary tradition surrounding William Morris and Dante Gabriel Rossetti the book argues that Jane Morris is a figure who complicates current understandings of Victorian female subjectivity because she does not fit neatly into Victorian categories of feminine identity She was a working class woman who married into middle class affluence an artist's model who became an accomplished embroiderer and designer and an apparently reclusive silent invalid who was the lover of Dante Gabriel Rossetti and Wilfred Scawen Blunt Jane Morris and the Burden of History particularly focuses on textual representations in letters diaries memoirs and novels from the Victorian period onwards in order to investigate the cultural transmission and resilience of the stereotype of Jane Morris Drawing on recent reconceptualisations of gender auto biography and afterlives this book urges readers to think differently about an extraordinary woman and about life writing in the Victorian period **The Rossettis: Dante Gabriel and Christina** Elisabeth Luther Cary,1900 *The Rossettis and Their Circle* Frances Winwar,1934 **The Shaw Review** ,1979 *Christina Rossetti* Emma Mason,2018-06-10 Christina Rossetti 1830-94 is regarded as one of the greatest Christian poets to write in English While Rossetti has firmly secured her place in the canon her religious poetry was for a long time either overlooked or considered evidence of a melancholic disposition burdened by faith Recent scholarship has redressed reductive readings of Christian theology as repressive by rethinking it as a form of compassionate politics This shift has enabled new readings of Rossetti's work not simply as a body of significant nineteenth century devotional literature but also as a marker of religion's relevance to modern concerns through its reflections on science and materialism as well as spirituality and mysticism Emma Mason offers a compelling study of Christina Rossetti arguing that her poetry diaries letters and devotional commentaries are engaged with both contemporary theological debate and an emergent ecological agenda In

chapters on the Catholic Revival Pre Raphaelite Brotherhood contemporary debates on plant and animal being and the relationship between grace and apocalypse Mason reads Rossetti's theology as an argument for spiritual materialism and ecological transformation She ultimately suggests that Rossetti's life and work captures the experience of faith as one of loving intimacy with the minutiae of creation a divine body in which all things material and immaterial human and nonhuman divine and embodied are interconnected

Christina Rossetti's Gothic Serena Trowbridge, 2013-08-01 The poetry of Christina Rossetti is often described as gothic and yet this term has rarely been examined in the specific case of Rossetti's work Based on new readings of the full range of her writings from Goblin Market to the devotional poems and prose works this book explores Rossetti's use of Gothic forms and images to consider her as a Gothic writer Christina Rossetti's Gothic analyses the poet's use of the grotesque and the spectral and the Christian roots and Pre Raphaelite influences of Rossetti's deployment of Gothic tropes
