Oxford Readers Companion To Trollope:

Oxford Reader's Companion to Trollope Reginald Charles Terry, 1999 Oxford Reader's Companions draw on the latest scholarship to provide literature specialists students and general readers with compact and reliable sources of reference on the lives works and critical reputations of major British and American authors Edited and written by leading scholars titles in the series bring together a wealth of biographical bibliographical and historical information to illuminate the wider literary and cultural context of each author's work

Oxford Reader's Companion to George Eliot John Rignall, 2001 Scholarly ambitious and scrupulous This is how the TLS recently described the Oxford Reader's Companion Series In September 2000 the book which pioneered the series The Oxford Reader's Companion to Dickens came out in paperback Now the Oxford Reader's Companions to Trollope Hardy Conrad and George Eliot will follow on from its success In this format each of these books designed specifically to appeal to students of literature contains a more comprehensive and accessible range of information than any other reference works on these writers George Eliot was not only a great novelist but an important journalist and translator too and her intellectual interests ranged far beyond literature and across many different cultures The challenge faced by the compilers of this Companion was to do justice to the extraordinary range and depth of her intellectual life and creative work The result is the most comprehensive guide to the life and work of George Eliot ever written There is much interest in George Eliot both in scholarly circles and amongst general readers of Victorian fiction This Companion offers not only information and analysis of George Eliot's novels but also coverage of short stories essays poetry and translations letters and journals Over 50 literary scholars from a variety of backgrounds from around the world contribute the latest thinking and expertise to this Companion Entries include Life of George Eliot health travels pets owned by George Eliot brothers and sisters of George Eliot Friends and associates Lord Acton Charles Bray Florence Nightingale Anthony Trollope Novels Adam Bede Daniel Deronda Middlemarch A Study of Provincial life Romola Stories Brother Jacob The Lifted Veil Essays and reviews Address to Working Men by Felix Holt How I came to write Fiction Notes on Form in Art Themes animals characterization class crime gender irony melodrama society the woman question Other writers Aristotle Jane Austen E T A Hoffman John Keats William Shakespeare Mary Wollstonecraft Emily Dickinson Thomas Hardy George Sand Walt Whitman Virginia Woolf Art and artists illustrations Rembrandt J M W Turner Music Johann Sebastian Bach Joseph Haydn Other contexts feminism education politics society anti-Semitism law race radicalism technology philosophy utilitarianism Christianity Publishing John Chapman The Cornhill Magazine The Fortnightly Review serialization Places America Berlin Coventry France Ilfracombe Munich Oxford Reception and criticism biographies of George Eliot reputation In addition to A Z entries the book offers extra material a useful classified contents list grouping headwords in thematic batches a family tree maps showing fictional settings and George Eliot's travels a general bibliography an alphabetical list of characters and a time chart showing events in George Eliot's life in a historical and literary context

The Oxford

Reader's Companion Set Senior Lecturer Department of English Owen Knowles, 2001-03-01 **Reforming Trollope** Deborah Denenholz Morse, 2016-04-01 Trollope the reformer and the reformation of Trollope scholarship in relation to gender race and genre are the intertwined subjects of eminent Trollopian Deborah Denenholz Morse's radical rethinking of Anthony Trollope Beginning with a history of Trollope's critical reception Morse traces the ways in which Trollope's responses to the political and social upheavals of the 1860s and 1870s are reflected in his novels She argues that as Trollope's ideas about gender and race evolved over those two crucial decades his politics became more liberal The first section of the book analyzes these changes in terms of genre As Morse shows the novelist subverts and modernizes the quintessential English genre of the pastoral in the wake of Darwin in the early 1860s novel *The Small House at Allington* Following the Second Reform Act he reimagines the marriage plot along new class lines in the early 1870s in *Lady Anna* The second section focuses upon gender In the wake of the Second Reform Bill and the agitations for women's rights in the 1860s and 1870s Trollope reveals the tragedy of primogeniture and male privilege in *Harry Hotspur of Humblethwaite* and the viciousness of the marriage market in *Ayala's Angel* The final section of *Reforming Trollope* centers upon race Trollope's response to the Jamaica Rebellion and the ensuing Governor Eyre Controversy in England is revealed in the tragic marriage of a quintessential English gentleman to a dark beauty from the Empire's dominions The American Civil War and its aftermath led to Trollope's insistence that English identity include the history of English complicity in the black Atlantic slave trade and American slavery a history Trollope encodes in the creole discourses of the late novel *Dr Wortle's School* *Reforming Trollope* is a transformative examination of an author too long identified as the epitome of the complacent English gentleman **New Men in Trollope's Novels** Margaret Markwick, 2017-11-28 *New Men in Trollope's Novels* challenges the popular construction of Victorian men as patriarchal despots and suggests that hands on fatherhood may have been a nineteenth century norm Beginning with an evaluation of the evidence for cultural determinations of masculinity during Trollope's times the author sets the stage with a discussion of the religious philosophical and educational influences that informed the evolution of Trollope's personal views of masculinity as he grew from boyhood into later manhood Her treatment of his novels drawing on a wide selection from across the oeuvre shows that sensitive examination of Trollope's texts discovers him advancing a startlingly modern model of manhood under a veneer of conformity Trollope's independent views on child rearing education courtship marriage parenthood and gay men are also discussed within the context of Victorian culture in this witty original and immensely knowledgeable study of Victorian masculinity **A Study Guide for Anthony Trollope's "Barchester Towers"** Gale, Cengage Learning, 2016-06-29 *A Study Guide for Anthony Trollope's Barchester Towers* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs **The Duke's Children** Anthony Trollope, 2017-04-04 Newly

restored from the original manuscript and more than a quarter longer than existing editions one of the finest novels from one of the greatest English novelists is finally available in the form he intended Trollope wrote *The Duke's Children* his final Palliser novel as a four volume work but was required by his publisher to reduce it to three necessitating the loss of nearly sixty five thousand words A team of researchers led by Steven Amarnick has worked with the manuscript at Yale's Beinecke Library to restore the novel to its original form The result is richer and more complex with a subtly different ending a clearly superior book to the one that has always been published Plantagenet Palliser the Duke of Omnium has lost both his vivacious wife Lady Glencora and his position as prime minister of Great Britain The bereft duke is left to try to manage his three grown children whose rebellions take the various forms of gambling debts university pranks and unsuitable romantic attachments But though he fails to understand his offspring Palliser truly cares for them and he navigates the clash of generations with a growing awareness of the necessity of compromises both political and personal Insightful entertaining and compassionate and now restored to its full glory *The Duke's Children* is a fitting conclusion to the epic Palliser series one of the most remarkable achievements of British fiction

Brief Encounters Susannah Fullerton, 2009-06-01 Throughout the 19th and early 20th centuries countless distinguished writers made the long and arduous voyage across the seas to Australia They came to give lecture tours and make money to sort out difficult children sent here to be out of the way for health for science to escape demanding spouses back home or simply to satisfy a sense of adventure In 1890 for example Robert Louis Stevenson and his wife Fanny arrived at Circular Quay after a dramatic sea voyage only to be refused entry at the Victoria one of Sydney's most elegant hotels Stevenson threw a tantrum but was forced to go to a cheaper less fussy establishment Next day the Victoria's manager recognising the famous author from a picture in the paper rushed to find Stevenson and beg him to return He did not In *Brief Encounters* renowned author and speaker Susannah Fullerton examines a diverse array of writers including Charles Darwin Rudyard Kipling Stevenson Anthony Trollope Mark Twain Arthur Conan Doyle DH Lawrence Joseph Conrad HG Wells Agatha Christie and Jack London to discover what they did when they got here what their opinion was of Australia and Australians how the public and media reacted to them and how their future works were shaped or influenced by this country

The Politics of Gender in Anthony Trollope's Novels Deborah Denenholz Morse, 2016-12-05 Bringing together established critics and exciting new voices *The Politics of Gender in Anthony Trollope's Novels* offers original readings of Trollope that recognize and repay his importance as source material for scholars working in diverse fields of literary and cultural studies As the editors observe in their provocative introduction Trollope more than any of his contemporaries is studied by scholars from disciplines outside literary studies The contributors here draw together work from economics colonialism and ethnicity gender studies new historicism liberalism legal studies and politics that convincingly argues for the eminence of Trollope's writings as a vehicle for the theoretical explorations of Victorian culture that currently predominate The essays variously examine imperial and postcolonial themes in the context of economic

cultural aesthetic and demographic influences show how gender sensitive readings expose Trollope's critique of capitalism's influence address Trollope and sexuality in the context of queer studies the law archetypal constructions and classical feminism and offer new approaches to narrative theory through examination of Victorian understandings of male and female psychology Regenia Gagnier's concluding chapter revisits the collection's critical strands and reflects on the implications for future studies of Trollope

The Victorian Novel Louis James, 2008-04-15 This inspiring survey challenges conventional ways of viewing the Victorian novel Provides time maps and overviews of historical and social contexts Considers the relationship between the Victorian novel and historical religious and bibliographic writing Features short biographies of over forty Victorian authors including Wilkie Collins Charles Dickens George Eliot and Robert Louis Stevenson Offers close readings of over 30 key texts among them Charlotte Brontë's *Jane Eyre* 1847 and Bram Stoker's *Dracula* 1897 as well as key presences such as John Bunyan's *Pilgrim's Progress* Pt 1 1676 Pt 2 1684 Also covers topics such as colonialism scientific speculation the psychic and the supernatural and working class reading

Milton and the Victorians Erik Gray, 2011-03-15 The Victorian period was a golden age for the study of Milton Yet the influence of Milton on poetry and on literature more generally during the period is often obscure Victorian writers rarely display the overt self-conscious engagement with Milton that typified so much Romantic writing earlier in the nineteenth century In *Milton and the Victorians* Erik Gray argues that this shift represents not a breach but an expansion if Milton's influence seems less remarkable than before it is due not to his absence but to his pervasiveness Through detailed consideration of works by Elizabeth Barrett Browning Christina Rossetti Matthew Arnold Alfred Tennyson and George Eliot Gray shows how Victorian writers tended to draw upon the less sublime more understated elements of Milton's writings In tracing the characteristically oblique influence of Milton on Victorian authors Gray also draws attention to important aspects of Milton's own work notably the way it often depicts power being exerted indirectly Gray thus proposes new and nuanced models of literary relations while offering original and elegant readings both of Milton's poetry and of major works of Victorian literature

Mary, Countess of Derby, and the Politics of Victorian Britain Jennifer Davey, 2019 Lady Mary Derby 1824-1900 occupied a pivotal position in Victorian politics yet her activities have largely been overlooked or ignored This volume places Mary back into the political position she occupied and offers the first dedicated account of her career Based on extensive archival research including hitherto neglected or lost sources this study reconstructs the political worlds Mary inhabited Her political landscape was dominated by the machinations and intrigues of high politics and diplomacy As Jennifer Davey uncovers Mary's political skill and acumen were highly valued by leading politicians of the day including Benjamin Disraeli and William Gladstone and she played a significant role in many of the key events of the mid-Victorian era This included the passing of the Second Reform Act the formation of Disraeli's 1874 Government the Eastern Crisis of 1875-1878 and Gladstone's 1880-1885 Government By exploring how one woman was able to exercise influence at the heart of Victorian politics this book considers

what Mary's career tells us about the nature of political life in the mid nineteenth century. It sheds new light on the connections between informal and formal political culture incorporating the politics of the home, letter writing and social relations into a consideration of the politics of Parliament and Government. It provides a rich investigation of how a woman with few legal or constitutional rights was able to become a significant figure in mid Victorian political life. **Phineas**

Redux Anthony Trollope, 2011-11-10. It is no good any longer having any opinion upon anything. After the death of his wife the handsome politician Phineas Finn returns from Ireland to the parliamentary fray. In his absence the political and social world has subtly changed: parties and policies no longer fixed and advancement dependent upon scheming and alliances. His private life lays him open to the scandal mongering press and the wild accusations of an unhinged rival, but much more than his reputation is at stake when he is accused of murdering a political opponent. Trollope shows a remarkably prescient sense of the importance of intrigue, bribery and sexual scandal and the power of the press to make or break a political career. He is equally skilled in portraying the complex nature of Phineas's romantic entanglements with three powerful women: the mysterious Madame Max, the devoted Laura Kennedy and the irrepressible Lady Glencora, now Duchess of Omnium. The fourth of Trollope's Palliser novels, *Phineas Redux* is one of his most spellbinding achievements and the first modern media novel. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, helpful notes to clarify the text, up to date bibliographies for further study and much more. The Oxford Handbook of the Victorian Novel Lisa

Rodensky, 2013-07-11. The Oxford Handbook of the Victorian Novel contributes substantially to a thriving scholarly field by offering new approaches to familiar topics as well as essays on topics often overlooked. Icelandic Utopia in Victorian Travel Literature Dimitrios Kassis, 2016-05-11. This book focuses on Iceland as a nineteenth century utopian locus in the light of racial theories attached to the country's national framework. In particular it investigates the ways in which five nineteenth century travellers define their national identity and gender in relation to Iceland during the Victorian period, during which European nationalism emerges as an idea of paramount importance. Owing to the gradual contemplation of this peripheral word as the cradle of the Germanic nations, Victorian travel writers endeavoured to reconstruct the image of Iceland in accordance with the racial theoretical framework that underlay the nineteenth century British nation building agenda.

Genres of the Credit Economy Mary Poovey, 2008-09-15. How did banking, borrowing, investing and even losing money in other words participating in the modern financial system come to seem like routine activities of everyday life? *Genres of the Credit Economy* addresses this question by examining the history of financial instruments and representations of finance in eighteenth and nineteenth century Britain. Chronicling the process by which some of our most important conceptual categories were naturalized, Mary Poovey explores complex relationships among forms of writing that are not usually viewed

together from bills of exchange and bank checks to realist novels and Romantic poems to economic theory and financial journalism Taking up all early forms of financial and monetary writing Poovey argues that these genres mediated for early modern Britons the operations of a market system organized around credit and debt By arguing that genre is a critical tool for historical and theoretical analysis and an agent in the events that formed the modern world Poovey offers a new way to appreciate the character of the credit economy and demonstrates the contribution historians and literary scholars can make to understanding its operations Much more than an exploration of writing on and around money Genres of the Credit Economy offers startling insights about the evolution of disciplines and the separation of factual and fictional genres

The Reception of George Eliot in Europe Elinor Shaffer, Catherine Brown, 2016-02-11 George Eliot born Mary Ann Evans 1819 1880 was one of the most important writers of the European nineteenth century as well as a pioneering translator of challenging and controversial Continental thinkers and an influential editor and essayist Although such novels of provincial life as Adam Bede The Mill on the Floss and Middlemarch have seen her characterised as a thoroughly English writer her reception and immersion in the literary intellectual and political life of Europe was remarkable Written by a team of leading international scholars The Reception of George Eliot in Europe is the first comprehensive and systematic survey of Eliot's place in European culture Exploring Eliot's deep knowledge of German literature and thought her galvanizing influence on women novelists and translators in countries as diverse as Sweden and Spain her travels in Holland Germany Switzerland Austria the Czech Lands Italy and Spain and her friendship with leading figures such as Mazzini Turgenev and Liszt this study reveals her full stature as a cosmopolitan writer and thinker A film of her Italian Renaissance novel Romola was one of the first to circulate in Europe Including an historical timeline and a comprehensive bibliography of primary and secondary sources and translations The Reception of George Eliot in Europe is an essential reference resource for anyone working in the field of Victorian Literature or the European nineteenth century

Masculinity and the English Working Class Ying Lee, 2016-05-06 This book examines representations of working class masculine subjectivity in Victorian autobiography and fiction In it Ying focuses on ideas of domesticity and the male body and demonstrates that working class masculinities differ substantially from those of the widely studied upper classes The book also maps the relationship between two trends the early nineteenth century efflorescence of published working class autobiographies in which working men construct their identities for a broad readership and a contemporaneous surge of public interest in the lower orders that finds reflection in the depiction of working class characters in popular novels by middle class authors The book mimics this point of convergence by pairing three working class autobiographies with three middle class novels Each chapter focuses on a particular type of work domestic service manual not artisanal labour and literary labour and the opportunities it offers for social advancement Ying considers the specific ways in which classed and gendered consciousness emerges autobiographically and its significance in the writing of working class subjectivity for public consumption Then mainstream

novels by Charles Dickens Elizabeth Gaskell and Charles Kingsley are re read from the perspective of these autobiographical pressure points Trollope and the Church of England Jill Durey,2002-10-23 Trollope and the Church of England is the first detailed examination of Trollope s attitude towards his Anglican faith and the Church and the impact this had on his works Durey controversially explodes the myth that Trollope s most popular characters just happened to be clerical and were simply a skit on the Church by revealing the true extent of his lifelong fascination with religion *Victorian Ethical Optics* Natalie Prizel,2024-05-16 Explores the way that characters and figures in Victorian literature and visual art encountered and observed the bodies of others particularly those bodies which were aberrant deformed and disabled

Oxford Readers Companion To Trollope Introduction

In today's digital age, the availability of Oxford Readers Companion To Trollope books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Oxford Readers Companion To Trollope books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Oxford Readers Companion To Trollope books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Oxford Readers Companion To Trollope versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Oxford Readers Companion To Trollope books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Oxford Readers Companion To Trollope books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Oxford Readers Companion To Trollope books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Oxford Readers Companion To Trollope books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Oxford Readers Companion To Trollope books and manuals for download and embark on your journey of knowledge?

FAQs About Oxford Readers Companion To Trollope Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.
