Owls And Artificers Oxford Lectures On Poetry:

Owls and Artificers Roy Fuller, 1974 *The Beatles and Sixties Britain* Marcus Collins, 2020-03-05 In this rigorous study Marcus Collins reconceives the Beatles social cultural and political impact on sixties Britain **Auden's Syllabic Verse** Richard Hillyer, 2019-12-12 Much of the poetry written by W H Auden between 1939 and the time of his death consists of syllabic verse or lines arranged in accordance with a predetermined syllable count but no fixed number or distribution of stresses This book presents a comprehensive in depth analysis of his many and widely varied syllabics grouping them primarily by the formal sub categories to which they belong as measured by line length stanza type or some other aspect of their overall design With this approach the book clarifies the dynamic range and technical inventiveness of Auden's syllabics It also shows how his work compares with that of Robert Bridges and Marianne Moore two pioneers in the writing of English syllabic whose verse he was familiar with **Edinburgh Dictionary of Modernism** Vassiliki Kolocotroni, 2017-12-20 This book examines how the productive interplay between nineteenth century literary and visual media paralleled the emergence of a modern psychological understanding of the ways in which reading viewing and dreaming generate moving images in the mind **Making the Poem** George S. Lensing, 2018-06-09 Over sixty years after his death Wallace Stevens remains one of the major figures of American modernist poetry celebrated for his masterful style formal rigor and aesthetic investigations of the natural political and metaphysical worlds In *Making the Poem* noted Stevens scholar George S. Lensing explores the poet's progress in the creation of his body of work considering its development composition and reception Drawing on little known sources and nuanced readings of Stevens' texts Lensing expands the customary view of the poet's creative approaches This wide ranging study extends from the origins and overlapping themes of well known poems through the social and political backgrounds that marked Stevens' work to the prosodic and musical elements central to his style *Making the Poem* features a dynamic new reading of the important early poem *Sea Surface Full of Clouds* viewing it alongside his wife Elsie's journal describing the sea voyage that inspired the poem and an extensive multiperspective treatment of the widely anthologized *The Idea of Order at Key West* as well as a careful excavation of the poem *Mozart 1935* in the context of the U S Great Depression Lensing concludes with a discussion of the gradual and sometimes reluctant recognition Stevens' work received from poets and critics in Great Britain and Ireland Stemming from decades of research and writing *Making the Poem* *Stevens Approaches* presents a holistic view of his creative achievements and a wealth of new material for readers to draw upon in their future encounters with the poetry of Wallace Stevens **An Exaltation of Forms** Annie Finch, Kathrine Varnes, 2002 Fifty poets examine the architecture of poems from the haiku to rap music and trace their history **Life after Tragedy** Michael W. Brierley, Georgia A. Byrne, 2018-01-01 Much has been written on the centenary of the First World War however no book has yet explored the tragedy of the conflict from a theological perspective This book fills that gap Taking their cue from the famous British army chaplain Geoffrey Studdert

Kennedy seven central essays all by authors associated with the cathedral where Studdert Kennedy first preached to troops examine aspects of faith that featured in the war such as the notion of home poetry theological doctrine preaching social reform humanitarianism and remembrance Each essay applies its reflections to the life of faith today The essays thus represent a highly original contribution to the history of the First World War in general and the work of Studdert Kennedy in particular and they provide wider theological insight into how in the contemporary world life and tragedy God and suffering can be integrated The book will accordingly be of considerable interest to historians both of the war and of the church to communities commemorating the war and to all those who wrestle with current challenges to faith A foreword by Studdert Kennedy s grandson and an afterword by the bishop of Magdeburg in Germany render this a volume of remarkable depth and worth

Implicit Meanings Professor Mary Douglas, Mary Douglas, 2002-01-04 *Implicit Meanings* was first published to great acclaim in 1975 It includes writings on the key themes which are associated with Mary Douglas work and which have had a major influence on anthropological thought such as food pollution risk animals and myth The papers in this text demonstrate the importance of seeking to understand beliefs and practices that are implicit and a priori within what might seem to be alien cultures

Twentieth Century Crime & Mystery Writers NA NA, 2015-12-25 *Material Culture* Victor Buchli, 2004 Publisher description

[Implicit Meanings](#) Mary Douglas, 1999 Mary Douglas shows how anthropology can make a central contribution to knowledge and understanding across disciplines and in everyday life

A History of Modern Poetry David Perkins, 1987 This study of British and American poetry from the mid 1920s to the recent past clarifies the complex interrelations of individuals groups and movements and the contexts in which the poets worked

Contemporary Novelists Noelle Watson, 1991 Contains entries for each author with a biography a list of separately published books and an essay

[Subject Catalog](#) Library of Congress, **Food and Culture** Carole Counihan, Penny Van Esterik, 1997 This reader reveals how food habits and beliefs both present a microcosm of any culture and contribute to our understanding of human behaviour Particular attention is given to how men and women define themselves differently through food choices

Food and Culture Carole Counihan, Penny Van Esterik, Alice Julier, 2018-12-07 This innovative and global best seller helped establish food studies courses throughout the social sciences and humanities when it was first published in 1997 The fourth edition of *Food and Culture* contains favorite articles from earlier editions and several new pieces on food politics globalism agriculture and race and gender identity

[Roy Fuller](#) A. Trevor Tolley, 1993 One of the finest British poets of this century Roy Fuller was awarded the Queen s Gold Medal for Poetry the C B E and was elected to the Oxford Professorship of Poetry The achievements of the late poet novelist critic and autobiographer are honoured here in essays and poems by writers who were his friends
