Nelson, 2016-02-10 Humans are created as dreaming creatures and have been interested in the meaning of their dreams for thousands of years This book offers tools and guidelines to help you work with your dreams as a practice of your Christian faith Drawing on biblical and historical references as well as modern research the book outlines ways to better understand your own dreams and gives practical advice for beginning and leading a dream group The book also discusses how other contemporary spiritual practices such as lectio divina journaling and meditation can inform your dream work and vice versa Dreams are not a secret code and will not necessarily improve your life forever but they can serve as a valuable source of insights and inspiration in your life This book will help you reach a deeper understanding of yourself and your faith through working with your dreams *Wounded Masculinity and the Search for (Father) Self in American Film* Susan Mackey-Kallis, Brian Johnston, 2023-12-12 Drawing on texts and theorists of Greek myth psychoanalysis and masculinities Susan Mackey Kallis and Brian Johnston develop and offer a model of rhetorical and mythic criticism to analyze popular American film In this book Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice

and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell's interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest
